FOREWORD

Dr. Khalid Mahmood Khan

President, Pakistan Academy of Science

Pakistan Academy of Sciences (PAS) stands as the largest national constellation of scientists, academicians and professionals in the domain of S&T. At present, PAS has 82 Local Fellows, 34 Foreign Fellows and 26 Members. Over the past 6 decades, the Academy has emerged as a non-governmental and non-political supreme scientific body of distinguished local and foreign scientists and academicians. Its Fellows and Members, with brilliant careers spread over a considerable period, are elected through a long drawn process. They have the capacity and capability both individually and collectively to develop the Academy as a pool of scientific expertise to render independent opinion in matters where science can be of any assistance to the policy makers. Also, the Academy is regularly acknowledging the efforts of Pakistani academicians, scientists, engineers, medical professionals, biotechnologists, etc. by rewarding them with honors and awards in terms of Gold Medals, Certificates and Cash Prizes. Till date some 367 academicians and researchers have received such awards in 17 different categories. Pakistan Academy of Sciences is also collaborating with the other Academies by signing of 20 MoUs with International Science Academies worldwide to strengthen its capacity for international collaboration regarding joint research activities and projects.

This biennial progress report (Year Book: 2020–2021) summarizes the salient achievements of the Pakistan Academy of Sciences during this period. As in the past, the Pakistan Academy of Sciences (PAS) has remained quite active during the period 2020-2021 and its Fellows and Members remained engaged in research activities at national level and pursued a number of initiatives with international academies such as ANSO and AASSA. During this period, the Academy Fellows and Members executed some 18 research projects. Inspite of the COVID-19 Pandemic, the Academy was able to conduct a large number of on-line international and national level Webinars, conferences, workshops and lectures. Among these, the noteworthy events were the AASSA-PAS Webinar Series (I - IV) /Hybrid Workshop-2021 titled: “Pandemic Preparedness: Science and Countermeasures“ and the International Conference on Biosciences (ICBS-2021). In addition, ANSO (Alliance of International Science Organization in the Belt and Road Region) approved two collaborative research projects one related to “Food Security”
submitted by a PAS Fellow and the other related to “Molecular detection and characterization of bat-borne viruses from Pakistan” submitted by a PAS Member.

There have been some landmark achievement of the Academy during the period, 2020-2021 that are worth mentioning. The first of these achievements was the formal administrative approval of the PSDP Concept Proposal (PC-I) regarding upgradation and capacity building of Pakistan Academy of Sciences by the Planning Commission (GoP) on Jan 23, 2020 for a period of 36 months. This PC-I was submitted by the Academy to the Planning Commission (GoP) through the Higher Education Commission (HEC) and it resulted in an award of some 810.272 Million Pak Rupees. Under this PSDP Project, the Academy has upgraded its secretariat through: (i) establishment of “Scientific Advice to Government (SAG) Unit” or “Policy Unit”, (ii) creation of a fully equipped video conferencing facility, and (iii) creation of offices for PAS Fellows and for Human Resources for the Policy Unit; and (iv) Upgradation of the Information Communication Technology (ICT) systems (mainly networking facilities, servers, computers and printers, etc.), etc. Upon the request of concerned ministries of the Government of Pakistan (GoP), the PAS Policy Unit contributed towards review and upgradation of the National Climate Change Policy (NCCP)-2021 and the National S&T and Innovation Policy-2022. The Policy Unit also compiled a Comprehensive Report on Groundwater Database for Pakistan for the Ministry of Water Resources for presentation at the meeting of the Senate Standing Committee on Water Resources on Nov. 4, 2021. The Auditorium and the Meeting Room equipped with state of the art video conferencing facilities were effectively utilized for hosting of a number of webinars and on-line meetings, etc. This has improved the linkage of the Academy with other national and worldwide academies and institutions for exchange of expertise and information. With the installation of servers and improvement in the networking system, some operations are now working as a centralized system in the Academy. The video conferencing and webinar facilities are also being provided and shared with other scientific and academic institutions through collaborative ventures. These have also helped in strengthening links with foreign scientists and academicians during scientific proceedings. The Academy has also been able to transform its proceedings namely, PPAS-A & PPAS-B into flagship science journals. The electrical power system in the PAS secretariat has been improved through installation a 15kW Solar Power Generator to assist continuity of conference, meeting or webinar activities at the Secretariat during electrical load shedding. The second landmark achievement was installation of an escalator/lift (capacity two persons) in the lobby of the Academy’s Secretariat block. The third landmark achievement was the inauguration of the Founding Office of the Academy at the School of Physical Sciences, Quaid-i-Azam Campus, University of The Punjab on Dec., 02, 2021 jointly, by myself and Prof. Dr. Niaz Ahmad Aktar, Vice Chancellor of University of the Punjab. A large number of PAS Council Members, PAS Fellows and University Academia attended the inaugural ceremony. Federal Secretary, Ministry of Science & Technology (MoST) along with his two senior colleagues (Joint Secretary, MoST and Director Policy Wing-MoST) visited the Academy to learn about the aims and objectives of the Academy and prospects of collaborative efforts by PAS and MoST for science, technology and innovation based development in the country. During the period of
report (2020-2021), a number of foreign delegations also visited the Academy. These included visit of 3 Member delegation each of Yunnan Academy of Sciences and Technology Development and Embassy of the Republic of Uzbekistan. The Ambassador of the Republic of Bulgaria also visited the Academy headquarters to explore collaboration. Further, for the first time, the “organogram of Pakistan Academy of Sciences” has been included in the current biennial progress report.

It is also planned that alongside honoring single scientists for their achievements and contributions to the cause of science and technology, the Academy may consider idolization of scientific institutions on the basis of their innovative R&D work specifically w.r.t. and resolve of industrial problems, and/or upgradation of industrial processes and designs for quality products leading to socioeconomic development. Those scientific institutions which attain international recognition may then be listed in Academy’s Honor List.

Before ending this note, I would like to express my deepest sorrow over the sad demise of Academy Fellows who died around the period 2020-2021. These include, Lt. Gen. (R) Muhammad Saleem, Prof. Dr. Muhammad Ashfaq, Dr. M. Aslam and one of our national hero, a world renowned nuclear scientist Dr. A. Q. Khan (who breathed his last on October 10, 2021). May their souls rest in eternal peace. A reference for Dr. A. Q. Khan was held in the Academy which was attended by a large number of scientists and academicians.

In the end, I must acknowledge that the Pakistan Academy of Sciences is among the widely recognized Academies internationally, especially in the South Asian region because of its various collaborative programs. As an academician and a scientist, I have the conviction in the concept that there is always a room for improvement. I am confident that with the constant support and scientific contributions of our Fellows and Members, the Academy shall continue to rise to even greater heights.

I am most grateful to the Higher Education Commission for supporting the Academy and to all the Fellows and Members and the Staff of the Academy without whose active support and participation, all this would not have been possible.

8. GOLD MEDALS AND AWARDS

8.1. PAS Open Gold Medal
8.2. PAS Gold Medal
8.3. PAS Gold Medal (under 40 Years)
8.4. PAS/Infaq Foundation Agha Hasan Abedi Gold Medal
8.5. PAS/Infaq Foundation Agha Hasan Abedi Prize for Best Scientist of the Year (Gold Medal and Rs. 200,000/-)
8.6. Dr. M. Raziuddin Siddiqi Prize for Scientist (under 40 Years)
8.7. TWAS Cash Prize (under 40 Years)
8.8. Dr. M.N. Azam Prize for Pakistani Scientists in Computer Science (Software)
8.9. PAS-COMSTECCH Prize in Computer Science (IT)
8.10. Dr. Atta-ur-Rahman Gold Medal in Chemistry for Scientists (under 40)
8.11. Distinguished Scientist of the Year Award
8.12. Meritorious Service Award (Special Medal)
8.13. World Science Day for Peace and Development Award
8.14. Dr. Shah Jahan Prize for Scientists (under 40)
8.15. TWAS Abdus Salam Prize in Basic Sciences for Scientists (under 40)
8.16. TWAS Salimuzzaman Siddiqui Prize in Applied Science & Technology for Scientists (under 40)
8.17. Prof. Zabta K. Shinwari Gold Medal in Biotechnology for Scientists (under 50)
8.18. Abdus Salam Prize in Basic Sciences for Scientists (under 40)
8.19. Salimuzzaman Siddiqui Prize in Applied Science & Technology

15. MEMBERS OF THE ACADEMY
1. INTRODUCTION

It is generally recognized that any progressive country, which aspires to occupy a befitting Place in the comity of nations, encourages the establishment of a supreme scientific organization, usually designated as the “Academy of Sciences” devoted to the promotion of science and its applications for the general welfare of humanity. While these organizations may not carry out actual researches, they do provide a forum for the advancement of scientific research, popularization of science, motivation of scientists and technologists, and encouraging and promoting studies in new areas of S & T.

As utmost importance is attached to the membership of such an academy, only scientists of the highest merit, who have made outstanding contributions to the advancement of scientific knowledge, are elected its Fellows. The Academy is regarded, by the public and the government, as a repository of the highest scientific talent available in the country, and is generally supported and consulted in all matters relating to scientific education, research and development.

The idea of establishing Pakistan Academy of Sciences was mooted in November 1947 at the 1st National Educational Conference held in Karachi. Subsequently, nine eminent scientists were elected as Founding Fellows of the proposed Academy. One of the Founding Fellows, Dr. M. Raziuddin Siddiqi, has drafted Charter of the Academy which was approved. The Pakistan Academy of Sciences was inaugurated by the then Prime Minister of Pakistan, Khwaja Nazimuddin, on 16th February 1953 during 5th Pakistan Science Conference in Lahore. On 19th February 1953, the Founding Fellows elected Prof. M. Afzal Hussain as President and Dr. M. Raziuddin Siddiqi as Secretary of the Academy.

The Academy is a non-governmental and non-political supreme scientific body of distinguished scientists in the country. The Government of Pakistan has given the consultative and advisory status to the Academy “on all problems relating to the development of scientific efforts in the country”, and “generally on such matters of national and international importance in the field of science as may be referred to the Academy”. The affairs of the Academy are regulated by its Charter and Bye-Laws approved by the Fellows.

The Academy is governed by a Council that includes its President, two Vice Presidents, Secretary General, Associate Secretary General and Treasurer. At present, there are 82 Fellows, 34 Foreign Fellows, and 26 Members, who have been elected by the General Body. The President of the Academy for the term 2018-2020 was Prof. Dr. M. Qasim Jan, HI, SI, TI. The President of the Academy for the term 2021-2023 is Prof. Dr. Khalid Mahmood Khan, SI.
2. OFFICE BEARERS OF THE ACADEMY

2.1. Founding Fellows (February 16, 1953)
1. Prof. M. Afzal Hussain
2. Dr. Nazir Ahmad
3. Dr. Bashir Ahmad
4. Dr. Salimuzzaman Siddiqi
5. Dr. M. Raziuddin Siddiqi
6. Dr. M Sharif
7. Dr. M. Qudart-i-Khuda
8. Dr. Hamid Khan Bhatti
9. Dr. M. Ishaque

2.2. Former Presidents
1. Prof. M. Afzal Hussain
2. Dr. Nazir Ahmad
3. Prof. Dr. M. Raziuddin Siddiqi, HI, SI
4. Prof. Dr. Salimuzzaman Siddiqui, FRS, HI, SI
5. Prof. Dr. M. Qudrat-i-Khuda
6. Prof. Dr. H.K. Bhatti
7. Ch. M. Afzal
8. Prof. Dr. M.A. Kazi
9. Prof. Dr. M. Raziuddin Siddiqi, HI, SI
10. Prof. Dr. M.A. Kazi
11. Prof. Dr. M.D. Shami, SI
12. Dr. Amir Muhammed
13. Dr. A.Q. Khan, NI & Bar, HI
14. Prof. Dr. Atta-ur-Rahman, FRS, NI, HI, SI, TI
15. Dr. Ishfaq Ahmad, NI, HI, SI
16. Prof. Dr. Atta-ur-Rahman, FRS, NI, HI, SI, TI
17. Dr. Anwar Nasim, SI

2.3. Former Secretaries General
1. Prof. Dr. M. Raziuddin Siddiqi, HI, SI
2. Prof. Dr. M.D. Shami, SI
3. Prof. Dr. M.M. Qurashi, SI
4. Prof. Dr. M.D. Shami, SI
5. Prof. Dr. Iftikhar A. Malik, HI (M), SI (M), SI
6. Prof. Dr. M.D. Shami, SI
7. Prof. Dr. Khalid Mahmood Khan, SI
8. Prof. Dr. Iftikhar A. Malik, HI (M), SI (M), SI
9. Prof Dr. M. Qasim Jan, HI, SI, TI
10. Prof Dr. G. A. Miana, SI
11. Dr. Anwar Nasim, SI
12. Prof Dr. Zabta Khan Shinwari, SI, TI

2.4. Former Secretaries
1. Dr. M. Raziuddin Siddiqi, HI, SI
2. Dr. M.O. Ghani
3. Dr. S.D. Chaudhri
4. Dr. M. Raziuddin Siddiqi, HI, SI
2.5. The 2021 - 2023 Council of the Academy

Prof. Dr. Khalid Mahmood Khan  
SI President

Prof. Dr. Riaz Hussain Qureshi  
Vice President

Prof. Dr. Bina Shaheen Siddiqui  
SI, TI Vice President

Prof. Dr. Tasawar Hayat  
Hi, SI, TI Secretary General

Prof. Dr. Amin Badshah

3. SOME SALIENT HISTORICAL GLIMPSES

Inaugural Ceremony of the Pakistan Academy of Sciences in 1953

Left to Right: Dr. M. Sharif, Dr. H.K. Bhatti, Dr. M. Ishaq, Dr. M. Raziuddin Siddiqi, Hon. Khawaja Nazimuddin (Prime Minister of the Islamic Republic of Pakistan), Dr. Bashir Ahmed, Prof. M. Afzal Hussain, Dr. Nazir Ahmed, Dr. Salimuzzaman Siddiqui.

Hon. Khawaja Nazimuddin addressing the scientists during inauguration of the Academy (1953).
Dr. Nazir Ahmed speaking at National Convention of Senior Scientists organized by PAS in Swat - August 27, 1965.
L-R: Dr. M. Raziuddin Siddiqi, President Mohammad Ayub Khan, Prince Aurangzeb, Prof. Abdus Salam.

President Mohammad Ayub Khan addressing the National Convention of Senior Scientists in Swat organized by Pakistan Academy of Sciences - August 27, 1965.
President of Pakistan, General Zia-ul-Haq addressing the scientists during Silver Jubilee Celebrations of the Academy in Islamabad (1978).

Dr. M. A. Kazi, President of the Academy, laying Foundation Stone of the Academy's Building in Islamabad (1979).
Dr. M. Raziuddin Siddiqi, Secretary General, delivering his Welcome Speech at the Foundation Laying Ceremony of the Academy’s Building in Islamabad (1979).

Members of First Delegation of the Chinese Academy of Sciences with President and Fellows of the Pakistan Academy of Sciences.
Dr. A.Q. Khan and Prof. Dr. Atta-ur-Rahman inaugurating Science Exhibition at the Pakistan Academy of Sciences. Prof. Dr. M.D. Shami and Dr. S. Riaz Ali Shah are also present.

The PAS-organized ceremony in Islamabad to celebrate the Award of FRS to Prof. Dr. Atta-ur-Rahman (2006).
L-R: Prof. Dr. Khalid Mahmood Khan, Secretary General PAS; Chaudhry Nauroze Shakoor, Minister for Science & Technology; General Parvez Musharraf, President of Pakistan; Lt. Gen. Khalid Maqbool, Governor Punjab; Prof. Dr. Atta-ur-Rahman, President PAS
Members of the delegation of the Indian National Science Academy (INSA) with the President and members of the Council of the Academy in Islamabad - January 2012.

Members of the delegation of the Chinese Academy of Sciences led by its President, Dr. Chunli Bai, with the President and members of the Council of the Academy - July 2012.
President of Turkish Academy of Sciences, Prof. Dr. Ahmet Cevet Asar, and President of Pakistan Academy of Sciences, Dr. Anwar Nasim, signing Agreement for Scientific Cooperation in Islamabad in the presence of Prime Minister of Pakistan, Mian Muhammad Nawaz Sharif, and Prime Ministr of Turkey, Mr. Ahmet Davutoglu on February 17, 2015.

Prof. Dr. Mustafa ERGUN, Executive Director, InterIslamic Science & Technology Network on Oceanography (INOC), Izmir, Republic of Turkey delivered a lecture on Caspian Sea, Water Fluctuations and the Effects on the Human History at the Pakistan Academy of Sciences (PAS) auditorium - January 16, 2020
A 3-member delegation from Yunnan Academy of Science and Technology development (YASTD) led by the Deputy Dean (YASTD), Pu Weidong, visited the Pakistan Academy of Sciences (PAS) and had a meeting with the PAS Officials and Fellows - January 06, 2020

A three members’ delegation from the Embassy of the Republic of Uzbekistan visited the Pakistan Academy of Sciences (PAS) Headquarters, Islamabad. Prof. Dr. Qasim Jan (President, PAS) and Prof. Dr. Aslam Baig (Secretary General, PAS) led the PAS side - September 30, 2020
UNESCO Islamabad in collaboration with the Commission on Science and Technology for Sustainable Development in the South (COMSATS), the Organization of Islamic Cooperation Standing Committee on Scientific and Technological Cooperation (COMSTECH), the Economic Cooperation Organization Science Foundation (ECOSF), the Pakistan Science Foundation (PSF) and the Pakistan Academy of Sciences (PAS), celebrated World Science Day for Peace and Development, at the COMSTECH Secretariat, Islamabad November 10, 2020

Pakistan Academy of Sciences (PAS) celebrated "National Science Day (NSD)" for the first time, dedicated to the achievements and contributions of Dr. Abdus Salam, the first Nobel Laureate of the Islamic World - January 29, 2021
Pakistan Academy of Sciences (PAS) organized a special lecture on “Equality in Education” in the PAS Auditorium. Dr. Hazir Ullah, Associate Professor Sociology & Director ORIC, Quaid-i-Azam University Islamabad was invited as a Guest Speaker. February 9, 2021

China-Pakistan Joint Research Center on Earth Science (CPJRC) in collaboration the Pakistan Academy of Sciences (PAS) successfully held "China-Pakistan High-level Webinar on Earth Science Cooperation" with the theme of Sustainable Development of CPEC: Vision for China-Pakistan Science and Technology Cooperation in Earth Sciences. Prof. Dr. Qasim Jan, Immediate Past President of Pakistan Academy of Sciences (PAS), delivered a welcome address and presided over the Opening Ceremony – March 18, 2021
The Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) organized an AASSA-PAS Webinar III/Hybrid Workshop in the Pakistan Academy of Sciences. The webinar/Hybrid Workshop covered specific themes i.e. “How to Counter Infodemics: Role of Scientists & Role of Complementary Medicine in Pandemics” and “Diagnosis, Critical Care; Vaccines and Herd Immunity”. H.E. Zartaj Gul, Minister of State for Climate Change, Government of Pakistan (GoP) was the Chief Guest of the Inaugural Session. The concluding session of the Workshop was chaired by H.E. Masood Khan, President AJ&K - May 25, 2021

Prof. Dr. Khalid Mahmood Khan (President, PAS) and Prof. Dr. Tasawar Hayat (Secretary General, PAS) welcomed the Ambassador of the Republic of Bulgaria, H.E. Mrs. Irena Gancheva on her visit to the Pakistan Academy of Sciences – June 24, 2021
The Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA), with the support of the InterAcademy Partnership (IAP), organized an AASSA-PAS Webinar VI/Hybrid Workshop on **COVID-19 and Higher Education: Addressing Food Insecurity through Policy Support and Research**, in the Pakistan Academy of Sciences. In total, 13 lectures were delivered by leading experts, of which four were delivered by international speakers from Australia, Canada, China and the UK, and eight lectures by Pakistani speakers. **H.E. Syed Fakhar Imam**, Federal Minister, National Food Security and Research, inaugurated the webinar - June 24, 2021

Mr. Nadeem Irshad Kayani, Federal Secretary, MoST visited the PAS to discuss the PAS's functions and constructive dialogue between the Ministry of Sciences and Technology and the Pakistan Academy of Sciences for Science, Technology and Innovation based development in the country. Prof. Dr. Tasawar Hayat, Secretary General PAS welcomed the Federal Secretary MoST and his colleagues Mr. Zahir Shah (Joint Secretary MoST) and Dr. S. Zaheer Hussain (Dir. Policy Wing, MoST). Prof. Dr. Anwar ul Hasan Gilani was also present in the meeting - June 30, 2021
Pakistan Academy of Science (PAS) held a hybrid Reference for (Late) Dr. Abdul Quadeer Khan (N.I. & Bar, H.I.), Founding Chairman, Dr. A.Q. Khan Research Laboratories, Kahuta & Fellow Pakistan Academy of Sciences who breathed his last on October 10, 2021 and was buried in H-8 Graveyard, Islamabad - October 21, 2021

Pakistan Academy of Sciences (PAS) and Pakistan Nuclear Society (PNS) jointly organized a One-day Seminar on “Afforestation of Global Deserts for Sustainable Future of Earth Environments”. Prof. Dr. M. Aslam Baig, Former Secretary General PAS, on behalf of PAS gave the welcome address. Dr. Yusuf Zafar, Ex-Chairman, PARC was the Chief Guest of the Event - November 24, 2021
PAS Lahore Office was formally inaugurated by Prof. Dr. Khalid Mahmood Khan, President PAS and Prof. Dr. Niaz Ahmad Akhtar, Vice Chancellor of University of the Punjab along with Prof. Dr. Tasawar Hayat (Secretary General, PAS). A large number of PAS Fellows attended the inaugural ceremony of the PAS Lahore Office – December 02, 2022.

Pakistan Academy of Sciences (PAS) organized PAS AI Lecture Series 1st Talk on the topic AI and Deep Learning in Ophthalmology delivered by Dr. Muhammad Usman Akram working as an Associate Professor at the National University of Science and Technology, Islamabad - December 23, 2021.
4. CHARTER OF THE PAKISTAN ACADEMY OF SCIENCES

Preamble
The Fellows of the Pakistan Academy of Sciences, assembled at a General Body Meeting on the 17th day of the month of March in the Year 1979, approved and adopted the CHARTER for the management and conduct of the affairs of the Academy. The updated version of the CHARTER, as amended by the General Body from time to time, is as under:

4.1. Short Title
This Charter may be called the “Charter” of the Pakistan Academy of Sciences, here-in-after called the “Charter”.

4.2. Commencement
It shall come into force at once.

4.3. Definitions
In this Charter, unless there is anything repugnant to the Context,

i. “Academy” means the “Pakistan Academy of Sciences” as re-organized under this Charter.

ii. “Bye-Laws” means the Bye-Laws as passed by the Council and approved by General Body of the Academy from time to time.

iii. “Council” means the Executive Body of Academy as laid down in clause 6 of this Charter.

iv. “Fellow” means a Founding Fellow or a Fellow of the Academy elected under clause 5 (A)(ii) of this Charter or Para 17 of the Bye-Laws for the Election of new Fellows.

v. (a) Member means a Member of the Academy nominated under clause 5 (A)(iii)(a) of this Charter.

(b) “*Foreign Fellow” means a citizen of a foreign country nominated as a Fellow of the Academy under clause 5 (A) (iv) of this Charter.

(*As amended by the G.B. in its meeting held on December 8, 1998)

vii. “General Body” means the Body consisting of the Fellows of the Academy.

viii. “President”, “Vice-Presidents”, “Secretary General”, “Treasurer”, “Associate Secretary-General”, “Secretaries”, mean respectively the President, Vice Presidents, Secretary General, Treasurer, Associate Secretary General and Secretaries of the Academy, as laid down in clause 6 of this Charter.

4.4. Aims and Objectives
The aims and objectives of the Academy shall be:
i. to promote higher studies and research on pure and applied sciences in Pakistan and to disseminate scientific knowledge;

ii. to formulate standards of scientific effort and achievement in Pakistan and to recognize outstanding contributions to the advancement of science;

iii. to publish and assist in the publication of Scientific Proceedings, Journals, Transactions, Monographs, Books and other scientific literature;

iv. to establish and maintain association and relations between Pakistani scientists and the international groups, meetings and unions of scientists, and between Pakistani scientific activities and the activities of scientists in other countries;

v. to award grants, scholarships, fellowships, prizes and medals for scientific research;

vi. to undertake such scientific work of national or international importance as the Academy may be called upon to perform by the Government;

vii. to have the advisory and consultative status with the Ministries and Divisions of Government dealing with scientific and technical matters, and to represent internationally the scientific work of Pakistan;

viii. to secure and administer funds, endowments and other grants for the promotion and development of scientific research or projects of a scientific nature, and for the attainment of the aims and objectives of the Academy;

ix. to correlate and assist in correlating the efforts of other scientific bodies;

x. to do all other lawful things that the Academy may consider conducive to, or necessary for, the attainment of its aims and objectives.

4.5. Membership

5(A) The Academy shall comprise of Founding Fellows, Fellows, Members and Foreign Fellows, as described here under:

i) Founding Fellows shall be persons borne on the Register of the Academy as Fellows immediately prior to the coming in force of this Charter, whose names and photographs are given in the Annexure-I to this Charter;

ii) Fellows shall be Pakistani scientists eminent for their original contribution to science, who are elected according to the procedure laid down in the Bye-Laws. Not more than five Fellows may be elected in any one year until the total number of Fellows reaches the limit of one hundred and ten (110*);

(*As amended by G.B. in its meeting held on November 20, 2018)

iii) (a) Members shall be Pakistani scientists who have made substantial contributions to science, and who are nominated according to the procedure laid down in the Bye-Laws;

(b) Not more than ten (10) Members may be elected in first year, and not more than three Members may be nominated in any subsequent year until the total number reaches the limit of fifty (50);
iv) Foreign Fellows shall be scientists who are nationals of countries other than Pakistan, and who are eminent for their contributions to science, and who are elected according to the procedure laid down in the Bye-Laws. Not more than three Foreign Fellows may be elected in any one year until the total number of Foreign Fellows reaches the limit of fifty (50*);

(*As amended by G.B. in its meeting held on November 20, 2018)

5(B) Procedures for the election of Fellows, Members and Foreign Fellows shall be laid down in the Bye-Laws.

4.6. Administration

(A) The administration, direction and management of the affairs of the Academy shall be entrusted to a Council comprising of the following office-bearers and other members:

i. President;
ii. Two Vice-Presidents;
iii. Secretary General;
iv. Treasurer;
v. Associate Secretary-General;
vi. Four Secretaries (one for each Province);
vii. Four other members from amongst the Fellows of the Academy elected by the General Body;
viii. One member from amongst the Fellows of the Academy nominated by the Ministry of Education;
ix. One member from amongst the Fellows of the Academy nominated by the Ministry of Science and Technology;
x. *One member from amongst the Fellows of the Academy nominated by the Higher Education Commission;

(*As decided by G.B. in its meeting held on October 26, 2016)

xi. Immediate past President to be a “member” of the Council for one term.

(B) *The term of office of the Office Bearers and other members of the Council shall be three (3) years. The retiring office bearers and other members in future shall then not be eligible for re-election to any position of the Council for the subsequent three-year term.

(*As amended by G.B. in its meeting held on November 25, 2013)

(C) The Quorum for meetings of the Council shall be fifty per cent of its members, fractions to be ignored.
(D) The procedure for the election of Office Bearers and other members of the Council shall be laid down in the Bye-Laws.

(E) If the name of one Fellow has been proposed for more than one office, he shall be required to choose only one office for which he agrees to be a candidate.

4.7. Rights and Privileges of Fellows, Members and Foreign Fellows

7(A) Fellows, Members and Foreign Fellows shall be entitled to the following rights and privileges:

i. to have personal access to the Library of the Academy and to take out books and journals from the Library, subject to such Regulations as may be prescribed by the Council;

ii. to receive gratis copies of the Proceedings and Transactions of the Academy, and of such other publications as the Council may decide from time to time, and to purchase other publications of the Academy at the price decided by the Council;

iii. to offer papers and communications to be read at the Meetings of the Academy;

iv. to serve on any committees and other bodies appointed by the Council and the General Body;

v. to be present and participate in the deliberations at all General Body meetings, provided that the Members and Foreign Fellows shall not be entitled to vote; Fellows shall have the right to vote at all General Body meetings;

vi. Fellows shall be entitled to propose and recommend candidates for Foreign Fellowship, Fellowship, and Gold Medals of the Academy;

*7(B)

i. The Fellowship, Membership and Foreign Fellowship of the Academy, being a recognition of the merit of eminence of the distinguished scientists and a token of honour, shall involve no regular subscription to be paid by them. The General Body may, however, on the recommendation of the Council, determine an amount to be paid by a newly elected Fellow on the occasion of his induction. The Fellows may be required to give donations;

ii. Any Fellow, Member or Foreign Fellow may withdraw from the Academy by conveying his wish to do so by a letter addressed to the Secretary General of the Academy. Provided that if a Fellow, who had resigned from the Fellowship previously, expresses his desire in writing that he would like to withdraw his resignation, the General Body, on the recommendation of the Council, may allow him to do so;

iii. Fellows, Members and Foreign Fellows who have withdrawn from the Academy, shall be eligible for re-election.

*7(C)

i. If it comes direct to the notice of the President or the Secretary General of the Academy or it is brought to their notice by a Fellow of the Academy or through the
media that a Fellow, a Foreign Fellow or a Member of the Academy has willfully
violated the rules or decisions of the Academy or of the Council or the conduct of
the Fellow, Foreign Fellow or Member is violative of the Charter or injurious to the
interest of the Academy or he/she commits willful breach of order at any meeting
of the Academy or has committed or persisted in such disobedience or breach of
order, the Academy through the President / Secretary General can take suo moto
action.

ii. In such a situation, the Secretary General shall write to the Fellow, Foreign
Fellow or Member that a complaint has been received against him or her. The
Secretary General shall ask the Fellow, Foreign Fellow or Member to clarify his or her
position in person or in writing. If the Secretary General, after consultation with the
President of the Academy, feels that the explanation is inadequate or
unsatisfactory, he shall bring it to the notice of the Council. If the Council
determines by a simple majority vote (through secret ballot) that the Fellow should
not remain on the rolls, he/she will be asked to resign. If he or she fails to do so
within one month, the Council shall inform the Fellow in writing of its intention to
remove the Fellow, Foreign Fellow or Member.

iii. After intimation to the Fellow, Foreign Fellow or Member, the matter shall be
placed at a General Body meeting. If two-third of the Fellows present vote through
secret ballot for the removal of the Fellow, Foreign Fellow or Member, provided this
number is not less than fifty percent (50%) of the existing number of Fellows, the
President shall declare that the person’s name be removed from the Register of the
Fellows, Foreign Fellows or Members and at the same time pronounce that: “
Dr./Prof. ---------------------------- ” ceases to be a Fellow, Foreign Fellow or Member of
the Pakistan Academy of Sciences with immediate effect”. (*As decided by G.B. in
its meeting held on December 13, 2002)

8(A) The functions and powers of the General Body shall be:

i. to approve Bye-Laws of the Academy, which shall not be inconsistent with this
   Charter;

ii. to approve annual programme and budget of the Academy;

iii. to sanction the creation, extension, curtailment or abolition of any of the
    organizations, institutions, committees and posts, paid or otherwise, established
    and/or maintained by the Academy;

iv. to elect Fellows, Members and Foreign Fellows of the Academy;

v. to elect Council of the Academy;

vi. to consider the reports submitted by the Council and issue directions for further
    work of the Academy;
vii. subject to other provisions in this Charter, to exercise generally the residuary powers so far as the affairs of the Academy are concerned;

viii. to frame Rules governing the procedure to be followed at the General Body meetings.

8(B) The Quorum of meetings of the General Body shall be one-third of the total number of Fellows, fractions to be ignored.

4.9. Functions and Powers of the Council

The functions and powers of the Council shall be:

i. to manage the property, income, concerns and affairs of the Academy, and for this purpose, to make, with the approval of the General Body, such Bye-Laws as may be necessary for the good administration of the Academy, provided that such Bye-Laws shall not be inconsistent with any provision of this Charter;

ii. to formulate the annual programme and budget of the Academy and of the institutions maintained by it;

iii. to direct and control the publication of Proceedings, Journals, Transactions, Monographs and other works published by the Academy, and to appoint an Editor- in-Chief and Editorial Board for this purpose for a term of 4 years, renewable for one more term;

iv. to control the libraries, laboratories, museums, research institutes and other institutions established by the Academy, and, for this purpose, to appoint, within the sanctioned budget, librarians, superintendents, curators, directors, research officers and other staff, whether paid or honorary;

v. subject to the powers of the President, Secretary-General and Treasurer, to appoint salaried staff of the Academy as sanctioned in the budget, to define their duties and terms and conditions of service, and to dispense with their services as the occasion may require;

vi. to prepare and submit to the General Body and the Government, the annual Report on the affairs of the Academy;

vii. To sanction, in an emergency, extra expenditure not provided for in the budget, provided that funds are available for the purpose;

viii. To appoint Committees and Boards for specific matters and to take necessary action on the reports submitted by the Committees and Boards;

ix. To consider and dispose of the proposals received from the members of the Council and Fellows, Members and Foreign Fellows of the Academy, and communications received from the others, excepts in so far as such proposals and communications require the consideration of the General Body.
4.10. **Funds of the Academy**

The Treasurer shall receive and hold for the use of the Academy all moneys paid to the Academy; he shall disburse all sums due from the Academy, and shall keep proper accounts of all such receipts and payments:

i. The procedures for keeping of proper accounts for competent sanction of expenditure, for disbursements and for countersigning cheques, or authorizing payments, shall be laid down in the Bye-Laws;

ii. The full accounts of Academy shall be audited every year by a Chartered Accountant appointed annually by the Council, and copies of the audited statement shall be submitted to the General Body and the Government;

iii. All sums received for and on behalf of the Academy shall be regularly deposited by the Treasurer, as soon as possible after the receipt thereof, in a scheduled Bank approved by the Council for this purpose;

iv. The income and property of the Academy, however derived, shall be utilized exclusively for the promotion of the Aims and Objectives of the Academy, and no portion thereof shall be paid or transferred directly or indirectly by way of dividend, bonus or otherwise.

4.11. **Framing of Bye-Laws**

A majority of not less than *forty percent (40%)* of the total number of existing Fellows of the Academy, either present in person and voting at a General Body Meeting specially called for the purpose, of which due notice has been given, or the like majority of the Fellows voting by means of a postal ballot, shall have the power to make such Bye-Laws which are not inconsistent with this Charter, and are requisites for the proper conduct and management of the affairs of the Academy, and to revoke or amend any Bye-Law previously made.

(*As amended by G.B. in its meeting held on November 25, 2013*)

4.12. **Amending the Charter**

When the introduction of any new clause or the modification or repeal of any existing clause in the Charter is recommended by the Council, or proposed by ten (10) or more Fellows, this shall only be done by a majority of not less than forty percent (40%) of the total number of the existing Fellows of the Academy, either present in person and voting at a General Body Meeting, specially called for the purpose, of which due notice has been given, or the like majority of the Fellows voting by means of a postal ballot.

(*As amended by G.B. in its meeting held on November 25, 2013*)

4.13. **Duties and Powers of the President**

The duties and powers of the president shall be as follows:
i. To preside at all Meetings of the Academy and of the Council, and to regulate the proceedings at such Meetings;

ii. To ensure due effect being given to the Rules and to the Bye-Laws, made by the Council and the General Body;

iii. To check irregularities and to keep all persons to order;

iv. To call for reports and accounts from all Bodies, Institutions, Officers (paid or otherwise) and Employees of the Academy;

v. To be ex-officio Member of all Committees, appointed by the Council, and to call for reports and accounts from such Committees;

vi. In case of doubt as to the interpretation of any of the Rules, to decide on the interpretation. In such case the President’s interpretation, shall hold until the next Meeting of the Council, when the interpretation of the Rule should be discussed and finally determined;

4.14. Duties and Powers of the Secretary General

The duties and powers of the Secretary General shall be as follows:

i. To conduct the correspondence of the Academy and of the Council and to sign all letters and papers emanating from the Academy, except in so far as other provision is made in the Rules;

ii. To attend the Meetings of the Academy and of the Council, and to take minutes of the proceedings of such Meetings during the progress; and, at the commencement of every such Meeting, to read the minutes of the previous Meeting, if so desired;

iii. To prepare for submission to the annual General Body Meeting, a list of Fellows, corrected to the close of the previous year;

iv. To enter, or cause to be entered, in the Minute-books all the proceedings of the Academy and of the Council before the following Meeting, and to see that all letters and papers and documents of every kind connected with the business of the Academy, except those relating to finance, are properly filed and preserved;

v. To exercise general supervision over the employees and affairs of the Academy, and to assist in carrying out the Rules, the Bye-Laws, and orders / discussions made by the Council and the General Body;

vi. To be ex-officio Member of the Committees appointed by the Council;

vii. To be the custodian of the Files and other property of the Academy.

4.15. *Powers of the Associate Secretary General

If the Secretary General proceeds abroad for a period exceeding three days, or if he is temporarily unable to discharge duties due to indisposition or other reason, then the
Associate Secretary General will be empowered to exercise powers of the Secretary General pertaining to the day to day affairs.

(*As decided by G.B. in its meeting held on December 4, 2014)

4.16. *Pakistan Academy of Sciences Chapters

The PAS General Body decided that the Pakistan Academy of Sciences Chapters may be named after provinces i.e. Punjab Chapter, Sindh Chapter, KP Chapter and Balochistan Chapter.

(*As decided by G.B. in its meeting held on November 20, 2018)
Organogram of Pakistan Academy of Sciences

PAS General Body (GB)
(Comprising of all elected Fellows of PAS)

PAS Council
(Management Board elected by the GB for 3 years term)

- President
- Immediate Past President
- Two Vice Presidents
- Secretary General
- Associate Secretary General
- Treasurer
- Provincial Chapter Secretaries
- Four PAS Fellows Elected By the GB
- One PAS Fellow nominated by Ministry of Education (MoE)
- One PAS Fellow nominated by Ministry of S & T (MoST)
- One PAS Fellow nominated by Higher Education Commission (HEC)

PAS H.Q /Secretariat
Administration
- President
- Secretary General
- Treasurer

PAS Provincial Chapters

Provincial Secretaries

Director Administration
5. FINANCIAL ASSISTANCE TO THE ACADEMY

Historically, the Ministry of Education, Government of Pakistan, and the Pakistan Science Foundation (PSF) have been providing annual grant-in-aid to the Academy to carry out scientific activities. Occasionally, the Ministry of Science and Technology, Government of Pakistan, has also helped the Academy financially. The Fellows also voluntarily make contributions to the Academy. Besides, the Academy receives yearly grants from the Higher Education Commission (HEC).
6. PUBLICATIONS OF THE ACADEMY

6.1. Proceedings of the Pakistan Academy of Sciences

The Academy has been publishing its official journal “Proceedings of the Pakistan Academy of Sciences” since 1964. The Proceedings is an Open Access international journal and is published quarterly since 2004. It publishes original research papers and reviews on a broad range of topics in basic and applied sciences, i.e., Engineering Sciences, Life Sciences, Medical Sciences and Physical Sciences. All papers are written in English and are peer-reviewed. Authors are not required to be Fellows or Members of the Academy or citizens of Pakistan.

Since March 2016, the Proceedings have been bifurcated into two journals:

1. Proceedings of the Pakistan Academy of Sciences: A. Physical and Computational Sciences
2. Proceedings of the Pakistan Academy of Sciences: B. Life and Environmental Sciences

The affairs of the Proceedings are managed by the Editors, Discipline Editors, and Editorial Advisory Boards. The journals are covered by Print and Online ISSN and are distributed to scientific organizations and universities throughout the country and to international scientific organizations, by subscription and on an exchange basis. These are abstracted in Biological Abstracts, Physical Sciences Abstracts, Chemical Sciences Abstracts, Mathematical Reviews, Scopus, Elsevier products and other many leading abstracting and indexing services.

All correspondence and inquiries about the publication of manuscripts are received by the Editor at the following address:

Editor

Islamabad, Pakistan
Email: editor@paspk.org
6.1.1. **Proceedings of the Pakistan Academy of Sciences: A. Physical and Computational Sciences** (Online ISSN: 2518-4253; Print ISSN: 2518-4245)

Proceedings of the Pakistan Academy of Sciences: A. Physical and Computational Sciences is the official flagship, the peer-reviewed quarterly journal of the Pakistan Academy of Sciences. This open-access journal publishes original research articles and reviews on current advances in the field of Computer Science (all), Materials Science (all), Physics and Astronomy (all), Engineering Sciences (all), Chemistry, Statistics, Mathematics, Geography, Geology. Authors are not required to be Fellows or Members of the Pakistan Academy of Sciences or citizens of Pakistan.

### Discipline Editors 2020

The following issues of Proceedings of the Pakistan Academy of Sciences: B. Life and Environmental Sciences were published during the years 2020 and 2021:

- Volume 57 (No. 1), March 2020  
- Volume 57 (No. 2), June 2020  
- Volume 57 (No. 3), September 2020  
- Volume 57 (No. 4), December 2020  
- Volume 58 (No. 1), March 2021  
- Volume 58 (No. 2), June 2021  
- Volume 58 (No. 3), September 2021  
- Volume 58 (No. 4), December 2021

Volume 57 & 58 of Proceedings of the Pakistan Academy of Sciences: B. Life and Environmental Sciences are freely accessible on the official website of the Journals i.e. https://ppaspk.org/index.php/PPAS-B and the website of the Academy, i.e., https://www.paspk.org/proceedings/. Special Issue of the Proceedings of the Pakistan
6.2. **HEC Journal Recognition System**

HEC Journal Recognition System is a collection of research journals that are categorized into three different categories – W, X and Y -- within their respective knowledge areas on the basis of a number of internationally benchmarked and recognized parameters that measure the quality of a journal. The relative position and category of each journal is computed by a proprietary algorithm that is designed with the objective of promoting quality research across various disciplines.

Proceedings of the Pakistan Academy of Sciences: A. Physical and Computational Sciences (Online ISSN: 2518-4253; Print ISSN: 2518-4245) and Proceedings of the Pakistan Academy of Sciences: B. Life and Environmental Sciences (Online ISSN: 2518-427X; Print ISSN: 2518-4261) have been recognized in Y Category for the year 2021 - 2022 by Higher Education Commission.

6.3. **CrossRef Annual Membership for Digital Object Identifier (DOI)**

Pakistan Academy of Sciences (PAS) has received the CrossRef Membership through EScience Press for digital object identifier (DOI) for the flagship journals of the PAS i.e. Proceedings of the Pakistan Academy of Sciences A. Physical and Computational Sciences and Proceedings of the Pakistan Academy of Sciences B. Life and Environmental Sciences. A digital object identifier (DOI) is a unique alphanumeric string assigned by a registration agency (the International DOI Foundation) to identify content and provide a persistent link to its location on the Internet. The publisher assigns a DOI when your article is published and made available electronically. DOIs make research outputs easy to find, cite, link, assess and make scholarly communications better. CrossRef is a DOI registration agency that offers different services to its members.

6.4. **Newsletter of the Pakistan Academy of Sciences**

Following issues of quarterly Newsletter of the Pakistan Academy of Sciences were published during the years 2020 and 2021:

Volume 15 (No. 1), January 2020
Volume 15 (No. 2), April 2020
Volume 15 (No. 3), July 2020
Volume 15 (No. 4), October 2020
6.5. **Proceedings of the AASSA-PAS Webinar Series / Hybrid Workshops 2021 on “Pandemic Preparedness: Science and Countermeasures”**

COVID-19 has proved that more work needs to be done for preparedness and countermeasures for possible pandemics. Responding to or planning for a pandemic is a complex process. The most important global pandemic preparedness indicators take into account of prevention, the emergence or release of potential pathogens, early detection and assessing their expansion, emergency response, global risk mitigation, strong healthcare system, commitment to improving national capacity in compliance with the global needs, an overall assessment of country’s vulnerability to risk/biological threat. To deliberate upon the gigantic role of scientists, researchers, medical practitioners, policymakers, students, media, etc. and to arrive at possible strategies, the Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) jointly organized AASSA-PAS Webinar Series 2021 on Pandemic Preparedness: Science and Countermeasures consisting of four (04) webinars each covering a specific theme of the current pandemic scenario/situation scheduled on April 27, 2021, May 4, 2021, May 25, 2021, and June 24, 2021. Selected research and review articles presented by the Speakers and Poster Presenters after a proper review process were published in the Proceedings of the AASSA-PAS Webinar Series / Hybrid Workshops 2021 on “Pandemic Preparedness: Science and Countermeasures. The papers covered the following themes:

- SDGs and Pandemics
- Pandemics preparedness, One Health: Lessons Learnt
- How to Counter Infodemics: Role of Scientists & Role of Complementary Medicine in Pandemics
- Diagnosis, Critical Care; Vaccines and Herd Immunity
COVID-19 and Higher Education: Addressing Food Insecurity through Policy Support and Research

In the culmination of the AASSA-PAS Webinar Series, participants worked together for synthesizing a list of recommendations that would further help in creating a better and more robust pandemic response.

7. 2020-2021 ACTIVITIES OF THE ACADEMY

7.1. Projects Executed

7.1.1. Projects Executed by Fellows of the Academy

1. Microbiome profiling of the cotton plant under Cotton Leaf Curl Disease attack; **Dr. Kauser A. Malik**

2. Potential anti-inflammatory agents from local medicinal plants for treatment of inflammation associated with various diseases; **Dr. Bina Shaheen Siddiqui**

3. Facile preparation of binder free Prussian blue analogue based electrodes for enhanced water oxidation activity; **Dr. Saqib Ali**

4. Anti-adipogenic potential of Cissus quadrangularis: Molecular Evidence; **Dr. A. R. Shakoori**

5. Biosynthesis of recombinant laccase from bacterial source for textile industry and waste water treatment; **Dr. Ikram ul Haq**

6. Heteropolyacids immobilized on mesoporous silica as heterogeneous catalysts for one-step transesterification process of low cost triglycerides and related feedstock; **Dr. Amin Badshah**

7. To determine the Genetic Risk Factors for Stroke and Database establishment for personalized Medicine in Pakistan; **Dr. Azra Khanum**

8. Physical Viability and Stability of some Cosmological Models in Modified Gravity; **Dr. M. Sharif**

9. Development of a reliable, cost-effective and high throughput serodiagnosis method for tuberculosis; **Dr. M. Waheed Akhtar**

10. Petrographic and Petrologic studies in Kohistan magmatic arc (northern Pakistan) and Nagar Parkar igneous complex (southeastern Pakistan); **Dr. M. Qasim Jan**

11. Nonlinear modeling of Nano fluids with entropy generation; **Dr. Tasawar Hayat**

12. Oxidative Stress in Severely Obese Children and its Impact on Metabolic Dysfunction; **Dr. M. Arslan**

13. Fabrication of glucose sensor based on Metal Organic Frameworks interconnected by CNTs and decorated with metallic nanoparticles; **Dr. M. Aslam Baig**

7.1.2. Projects Executed by Members of the Academy

1. Molecular Understanding of Fluorosis using Metabolomics-Mass Spectrometry Approach; **Dr. Syed Ghulam Musharaf**

2. Comparative Assessment of Biological Potential of some Novel Medicinal Plants of Gilgit-Baltistan; **Dr. Tariq Mahmood**
3. Mechanism for synergic removal of antibiotic and ARG in livestock wastewater using laccase immobilized by composited/modified graphene oxide materials; Dr. M. Zaffar Hashmi

4. CNTs encapsulated FeIII/II-CeIV and FeII/II-InIII based Prussian Blue analogues as electrode materials for rechargeable ion batteries; Dr. Ali Haider

5. Nutraceutical Analysis of Precious wild edible Fruits Diversity in Lesser Himalayas Pakistan; Dr. Mushtaq Ahmad

7.2. Conferences, Seminars, Workshops, Webinars, Symposium and Meetings Organized

7.2.1. Conferences/Workshops/Symposium/Meeting Organized by Fellows of the Academy

1. International Symposium of Plant Life of South Asia at University of Karachi - February 24-27, 2020; Dr. Muhammad Qaiser

2. International School on Physics and Allied Disciplines (ISPAD) at National Center for Physics, Islamabad - March 9-13 2020; Dr. Hafeez R. Hoorani

3. 4th International Conference on Biosciences at Dr. A. Q. Khan Institute of Biotechnology & Genetic Engineering (KIBGE), University of Karachi - March 31-April 02, 2020; Dr. Ikram ul Haq

4. 4th International Conference on Applied Zoology (ICZA-2021) at Quaid-i-Azam University, Islamabad - November, 24-25, 2021; Dr. Zabta Khan Shinwari

7.2.2. Conferences/Workshops at PAS Headquarters

7.2.4. Conferences, Seminars, Workshops, Webinars, Symposium, and Meetings Organized by PAS during 2020 and 2021

7.2.4.1. Popular Science Lecture by Prof. Dr. Mustafa ERGUN - January 16, 2020

Prof. Dr. Mustafa ERGUN, Executive Director, Inter-Islamic Science & Technology Network on Oceanography (INOC), Izmir, Republic of Turkey delivered a lecture on the Caspian Sea, Water Fluctuations and the Effects on Human History on January 16, 2020, at the Pakistan Academy of Sciences (PAS) auditorium.

Dr. Ergun was specially invited by Dr. M. Qasim Jan, President PAS for this popular talk to benefit scientists and academicians in Pakistan. Prof. Dr. Mustafa ERGUN described the Caspian Sea geography and formation, climate change and Caspian Sea level fluctuations, Noah’s floods, civilizations created by the Caspian region, and arkeological and language connections.

Over 70 participants including, scientists, engineers, educationists, academicians and students from various Universities and Scientific Organizations attended the lecture.

7.2.4.2. PAS Co-organized a Webinar on COVID-19 and Open Science with the UNESCO, Islamabad - May 11, 2020

The Pakistan Academy of Sciences (PAS) in collaboration with The United Nations Educational, Scientific and Cultural Organization (UNESCO) hosted a webinar on COVID-19 and Open Science (as a follow-up to the UNESCO Virtual Online Ministerial Dialogue on COVID-19 and Open Science) on May 11, 2020. A group of panelists headed the event namely; Ms. Patricia M. Philip, Director of UNESCO; Prof. Dr. M. Qasim Jan, President Pakistan Academy of Sciences (PAS), Islamabad; Dr. Tariq Banuri, Chairman Higher Education Commission (HEC); Maj. Gen. Aamer Ikram, Executive Director (ED) National Institute of Health and Sciences; Prof. Dr. Zabta Khan Shinwari Vice-Chair World Commission on Ethics of Science Knowledge and Technology (COMEST); Dr. Shahbaz Khan, Director UNESCO Jakarta (Regional Science Bureau for Asia and the Pacific) and Prof. Saeed Khan, Focal Person COVID-19, Dow University of Health Science. These experts recommended actionable areas through an engendered, animated, and constructive deliberation. This webinar resulted in producing the “Islamabad Statement for Action on Open Science”. The Islamabad Statement for Action reafirms that Open Science will bring together scientific research and innovation communities across the...
nation in strengthening the interface between science and society for evidence-based policy actions for managing major challenges such as COVID-19. World wide, researchers and technology developers, engineers, academia, and innovators, from private and public sectors, have been embracing the open science concept for making data and scientific knowledge more accessible, intending to leave no one behind. Linkages between knowledge systems, the 'hard core science' and citizen science are critical for ensuring that 'no one is left behind' and are steering science to deliver solutions for major challenges facing society. In the case of Pakistan, open science can help bridge divides between advanced research institutes and emerging centers of excellence in the academic and private sectors. It can also bring much-needed emphasis on south-south cooperation for sustainable development through better accreditation of qualifications and peer-reviewed research. The unique mobilization of the world's scientific community during COVID-19 is a testimony of the increasing value of 'open science' without borders through political leadership. The implementation of the open science approach enforces the basic human right of access to scientific knowledge.

7.2.4.3. World Science Day for Peace and Development 2020 - November 10, 2020

UNESCO Islamabad in collaboration with the Commission on Science and Technology for Sustainable Development in the South (COMSATS), the Organization of Islamic Cooperation Standing Committee on Scientific and Technological Cooperation (COMSTECH), the Economic Cooperation Organization Science Foundation (ECOSF), the Pakistan Science Foundation (PSF) and the Pakistan Academy of Sciences (PAS), celebrated World Science Day for Peace and Development, at the COMSTECH Secretariat, Islamabad. Since 2001, World Science Day for Peace and Development is celebrated to highlight the important role of science in society and the need to engage the wider public in debates on emerging and important contemporary issues relevant to science. As this year has been marked by the COVID-19 pandemic, the theme of the 2020 celebration is Science for and with Society.

Mr. Fawad Ahmad, Federal Minister for Science and Technology remarked that now exists an opportunity to renew our resolve for the noble purpose of advancing scientific knowledge and its practical application so that globally all people can live their lives in peace and freedom in a dignified manner. He emphasized the need for free and equal availability of vaccines on a global level.

Ms. Patricia McPhillips, Representative, and Director UNESCO Islamabad, Dr. M. Iqbal Choudhary, Coordinator General COMSTECH, Prof. Dr. Zabta Khan Shinwari, Professor Emeritus, Quaid-i-Azam University, Dr. Manzoor Soomro, President ECO Science Foundation, Dr. M. Aslam Baig, Secretary General Pakistan Academy of Sciences, Dr. Mirza Habib, Pakistan Science Foundation, Ambassador Fauzia Nasreen, COMSATS University, Ms. Kasak Bather, a student from Nawabshah and Mr. Aun Azhar, a student from Sargodha, addressed the importance of science from different aspects of the theme.
The speakers talked about the role of science for society, key issues concerning people and nature interactions, the impact of science for and with society from the youth perspective, science communication, the importance of sharing in-time knowledge and data, and the strengthening international scientific cooperation. The talks provided relevant information and food for thought for the audience that included scientists, students, teachers, researchers, science communicators who work in science centers and science museums, independent science communicators, and science journalists.

**7.2.4.4. National Science Day - January 29, 2021**

Pakistan Academy of Sciences (PAS) celebrated "National Science Day (NSD)" for the first time on January 29, 2021. Prof. Dr. Tasawar Hayat, Secretary General PAS, started the event and welcomed all the guests. Prof. Khalid Mahmood Khan, President PAS, welcomed all the distinguished guests and speakers.

He appreciated all the scientists, fellows, and students for attending the event physically or virtually. He informed that the first NSD was dedicated to the achievements and contributions of Dr. Abdus Salam, the first Nobel Laureate of the Islamic World. PAS will continue withholding these high-level conferences in the coming years and would invite a larger number of participants. Each event will be dedicated to a distinguished scientist of Pakistan.

Major (Retd.) Dr. Malik Qaiser Majeed, Additional Secretary, Ministry of Science and Technology, was the Chief Guest of this event. In his remarks, he expressed gratitude for having been invited as Chief Guest. He threw a brief light on the contributions of the Ministry for the promotion of Science, Technology, Innovation, policy formulation, capacity building, and popularization of science in Pakistan.

He further added that such events, including World Science Day, are also celebrated by, the Ministry of Science and Technology (MoST) and MoST- PAS can join hands for future activities. Three talks were delivered by Fellows of the PAS: Prof. Dr. Iftikhar Ahmad (VC Gomal University) talked on “Growing shadows of uncertainties in Higher Education Sector of Pakistan”, Prof. Dr. Hafeez-ur- Rehman Hoorani (Director-General, National Centre for Physics, Quaid-i-Azam University (QAU)) spoke on “Unification of fundamental forces”, and Prof. Dr. Ghulam Murtaza (Emeritus Professor of Physics at QAU) delivered an engaging talk on “Abdus Salam-- Journey from Jhang to Royal Palace Stockholm”.

In the end, Prof. Dr. Tasawar Hayat, Secretary General PAS, thanked the invited speakers for their impressive presentations and the attendees for taking time out of their busy schedules. He informed that NSD will be a permanent feature of PAS activities in the future. The idea behind this event is to popularize science in Pakistan through lectures and seminars from the platform of PAS, as well as to provide opportunities for scholars and scientists to interact.
7.2.4.5. Lessons and Opportunities for COVID-19 Research and Development in Pakistan - A Virtual Round Table - February 4, 2021

Background to the workshop and format

COVID-19 has changed perceptions and the ways we live our lives. It has put a burden on health care systems and hence we need to strengthen our systems without being dependent on other countries. In this pandemic, economies halted; business suffered, and a lot happened. This was the first year and also the first such major test in Pakistan’s history of objectively evaluating what the lessons are, not only for implementation, clinical care, response, but with a focus on what are the gaps and opportunities in the research and development pathway that Pakistan adopted. A lot of efforts were made by the Government especially in the area of providing reliable testing facilities across the country, implementation of smart lockdowns, contact tracings, the establishment of the National Institute of Virology in Sindh, investment in manufacturing ventilators locally, and strengthening of public and private healthcare facilities. The private sector also worked hand in hand with the Government and supported the healthcare systems in the available limited resources. Media outlets were also very responsive and responsible for ensuring prompt sharing of data and providing firsthand information to the public.

Despite limited resources, Pakistan was among the first countries to be tested. There has been widespread and global praise for Pakistan for the way it organized and implemented Covid-19 strategies and Pakistan is fortunate not to have paid huge prices for not doing the right things at the right times, like other countries. The challenges, however, are ahead of us. Challenges like changing strains of the coronavirus, absence of integrated communication network amongst public and private sectors, varying efficacies of the recently developed vaccines; limited testing facilities, and others.

Pakistan Academy of Sciences and the Aga Khan University jointly organized this Virtual Round Table with the explicit aim to deliberate and focus on reviewing what we have learnt to date in the COVID-19 response in Pakistan and its implications for what needs to be done to strengthening research and development in major gap areas. The Speakers were Prof. Dr Khalid Mahmood Khan (President PAS), Prof. Dr. Zulfiqar A. Bhutta (Founding Director, Institute for Global Health and Development, The Aga Khan University, Karachi), Hon. Dr Faisal Sultan (Special Assistant to the Prime Minister for Health, Government of Pakistan) Hon. Prof. Dr. Atta ur Rehman (Chairman of the Prime Minister of Pakistan's Task Force on Science & Technology), Prof. Dr Assad Hafeez (Vice Chancellor, Health Services Academy, Islamabad), Maj. Gen. Aamer Ikram, (Executive Director, National Institute of Health, Islamabad), Dr. Zahra Hasan (Professor, Pathology and Laboratory Medicine, The Aga Khan University, Karachi), Dr. Zain ul Abedin (Director Research & Development Higher Education Commission, Islamabad, Pakistan), and Prof. Dr. Tasawar Hayat (Secretary General, PAS). Few Fellows also participated in the Round Table discussion.
The agenda of the round table was divided into specific areas, such as knowledge of epidemiology and burden, ability to diagnose, characterize and manage, and important time for participants to think tanks to see what is needed from a natural perspective.

**Epidemiology and response**

According to the national statistics, a total of 8 million plus tests to screen covid-19 have been conducted nationwide since the inception, with about half a million positive cases, and an encouraging recovery rate of 91.88% (data as of Feb 4, 2021). The Country experienced a cumulative mortality of about 12,000 people.

At the initial stages, it has observed that the frequency of positive cases in the Country was more than the number of tests done, however with the multi-sector investments, the testing capabilities have been significantly enhanced over the past one year. The maximum number of corona positive cases have been reported in the month of June 2020 for the first wave, and in the month of December 2020 for the second wave. The rates of mortality also corroborate with this, with highest number of deaths in June 2020 for the first wave and in Dec 2020 for the second. A kind of third wave has also been observed in the data for the month of Feb 2021. Like other countries, Pakistan was also faced with tremendous challenges. Challenges like the devolved health governance structure, weak health systems surveillance, pressing economies, limited availabilities of medicines required for treatment, balancing the prevention with the societal impact and others.

Despite all these, Pakistan was fortunate to have been able to contain the spread with a mix of efforts from all sectors of the Country. Pakistan invested over US $ 150 million in screening facilities since the pandemic hit the Country and is continuing to allocate resources to this. The Health Department is also establishing a Center of Disease Control under the recently reformed National Institute of Health (NIH, Pakistan) which will strengthen the capacities of national response to such emergencies. Likewise, Pakistan’s Health Research Institute is also being formed under NIH Pakistan to augment the national research and infrastructure initiatives. Special efforts are being made to strengthen the ties between the academia and the business communities to beef up nation’s indigenous capacities in drug and vaccine manufacturing, and to enhance digital innovation initiatives to increase the preparedness for health security challenges. Additionally, a bio-tech park is also being established within NIH to lure in companies from private sector for indigenous production of supplies and consumables.

**Government’s Science Response**

Besides the immediate and much needed response from the Health Department, the Government’s Science Division was equally prompt in taking initiatives to address this global pandemic.

The Science Division augmented the national initiatives of expanding testing facilities (through a grant from the British Government) and undertaking various clinical trials, specially to ascertain the changing strain of the corona virus, which is now the recent
most challenge. It is believed that the available vaccines will have moderate effect on the mutating virus as the extent of efficacies is still unknown. To get a clearer picture we need to further expand the testing facilities, across the nation; and to be better positioned to fight, we need to develop indigenous facilities of vaccine development. This will not increase the projected financial burden of vaccinating the masses, but also will encourage national manufacturers into developing the required infrastructures.

Conclusions and Way Forward

It is imperative that Pakistan must strengthen its national capacities not only for surveillance but also for monitoring. This can be achieved through a concerted effort and development of a national strategy and an action plan whereby there is active collaboration amongst the public, private, researchers, and academia. It is also important to provide universities and colleges with supportive research opportunities so that research advancement can happen in the Country especially in the area of STEM education. Pakistan does need investments in indigenous vaccines development with an equal focus on biotechnology to safeguard its national security. The roles of national oversight bodies need to be looked for the Country to be better positioned to support and be prepared for any such pandemic in the future. The Pakistan Academy of Sciences can play an important role in helping bridge the science to policy chasm and act as a platform for honest and transparent debate on the subject. A major next step would also relate to pandemic planning and this workshop could serve as a stepping stone for that planning process.

7.2.4.6. Special Lecture on Equality in Education - February 9, 2021

Pakistan Academy of Sciences (PAS) organized a special lecture on “Equality in Education” on February 09, 2021, in the PAS Auditorium. Dr. Hazir Ullah, Associate Professor Sociology & Director ORIC, Quaid-i-Azam University Islamabad was invited as a Guest Speaker. He spotlighted the existing education inequities in Pakistan. He stressed that education is a basic human right and must be equally accessible to all citizens, irrespective of social class, gender, ethnicity, race, or rural and urban divide as a public good. He argued that the government of Pakistan should focus on the equity of education in society.

Dr. Hazir Ullah stressed Fair and Inclusive education for the welfare of our society. A fair and inclusive educational system ensures access to high-quality education and provides opportunities for personalized learning, personal and social development. He emphasized that the government should respond to the needs of disadvantaged categories (girls, students from lower socioeconomic and rural backgrounds). He demanded a single School System of high quality in addition to a single national curriculum.

In the end, Prof. Dr. Tasawar Hayat, Secretary General PAS, thanked the invited speaker for his impressive presentation.
Pakistan Academy of Science (PAS) held a hybrid Reference Meeting for (Late) Dr. Abdul Quadeer Khan (N.I. & Bar, H.I.), Founding Chairman, Dr. A.Q. Khan Research Laboratories, Kahuta & Fellow Pakistan Academy of Sciences who breathed his last on October 10, 2021 and was buried in H-8 Graveyard, Islamabad.

The Reference Session was well attended by the Fellows and Members of the Academy both physically in the PAS Auditorium as well as virtually (on line). The main objective of the meeting was to pay homage and tributes to this great Nuclear Scientist and Metallurgist of Pakistan who made valuable scientific contributions and achievements in the process of making Pakistan an Atomic Power, the 7th in the entire World and the 1st among the Muslim nations.

Prof. Dr. Tasawar Hayat, Secretary General, Pakistan Academy of Sciences presented Introductory Welcome to the audience. He informed the audience that Dr. A.Q. Khan was elected as Fellow of the Academy in the year 1988. Throughout his association with the Academy and specially during his six years’ tenure as President of the Pakistan Academy of Sciences from 1997-2002, Dr. Khan made all out efforts and support for the upgradation and sustainability of scientific and academic activities of the Academy.

Nine Fellows and one Member of the Academy who happened to be close associates of Dr. A.Q. Khan spoke at the occasion and shared their memories and views on the scientific and social life of this highly celebrated nuclear scientist of Pakistan. It was reflected that throughout his scientific career, Dr. A.Q. Khan remained a strong source of encouragement and support for his fellow colleagues, associated scientific community including scientists, engineers and researchers at the Academy and within the strategic scientific institutions, as well as students with in universities, colleges and schools and above all the common masses.

In his closing address, Dr. Khalid Mahmood Khan, President Pakistan Academy of Sciences lauded Dr. A.Q. Khan for his high grade technical and management skills that enabled Pakistan to achieve wonders in the field of defense and cutting-end technology. His intellectual contributions to Pakistan were enumerable and his determination remained unmatched throughout his scientific & professional career. He praised Dr. Khan for his significant contributions for the uplift of the Academy and recommended that the Academy may initiate yearly Award of A.Q. Khan Gold Medal to an acclaimed researcher in the field of science & technology in Pakistan.

The meeting concluded that as one of the most highly decorated scientist of Pakistan, (Late) Dr. A.Q. Khan has left behind a rich harvest of sweet memories and marvelous achievements as inspiration for all those who know him and for the generations to come. The nation will always remember him as Mohsin-e-Pakistan.
7.2.4.8. **PAS-PNS Joint Seminar on “Afforestation of Global Deserts for Sustainable Future of Earth Environments” - November 24, 2021**

Pakistan Academy of (PAS) and Pakistan Nuclear Society (PNS) jointly organized a One-day Seminar on “Afforestation of Global Deserts for Sustainable Future of Earth Environments”, on November 24, 2021. Prof. Dr. M. Aslam Baig, Former Secretary General PAS, on behalf of PAS gave the welcome Address. Dr. Yusuf Zafar, Ex Chairman, PARC was the Chief Guest of the Event. Renowned scientists and from academia and relevant governmental organization attended the event.

7.2.4.9. **PAS Artificial intelligence (AI) Lecture Series**

With the aspiration to give a future vision and research direction in Artificial Intelligence (AI) and Internet of Things (IoTs) to our young scientists, the Pakistan Academy of Sciences (PAS) is organizing a lecture series on Artificial Intelligence and Internet of Things (AI & IoTs 2021-22) from Dec 2021 to June 2022 in collaboration with Quaid-i-Azam University, Islamabad and Network of Academies of Science in Countries of the Organization of Islamic Conference (NASIC). The lecture series is facilitated by a Member of the Academy, Dr. Muazzam A. Khan Khattak (Tenured Associate Professor at the Department of Computer Science, Quaid-i-Azam University, Islamabad, Pakistan).

7.2.4.9.1. **PAS AI Lecture Series 1st Talk on AI and Deep Learning in Ophthalmology - December 23, 2021**

PAS AI Lecture Series 1st Talk was delivered by Dr. Muhammad Usman Akram working as an Associate Professor at the National University of Science and Technology, Islamabad on the topic AI and Deep Learning in Ophthalmology on December 23, 2021. Prof. Dr. Tasawar Hayat, Secretary General PAS introduced the Speaker and thanked all the participants for attending the lecture either virtually and physically. Prof. Khalid Mahmood Khan, President Pakistan Academy of Sciences presented the welcome address. He emphasized on the importance of Artificial Intelligence (AI) and the Internet of Things (IoTs). The Speaker covered Artificial Intelligence (AI) and Machine Learning (ML) applications in the area of ophthalmology and what are the ways forward in this area. Fellows and Members also attended the lecture.
7.3. **Visit of Federal Secretary, Ministry of Science and Technology (MoST) to Pakistan Academy of Sciences**

Mr. Nadeem Irshad Kayani, Federal Secretary, Ministry of Science and Technology (MoST), Government of Pakistan visited the Pakistan Academy of Sciences (PAS) on June 30, 2021, to discuss the PAS’s functions and constructive dialogue between the Ministry of Sciences and Technology and the Pakistan Academy of Sciences for Science, Technology and Innovation based development in the country. Prof. Dr. Tasawar Hayat, Secretary General PAS welcomed the Federal Secretary MoST and his colleagues Mr. Zahir Shah (Joint Secretary MoST) and Dr. S. Zaheer Hussain (Dir. Policy Wing, MoST). Prof. Dr. Anwar ul Hasan Gilani (Fellow PAS & VC, University of Haripur) was also present in the meeting. Dr. Riffat M. Qureshi (Director Administration, PAS) gave an overview of the PAS scientific and academic activities. There was valuable discussion among participants to streamline the mechanism for S & T development and innovation.

Secretary MoST appreciated PAS for the establishment of “Scientific Advice to Government Unit/Policy Unit” and the effort of its official/experts in reviewing and up-gradation of policy documents including S & T policy 2021. He also appreciated the idea of the PAS policy unit to join hands with Industrial stakeholders to upgrade policy documentation in a professional manner. Secretary General assured Secretary MoST of his utmost and timely cooperation and collaboration in matters related to Science, technology, and Innovation.

Furthermore, Secretary MoST elaborated that PAS hosts a very useful think tank of its Fellows in almost all domains of interest to the Ministry. Therefore, officials of MoST and PAS must meet frequently in matters related to S & T for proper solutions and advice to Government.

7.4. **Inauguration of Pakistan Academy of Sciences Lahore Office in the University of Punjab, Lahore**

With the efforts of President and Secretary General, PAS, Prof. Dr. Niaz Ahmad Akhtar, Vice Chancellor of University of the Punjab, Lahore very kindly allocated suitable space (room) for establishment of PAS Lahore Office at the First Floor of the School of Physical Sciences (Undergraduate Block), Quaid-i-Azam Campus, Lahore. The PAS Lahore Office was formally inaugurated on December 2, 2021 by Prof. Dr. Khalid Mahmood Khan, President PAS and Prof. Dr. Niaz Ahmad Akhtar, Vice Chancellor, University of the Punjab. The inauguration ceremony of the Pakistan Academy of Sciences (PAS) Office at the University of Punjab, was held on December 2, 2021. Prof. Dr. Niaz Ahmad Akhtar and Prof. Dr. Khalid M. Khan chaired the inaugural session. Prof. Dr. Khalid Mahmood Khan, President PAS and Prof. Dr. Tasawar Hayat, Secretary General PAS presented the shield to the Vice Chancellor of University of the Punjab, Lahore. A large number of PAS Fellows attended the inaugural ceremony for the PAS Lahore Office.
PAS Lahore Office was formally inaugurated by Prof. Dr. Khalid Mahmood Khan, President PAS and Prof. Dr. Niaz Ahmad Akhtar, Vice Chancellor of University of the Punjab along with Prof. Dr. Tasawar Hayat (Secretary General, PAS). A large number of PAS Fellows attended the inaugural ceremony for the PAS Lahore Office – December 02, 2022

After Inauguration, President PAS, Secretary General PAS, VC University of the Punjab along with PAS Fellows visited the PAS Lahore Office. Photographs of PAS Founding Fellows, all Presidents and all Secretary Generals of the Academy were present in PAS Lahore Office
7.5. PAS Chapters Activities

7.5.1. Pakistan Academy of Sciences, Punjab Chapter Organized a Series of On-line Webinars on Agriculture (July-December 2020)

The Pakistan Academy of Sciences (PAS), Punjab Chapter in collaboration with the Partner Organizations organized a series of online Webinars on Agriculture. A webinar series was initiated to compensate for the lack of activities due to COVID19 which has become a success story. Prof. Dr. Iqrar A. Khan, Secretary PAS (Punjab Chapter), led these webinars. The objectives of organizing the webinars on Agriculture in Pakistan were to identify the issues and challenges in the yield of the crops and negotiations with stakeholders, policymakers, and experts for the possible way outs to improve these challenges. The series had collaborations with several national and international partners and the Chinese Embassy in Islamabad.

The events were chaired by current and former Federal and Provincial Ministers, Governors, and corporate leaders (Syed Babar Ali, Mr. Sartaj Aziz, Gen Khalid Maqbool, Syed Fakhar Imam, Syed Yawar Ali, Hussain Jahania Gardezi, Sardar Husnain Dreshak, to name a few) along with academics from all parts of the world. The international partners included FAO, IFAD, Chinese Academy of Sciences, ACIAR-Australia, COMSTECH, ICBA-Dubai, and numerous universities. The events were viewed in more than 30 countries. The Fellows and Members of the Academy participated actively in the webinars.

The keynote speakers (>50) were resourced from across the globe in 20 of the 22 events. They were top names in their respective fields, including the 2020 winner of the World Food Prize (Prof. Ratan Lal, Ohio State University). The total participation in 22 events has exceeded 3500, as well as registrations exceeding 6000. Certificates of participation were issued to those wanting to have one.

The following Zoom PAS Agriculture Webinar Episodes were conducted during July – December as follows:

**Episode 1:** Prevailing Wheat Crises and Future Pathways/Policy Brief
**Episode 2:** Precision Agriculture and Sustainable Solutions/Policy Brief
**Episode 3:** Genetic Improvement of Dairy Cattle-American and Pakistani Experiences
**Episode 4:** A Review of Agriculture Policies of Pakistan
**Episode 5:** Wheat Seed Supply Chain Analysis
**Episode 6:** Valuing Zinc Nutrition for Better Crop Production and Human Health
**Episode 7:** Balanced Fertilizer Application in Wheat
**Episode 8:** Agricultural and Livestock Innovation System
**Episode 9:** Animal Nutrition and Fodder Science
**Episode 10:** Saline Agriculture and Global Food Security
**Episode 11:** Pulses & Chickpeas: The Peoples Protein in Pakistan
**Episode 12:** World Food Day Webinar - Grow Nourish & Sustain Together
The series is very popular among the industry stakeholders, political leadership, students and academia. A Chinese media house has covered all the events. There is sufficient planning in place to run this work for another year. The academic participants were encouraged to revisit the online/hybrid education model and to learn novel research ideas. The possibilities of collaboration were explored.

It is to be mentioned that proceedings of two events on CRISPR/CAS Nobel Prize of 2020 became part of an S&T project proposal/feasibility (PC-1 by PCSIR/UAF) which has been approved for funding @1800 Million PKR. The academic participants were encouraged to revisit the online/hybrid education model and to learn novel research ideas. The possibilities of collaboration were explored. The YouTube visitation runs into 1000s. Policy briefs (5-10 pages each) were also prepared on all events which are ready for publication as PAS papers or as a compilation in a report form.

All events were recorded and posted on YouTube. The YouTube visitation runs into 1000s. A Chinese Media House covered all events (https://www.gwadarpro.pk/; http://cen.ce.cn/more/). Policy briefs (5-10 pages each) were also prepared on all events which are ready for publication as PAS papers or as a compilation in a report form.

The series is very popular among the industry stakeholders, political leadership, students, and academia. A Chinese media house has covered all the events. There is sufficient planning in place to run this work for another year.

Pakistan Academy of Sciences appreciates the efforts of Prof. Dr. Iqrar A. Khan as he continued the scientific activities through on-line webinars during COVID-19.

### 7.5.2. Pakistan Academy of Sciences, Sindh Chapter Organized a Web-based Seminar on “COVID-19: 2020 and Beyond” - September 5, 2020

Pakistan Academy (PAS) of Sciences (Sindh Chapter) and LEJ National Science Information Center, International Center for Chemical and Biological Sciences (ICCBS), University of Karachi, Karachi jointly organized a web-based seminar on September 5, 2020 to discuss the impact of previous and current pandemics in human history. The
discussion was also being carried out on impact of COVID-19 on mental health, and economic.

This webinar was held as the initiative of Prof. Dr. Mohammad Wasay, led by Secretary PAS (Sindh Chapter), Prof. Dr. Khalid Mohammed Khan. Prof. Dr. M. Qasim Jan, President PAS greeted the invited speakers and participants in his welcome remarks. Eminent Speakers and the Senior Health Experts including, Dr. Ejaz Shafi Gilani, Chairman Gallup Pakistan; Maj. Gen. Aamer Ikram, National Institute of Health, Islamabad; Prof. Dr. Faisal Mehmood, Aga Khan University, Karachi and Prof. Dr. M. Wasay, Fellow PAS delivered presentations on the taxonomy, immune response, neurotrophic and historic impact of COVID-19 on humans chaired by Rabia Hassan, Fellow PAS. While Prof. Dr. Zulfiqar A. Bhutta FRS, Fellow PAS; Prof. Dr. Faisal Sultan, Special Adviser to Prime Minister on National Health Services, Regulation, and Coordination; Prof. Dr. Muhammad Iqbal Afridi, President Pakistan Psychiatry Society and Prof. Dr. M. Iqbal Choudhry, Coordinator General COMSTECH, Fellow PAS discussed the economic and mental impacts and the present and future trends of Pakistan to tackle this pandemic. This event was attended by the faculty members, staff members, research officers, and students across Pakistan.

The webinar was concluded by Prof. Dr. M. Aslam Baig, Secretary General PAS, with a vote of thanks to the speakers and the participants.

7.5.3. Activities of the KP Chapter

Pakistan Academy of Sciences (KP Chapter) Fellows initiated Lecture Series at newly established universities at Khyber Paktunkhwa.

The Khyber Pakhtunkhwa has seen an unprecedented increase in number of public-sector universities reaching to 32 in 2020 and several being in pipeline. The students and faculty at these universities have no exposure to senior faculty members, especially in sciences. In order to motivate the young faculty and students of these universities, the Peshawar Chapter has started a lecture program to be delivered by eminent scientists preferably, fellows of the Pakistan Academy of Sciences on popular science topics. The following is the summary of this activity ongoing in Khyber Pakhtunkhwa.

7.5.3.1. International Chemistry Workshop for Young Scientists - January 23-24, 2020

Eminent scientists from Pakistan and Turkey presented their research work on the topics in Chemistry including Additive Manufacturing, Biomedical Applications, Biocompatible Alloy Development Applications, Magnetic Materials Applications, Semiconductor Materials Applications, Semiconductor Materials Applications,

The workshop was attended by participants including scientists and research students. This workshop was inaugurated by the Vice Chancellor, University of Peshawar, Prof. Dr. Muhammad Asif Khan.

7.5.3.2. PAS Fellow Invited Lecture at the Bacha Khan University, Charsadda - February 3, 2020

The event was organized by the PAS KP Chapter at Bacha Khan University Charsadda on February 3, 2020. Prof. Muhammad Sharif gave a popular talk on “Black Holes and Gravastars”. The honorable speaker briefly described Einstein's theory of general relativity and relate it to the classification, formation, and characteristics of black holes and gravastars. This seminar was attended by a large of number students and faculty members of the university.

7.6. Scientific Advice to Government (SAG) Unit / PAS Policy Unit at the Pakistan Academy of Sciences

In Pakistan, there is a felt gap between challenges being faced by the country and the policy response to these challenges. During the year 2020, the Planning Commission/Ministry of Planning Development and Reform (GoP) approved the PC-I based development project of the Academy titled: Upgradation and Capacity Building of Pakistan Academy of Sciences (Natural and Social Sciences) as PSDP Project # 302 for a duration of 3 years. Through the PSDP Project, the Pakistan Academy of Sciences offered creation of a Scientific Advice to the Government (SAG)-Unit/Policy Unit at the Academy Secretariat in Islamabad to facilitate compilation of impartial policy reviews/recommendations for upgrades of existing policy documents of various ministries/institutions of the Government of Pakistan and/or fresh policy documents on issues and concerns as referred to the Academy by the government of Pakistan from time to time. Accordingly, an appreciable financial share of the PSDP Project # 302 has been allocated for creation of offices, ITC related infrastructure for officials of the Policy Unit, salary component for Policy Unit related human resource and Honorarium/Travel Allowances for the Members of the Advisory Committee for the Policy Unit.

The idea behind creation of Scientific Advice to the Government Unit or Policy Unit at the Pakistan Academy of Sciences was initially floated by Dr. Athar Osama, the then Member Science of the Planning Commission in Jan, 2019 before the Pre-CDWP Meeting for the PAS/HEC PC-I titled: Upgradation and Capacity Building of Pakistan Academy of Sciences. It was considered as a new developmental initiative for the Pakistan Academy of Sciences to strengthen exchange/sharing of the scientific thought(s) among a knowledgeable active pool of Fellows & Members of the Pakistan Academy of Sciences and the experts/technocrats working within various ministries of the GoP to develop viable strategies/policies for scientific, educational, technological,
industrial, and agricultural development, etc. leading to socioeconomic development in this country. The Pakistan Academy of Sciences profoundly welcomed this concept in line with its aims and objectives. In March 2020, the Planning Commission approved the above mentioned project as PSDP Project # 302. Under this project, the Pakistan Academy of Sciences has established a “Scientific Advice to the Government (SAG) Unit”/Policy Unit of experts for provision of scientific advice to the government, in preparing policy documents on issues of national interest and concerns as and when required by the Government of Pakistan in line with the national Sustainable Development Goals (SDGs).

The “Scientific Advice to the Government Unit (SAG-Unit)/PAS Policy Unit” comprises of four furnished offices (occupied by experts, resource persons, and interns) which are equipped with working desks, state of the art advance level computing, printing and scanning facilities, internet facilities, etc. A versatile “Video Conferencing Facility (Capacity: ~30-35 participants)” is also associated with the Policy Unit.

The SAG Unit/Policy Unit will initially focus on review/development of Policy Documents related to Science-Technology and Innovation, Educational Reforms, Conventional and Renewable Energy, Industrial Growth and its Linkage with Academia and Scientists, Science Diplomacy & International Affairs, Peace and Security, Ethics for Socioeconomic Development, Water Security, Preservation of Clean Drinking Water Resources, Small and Large Dam Safety Issues, Agriculture Security, Food Security, Environment and Climate Change, Clean Air, Sustainable Management for Flood Controls, Disaster Management, etc. for the stability and prosperity of Pakistan. As such, the creation of Scientific Advice to the Government Unit / Policy Unit at the Academy will certainly strengthen the capacity of the Academy to provide high quality scientific advice and policy documents to the GoP on matters of national concern and to perform projects related to cutting edge research for industrial and socioeconomic development in Pakistan.

**Aim - SAG Unit**

“Play a vital role in the review of existing policies and/or developing new policies in relation to national Sustainable Development Goals (SDGs)”

**Scope - SAG Unit**

Goal - SAG Unit

- 5-6 “Policy Briefs/Outputs” per year on issues of vital national concern to be indicated/assigned by the GoP and in the domain of natural sciences and social sciences

- Collaboration with HEC, set-up an Advisory Committee to advise the Academy and the Director SAG-Unit on establishing processes and norms for operation of the “SAG-Unit

Policy reviews/recommendations

Pakistan Academy of Sciences offered impartial Policy reviews/recommendations for upgrades of existing policies and/or compilation of fresh policy documents to the Government of Pakistan through the SAG-Unit and in collaboration with PAS Fellows and also on issues and plans referred to the Academy by the government of Pakistan from time to time. In this regard Policy unit had meetings and collaboration with different ministries/Organizations. The detail of these collaborations has been given in the following table.

<table>
<thead>
<tr>
<th>Relevant Ministry and Policy Title</th>
<th>Remarks</th>

i. Ministry of Climate Change

National Climate Change Policy (NCCP)

Pakistan Academy of Sciences SAG unit joined hand with Ministry of Climate Change for upgradation of National Climate Change Policy. Dr. Riffat Mahmood Qureshi (Rtd. Chief Scientist PINSTECH) reviewed NCCP draft documents. On 24
March 2021 PAS SAG – Unit forwarded amended draft to advisor Climate Change, Ministry of Climate Change Dr. Qamar Zaman Chaudhry.

**ii. Ministry of Science and Technology (MoST)**

**National Science, Technology and Innovation Policy 2022**

PAS SAG-Unit collaborated with the Ministry of Science and Technology for review and up-gradation of National Science, Technology and Innovation Policy 2022. Visit of Federal Secretary, MoST to PAS on 30th June 2021, to discuss PAS functions and constructive dialogue between PAS and MoST for Science, Technology and Innovation based development in the country.

Another a consultative meeting was held at MoST on 12 July 2021, and Secretary General of PAS participated along with the write up written/compiled by the PAS Policy Unit. Secretary MoST appreciated PAS for the establishment of “Scientific Advice to Government Unit/Policy Unit” and the effort of its official/experts in reviewing and up-gradation of policy documents, including S & T policy 2021. He also appreciated the idea of the PAS policy unit to join hands with Industrial stakeholders to upgrade policy documentation in a professional manner. Secretary General assured Secretary MoST of his utmost and timely cooperation and collaboration in matters related to Science, technology and Innovation.

**iii. Ministry of Water Resources**

**Groundwater Data Accumulation for the Country**

Ministry of Water Resource requested Pakistan Academy of Sciences, Policy unit for provision of Groundwater Data Accumulation of Pakistan vide letter No. 2(18)/2018-Water dated September 16, 2021. PAS Policy unit submitted a compiled report to Ministry for further submission to Senate Standing Committee on Water Resources. Fellow of Pakistan Academy of Sciences Prof. Dr. M. Qasim Jan (HI. SI. TI), also attended the standing committee meeting on November 4, 2021 on subject matter.

Pakistan Academy of Sciences SAG unit collaborated with the below mentioned departments for “Scientific Advice for Sustainable Implementation of Nation Water Policy”.

1. Ministry of Water Resources
2. Ministry of Planning, Development & Special Initiatives (Water Resources Section)
3. Pakistan Council of Research in Water Resources (PCRWR)

Through the PSDP Project#302, the Pakistan Academy of Sciences (PAS) offers impartial policy reviews/recommendations for upgrades of existing policies and/or compilation of fresh policy documents for the Government of Pakistan.
7.7. **International Liaison**

The Pakistan Academy of Sciences has been signing MoUs with different science academies of the world from tie to tie since its establishment. When PAS signs MoU with an academy then the premier objective for signing the formal document is to promote joint scientific and technological pursuits by effectively involving both the academies.

7.7.1. **Goals of Collaboration**

The objectives of scientific collaboration with other academies of sciences are:

1. Coordination of joint research projects
2. Participation of scientist in bilateral symposia, seminars, researcher training courses and workshops
3. Exchange visits by the scientist
4. Exchange of scientific publication, information, and expertise on evaluation of science and funding procedures

7.7.2. **MoUs with Other Academies of Sciences**

Recognizing the importance of scientific cooperation, the PAS has signed Memoranda of Understanding (MoUs) with the following Academies:

<table>

7.7.3. Implementation of MoUs

Some of the MoUs are viable, whereas others are dormant. Very genuinely, therefore the Council and the General Body of the Academy have stressed upon for execution of the MoUs. Consequently, the Council of the Academy is striving for follow-up actions regarding the MoUs with various Academies. In the interest of rigorous follow-up of activities regarding the MoUs, the President of the Academy has nominated Fellows of the PAS as Coordinators, as given in the above Table. The Coordinators have been mandated to get materialized the MoUs between the counterpart academies for achieving the stipulated goals, by working jointly.
7.7.4. **Alliance of International Science Organization in the Belt & Road Region (ANSO)**

ANSO is a non-profit, non-governmental international scientific organization founded in 2018 by the Chinese Academy of Sciences and 36 other international science and education institutions from around the world. ANSO came into being under the principles of "joint consultation, joint effort and joint sharing" championed by the Chinese "Belt and Road Initiative".

ANSO is committed to promoting shared development, sustainable development and the advancement of the UN SDGs through catalyzing and implementing concrete international cooperation initiatives in Science, Technology & Innovation and Capacity Building (STIC). It is envisaged that ANSO will focus attention on the investigation and addressing of the most urgent regional and global scientific challenges. This focus includes supporting the needs and scientific capacity building of the Global South through partnerships and cooperation with the member countries and institutions. ANSO is an international organization designed to win global recognition and support through continuous activity, sound scientific programs and actions and success in addressing global needs and challenges.

7.7.4.1. **Strategic Plan 2020-2022 - ANSO**

Prof. Dr. Qasim Jan (President PAS) and focal person ANSO Prof. Dr. Zabta Shinwari (Fellow, PAS) were Lead Authors of “Strategic Plan 2020-2022” of Alliance of International Science Organizations (ANSO), a project of the Belt and Road Initiative of the Chinese Academy of Sciences.

7.7.4.2. **ANSO Collaborative Research**

ANSO collaborative research jointly initiated and supported by ANSO members, institutes, universities and international organizations focusing on hotspots and urgent issues related to environmental change, green development, human well being and sustainable development. ANSO approved The following two ANSO Collaborative Research Projects

1. Collaborative project on “Food Security” – Prof. Dr. Iqrar A. Khan (Fellow, PAS)
2. Molecular detection and characterization of bat-borne viruses from Pakistan – Dr. Muhammad Ali (Member, PAS)

7.8. **Visit of Foreign Delegations to the Academy**

7.8.1. **Visit of Yunnan Academy of Sciences and Technology Development (YASTD) Delegates to Pakistan Academy of Sciences - January 06, 2020**

A 3-member delegation from Yunnan Academy of Science and Technology Development (YASTD) led by the Deputy Dean (YASTD), Pu Weidong, visited the Pakistan Academy of Sciences (PAS) on January 06, 2020, and had a meeting with the PAS Officials and Fellows. Dr. M. Aslam Baig, Secretary General, PAS welcomed and
briefed the delegation about PAS. They had a meeting on the following five aspects: 1) Disciplinary layout of various scientific and technological fields in Pakistan; 2) The role and influence of the Pakistan Academy of Sciences in Pakistan's development; 3) Major research results of the Pakistan Academy of Sciences; 4) Specific introduction of cooperation with other countries; and 5) The areas that Pakistan Academy of Sciences hope to cooperate with China; Suggestions on cooperation methods and channels. The delegation appreciated the progress made by the Pakistan Academy of Sciences and hoped to work in collaboration in the future.

7.8.2. **Visit of Delegate from the Embassy of the Republic of Uzbekistan - September 30, 2020**

A three members’ delegation from the Embassy of the Republic of Uzbekistan visited the Pakistan Academy of Sciences (PAS) Headquarters, Islamabad. Prof. Dr. Qasim Jan (President, PAS) and Prof. Dr. Aslam Baig (Secretary General, PAS) led the PAS side. On behalf of the Pakistan Academy of Sciences, Dr. Qasim Jan warmly welcomed the Embassy of the Republic of Uzbekistan delegation.

The meeting discussed two collaborative aspects between Uzbekistan and Pakistan: (1) Joint projects and research activities between Uzbekistan and Pakistan; and (2) Signing of MoU with Pakistan Academy of Sciences in future.

In the end, President PAS thanked the participants of the meeting and assured lasting support of PAS for scientific collaboration between Uzbekistan and Pakistan.

7.8.3. **Ambassador of the Republic of Bulgaria visited Pakistan Academy of Sciences June 24, 2021**

The Ambassador of the Republic of Bulgaria, H.E. Mrs. Irena Gancheva visited Pakistan Academy of Sciences on June 24, 2021. Prof. Dr. Khalid Mahmood Khan (President, PAS) and Prof. Dr. Tasawar Hayat (Secretary General, PAS) welcomed the Ambassador and discussed the opportunities for future cooperation with the Bulgarian Academy of Sciences (BAS).

7.9. **International Collaborative Projects/Events**

7.9.1. **Prof. Dr. M. Qasim Jan, President PAS represented the Pakistan Academy of Sciences in the International Association for Disaster Risk Reduction (IADRR)**

The Chinese Academy of Sciences has recently taken a new initiative, that is, the establishment of "International Association for Disaster Risk Reduction (IADRR)". IADRR is an international, non-governmental, professional body of individual membership, devoted to the development of global disaster risk reduction (DRR) endeavors with an emphasis on:

1. Interdisciplinary, multi-sector, and multi-stakeholder cooperation among all categories of Disaster Risk Reduction (DRR) professionals.
2. Exchanging knowledge and ideas, research outputs and practical experiences, establishing a trans-disciplinary science and technology application interface.

3. Promoting disciplinary development of disaster risk sciences and engineering, increasing risk awareness and education among the general public for resilient communities.

Needless to say that this is a very important initiative for the Chinese Belt & Road activities and, particularly, for the China-Pakistan connectivity via the land route of the Karakoram Highway (KKH). Major on-land trade activity is critically dependent on smooth and uninterrupted transport along the KKH which, unfortunately, passes through a terrain with frequent and major natural disasters, such as earthquakes, landslides, floods, etc. The establishment of IADDR and China-Pakistan joint Earth Sciences Centre in Islamabad are expected to play an important role in addressing these issues.

The IADDR hosts have invited Dr. M. Qasim Jan to accept the Founding Membership of the IADDR on behalf of the Pakistan Academy of Sciences as well as because of his knowledge and interest in natural disasters. Dr. M. Qasim Jan was asked for the assurance of the Council in accepting the offer and informed that in the long run the Founding Members would be expected to constitute local chapters of the IADDR.

7.9.2. Commonwealth Academy Teleconference - April 28, 2020

The Royal Society is the science academy of the UK that draws its Fellows from across the Commonwealth. The Society and its partners support scientific collaboration across the Commonwealth through participation in a number of activities, including an informal network of Commonwealth science academies, and two Commonwealth Science Conferences (in 2014 and 2017, with a third to follow in 2021). The Pakistan Academy of Sciences has joined science leaders from around the globe to call on the Commonwealth Heads of Government to use the best available science to guide action on “Climate change, biodiversity and sustainable energy”.

Prof. Dr. M. Aslam Baig (Secretary General, PAS) and Prof. Dr. M. Qasim Jan (President, PAS) participated in the commonwealth academy teleconference on April 28, 2020. In the meeting, discussed about the COVID-19, Commonwealth Science Conference 2021, and Commonwealth academies statement on Climate Change, Biodiversity and Sustainable Energy. Commonwealth academies statement on climate change, biodiversity and sustainable energy mark an important point of reference and as we go forward into an important year for action on climate and biodiversity, they would wish to continue to highlight the issues in the statement in the run-up to the climate change and biodiversity COPs.

In order to address these critical challenges, the Commonwealth and its member countries will need to work with the other countries of the world – particularly those
with the highest political and economic influence such as China, the USA and others – and to call on them to support these essential endeavors. The academies of the Commonwealth stand ready to assist in these crucial efforts, through using our collective knowledge, experience, expertise and convening power to support the necessary action required.

7.9.3. Commonwealth Academies Statement on Climate Change, Biodiversity and Sustainable Energy - June 5, 2020

Prof. Dr. M. Aslam Baig (Secretary General, PAS) and Prof. Dr. M. Qasim Jan (President, PAS) participated in the commonwealth academy teleconference on April 28, 2020. As a follow up, the Commonwealth academies statement on climate change, biodiversity and sustainable energy was published on World Environment Day on Friday June 5, 2020, which mark an important point of reference and as we go forward into an important year for action on climate and biodiversity. The statement is as follow;

COVID-19 has had a profound impact across the globe, affecting health and health services, impacting the global economy, and exacerbating social and economic inequalities. Global cooperation and effective policy are essential for tackling the virus and for ensuring a successful economic recovery. But the global pandemic does not change the fact that the world also continues to face an ever-growing environmental emergency. Indeed, COVID-19 has highlighted the importance of governments working together and we must build on this global response to address the climate crisis.

On the occasion of World Environment Day, and in a month when Commonwealth leaders would have gathered in Kigali for the Commonwealth Heads of Government Meeting (CHOGM), we therefore call on governments to continue to address the joint challenges of climate change and biodiversity loss, and to ensure that global economic recovery from the pandemic is environmentally sustainable across the Commonwealth and globally. Delivering action on the urgent and interlinked challenges of climate change, biodiversity loss and sustainable energy provision present economic, social and environmental opportunities for the whole Commonwealth. We call on Commonwealth Heads of Government to:

1. Use the opportunities of COP26 and COP15 to coordinate discussions on the joint challenges of climate change and biodiversity and recognise their inherently interlinked nature.
2. Work with the global research community to identify scientific and holistic approaches for addressing climate change and biodiversity without causing unintended damage.
3. Grasp the opportunity of a decarbonised economy and its benefits for people and life on Earth.
The well-being of people across the world has improved significantly over the last century. In particular, a reduction in poverty levels, improved technological advancements, and expanded educational and economic opportunities have increased living standards for many – both across the Commonwealth and globally.

However, these improvements in human development have come at a cost and there has been a huge impact on climate change and biodiversity. Global temperature increases are now predicated to be significantly higher than 1.5°C above pre-industrial levels on current emissions trajectories. Governments face additional challenges in seeking to limit additional warming beyond these levels. These increases in global temperature will be associated with an increase in the occurrence of extreme weather events at the local, regional and global scales. Current extinction rates of known species are at an all-time high, and the abundance of wild organisms is declining worldwide across all observed groups, including fish, corals, birds, mammals, insects, amphibians and plants. This has both a significant impact on ecosystems, the services they provide to humanity, such as food, pollination, and water purification, and to resilience to climate change hazards, such as the prevention of flooding, the mitigation of storms and resistance to novel pests and diseases.

These changes are already well underway. Failure to tackle these combined challenges in the increasingly narrowing timescale required will pose significant risks to human development and welfare, societal inequalities, and impact all Commonwealth countries, particularly those that are most vulnerable. Governments must therefore take urgent action to address these issues.

Taking these actions now creates strong opportunities for human development within Commonwealth countries. These include: delivering sustainable economic growth in high-productivity sectors and providing cheap, clean energy to off-grid communities; improving public health by addressing the adverse impacts of climate change and biodiversity loss; and greater public engagement through empowering local communities and future generations.

In all cases, careful planning and action is needed and this requires movement now, including further research to narrow uncertainties where they remain large; work to translate research and development solutions into policy; and global leadership - which has been clear, but not yet met with the necessary scale of action – across the Commonwealth and beyond.

This decade, the Commonwealth has the opportunity to capitalize on its diversity and scale, and the potential of its young and growing population, to deliver a sustainable and prosperous future. In order to address these critical challenges, the Commonwealth and its member countries will need to work with the other countries of the world – particularly those with the highest political and economic influence such as China, the USA and others – and to call on them to support these essential endeavours. The academies of the Commonwealth stand ready to assist in these crucial efforts, through
using our collective knowledge, experience, expertise and convening power to support the necessary action required.

7.9.4. Representation of Pakistan Academy of Sciences in AASSA Working Group Meeting on Climate Change and Health

7.9.4.1. First Regional Meeting of AASSA Working Group in Kuala Lumpur, Malaysia - February 24-25, 2020

Prof. Dr. Mohammad Perwaiz Iqbal, FPAS, represented the Pakistan Academy of Sciences in the First Regional Meeting of the AASSA Working Group on “Climate Change and Health” held in Kuala Lumpur, Malaysia from February 24-25, 2020. He delivered a presentation on Climate Change and Health in Pakistan in which he emphasized on a serious threat to food security, water and vectorborne diseases in the people of Pakistan and effects of a climate change including, melting of glaciers, decertification, intrusion of sea water, flooding and land sliding due to unseasonal rains. In addition, he discussed the adaptation and mitigation strategies and their emergency to protect future health of the future and current generations of Pakistan.

7.9.4.2. AASSA Working Group Meeting on Climate Change and Health - June 17, 2020

The AASSA Working Group on Climate Change and Health met by zoom on June 17, 2020 and included participation from Malaysia, Australia, China, India, Korea, Nepal, Pakistan and New Zealand. Last year, Pakistan Academy of Sciences (PAS) nominated Prof. Dr. M. Perwaiz Iqbal (Fellow PAS and Professor, Department of Life Sciences, University of Management and Technology, Lahore) to represent the Pakistan Academy of Sciences (PAS) in the Inter Academy Partnership (IAP) and the Associations of the Academies and Societies of Sciences in Asia (AASSA) project titled Climate Change and Health.

7.9.4.3. Report on the Effect of Climate Change on Health in Pakistan

In the first meeting of Kuala Lumpur, Malaysia held on Feb 24-25, 2020, Prof. Dr. M. Perwaiz Iqbal was assigned with the task to write a country report on the Effect of climate change on health in Pakistan. Excerpts from this report would be used in the final report of IAP that is expected to be published in the year 2021.

The report highlights the emerging global issue of climate change, that has been in the lime light for more than 4 decades and response of the world bodies including the World Health Organization (WHO, Inter-Academy Partnership (IAP) to aware the member countries in order to save the future generations from the devastating effects of climate change.

Pakistan, is listed among the top 10 most affected countries of South Asia due to climate change. The adverse effects due to this has resulted into erratic weather patterns, reduction in availability of clean water per capita, melting of glaciers, desertification of
fertile cultivable land, flooding, land sliding and drought leading to food insecurity, water-borne diseases.

It is hoped that the world during the post-pandemic period would be more conscious of the mitigation steps to be taken to prevent the future generations from the ill-effects of climate change. In other words, the world needs a “climate smart” stimulus to provide a safe and healthy environment to future generations.

7.9.5. **Representation of Pakistan Academy of Sciences in Special Committee for Women in Science and Engineering (AASSA-WISE Committee) - STEM Women Database**

To promote women participation in STEM education and career, AASSA is playing a lead role by constituting Special Committee for Women in Science and Engineering (AASSA-WISE Committee) Prof. Dr. Azra Khanum (nominated member from the PAS) represented Pakistan Academy of Sciences in Special Committee for Women in Science and Engineering (AASSA-WISE Committee).

The Associations of Academies and Societies of Sciences in Asia (AASSA) Secretariat, in collaboration with the Korean Academy of Science and Technology (KAST) held a virtual webinar on National Academy's Response to COVID-19, on July 10, 2020. Prof. Dr. Yoo Hang Kim, President AASSA welcomed the participants in his opening remarks and appreciated the participation of the panelists from various science academies. He further, added the objective of this gathering as an experience to share their efforts and initiatives in devising a successful exit strategy.

Being a member of the National Academies of Sciences (NAS), the Pakistan Academy of Sciences (PAS) nominated Prof. Dr. Zabta Khan Shinwari, Fellow PAS to present a list of activities performed by the Academy during this global pandemic. Prof. Dr. Zabta Khan Shinwari presented a paper to highlight these activities including; International liaisoning, Relief efforts to the humanitarian victims, suggestions to the Government in policy documents for COVID-19, usage, and importance of traditional medicine to combat the virus, and awareness training, sessions, and seminars with stakeholders, experts, and researchers within Pakistan and outside the country.

7.9.7. **Inter-Academy Partnership (IAP) Working Groups on Open Science and Biosecurity**

Pakistan Academy of Sciences is on Inter-Academy Partnership working groups on Open Science and Biosecurity to promote responsible/ethical research practices in the biosciences and related fields, to engage with international organizations and conventions by feeding information into their discussions on the latest scientific
developments and providing recommendations, and to engage more IAP member academies in the work of the Biosecurity Working Group (BWG).

Prof. Zabta Shinwari (Fellow PAS) was selected as a member of both the working group. He participated in the IAP- International Biosecurity Working Group and expressed his opinion and views over Anti-social social media: Infodemic in pandemics” on December 2, 2020.

7.9.8. China-Pakistan High-level Webinar on Earth Science Cooperation
March 18, 2021

China-Pakistan Joint Research Center on Earth Science (CPJRC) in collaboration the Pakistan Academy of Sciences (PAS) successfully held "China- Pakistan High-level Webinar on Earth Science Cooperation" on March 18, 2021 with the theme of Sustainable Development of CPEC: Vision for China- Pakistan Science and Technology Cooperation in Earth Sciences. As the co-organizers of this meeting, Institute of Tibetan Plateau Research (ITP), Chinese Academy of Sciences (CAS) hosted the on-site venue in Beijing with the Institute of Mountain Hazards and Environment (IMDE) of CAS. More than 300 participants from both countries attended the meeting by attracting over one thousand audiences via live stream.

Prof. Dr. Qasim Jan, Immediate Past President of Pakistan Academy of Sciences (PAS), delivered a welcome address and presided over the Opening Ceremony. Prof. Dr. Zhang Yaping, Vice president of CAS, expressed his wishes that the scientists from China and Pakistan could work together to address the important and urgent regional environment issues and better serve for the development of China-Pakistan Economic Corridor (CPEC) through CPJRC platform. Mr. Nong Rong, Chinese Ambassador to Pakistan, Mr. Ruan Xiangping, Senior Counsel of Department of International Cooperation of MOST, Dr. Tariq Banuri, Chairman of HEC and Dr. Arshad Mahmood, Secretary for MOST, Pakistan delivered their warm addresses and expressed their hopes that CPJRC will contribute to the regional and local sustainable development through S&T cooperation. Prof. Dr. Tasawar Hayat, Sec. Gen. PAS offered vote of thanks.

Two keynote talks are from ITP/CAS. Prof. Dr. CHEN Fahu, Director of ITP/CAS gave a presentation titled “Changing in Climate, glacier and hydrology and their impacts in Upper Indus Basin (UIB)”, introducing the joint research on glacier and water cycle change in Pakistan. Prof. DING Lin, Deputy Director of ITP/CAS, talked about the progresses and challenges in geoscience collaboration between China and Pakistan.

Prof. Dr. CUI Peng, Director-General of CPJRC, emphasized that CPJRC would push forward the Sino- Pakistan S&T cooperation to a new level by carrying out practical cooperation and supporting the regional sustainable development from the earth science aspect, in order to celebrate the 70th anniversary of diplomatic relations between the two countries.
7.9.9. **AASSA-PAS Collaborative Webinar Series / Hybrid Workshops 2021 on “Pandemic Preparedness: Science and Countermeasures”**

Throughout human history, there have been several pandemics that caused a huge loss to humanity. Most famous of these include the 14th century black death (estimated 75-200M deaths), 1918 Spanish flu (~50M), 1957-58 Asian Flu (estimated 2M), 1968 Hong Kong flu (estimated 1M), 2009-10 Swine flu (~150,000-500,000) etc. Responding to or planning for a pandemic is a complex process. The most important global pandemic preparedness indicators take account of prevention for the emergence or release of the potential pathogens, early detection and assessing their expansion, emergency response, global risk mitigation, strong healthcare system, commitment to improving national capacity in compliance with the global needs, an overall assessment of country’s vulnerability to risk/biological threat. The COVID-19 has proved that more work needs to be done for preparedness and countermeasures of possible pandemics. At the same time, in the era of information technology, one has to use social media for the good of humanity. Unfortunately, the use of social media has been counterproductive in the current pandemic.

UNESCO estimates that over 1.5 billion students in 165 countries are out of school due to COVID-19. The pandemic has forced the global academic community to explore new ways of teaching and learning, including distance and online education. This has proven challenging for both students and educators, who have to deal with the emotional, physical, and economic difficulties posed by the illness while doing their part to help curb the spread of the virus. The future is uncertain for everyone, particularly for millions of students scheduled to graduate this year who will face a world crippled economically by the pandemic.

To deliberate upon the gigantic role of scientists, researchers, medical practitioners, policymakers, students, media, etc. and to arrive at possible strategies, AASSA-PAS Webinar Series 2021 on Pandemic Preparedness: Science and Countermeasures was organized jointly by the Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) consisting of four (04) webinars each covering a specific theme of the current pandemic scenario/situation and scheduled on April 27, 2021, May 4, 2021, May 25, 2021, and June 24, 2021. The webinar series has provided an opportunity to share lessons learnt among the participating countries and scientists about the COVID-19 and its relation to sustainable development goals; Strategy of the current issues, challenges while facing pandemics; and the increasing awareness about the preparedness of the future pandemics. Use of emerging technologies like Artificial Intelligence Applications in Tracking Health Behaviors during Disease Epidemics and Encouraging the use of ICT technologies and social media for tackling the spread of misinformation regarding different aspects of the pandemic were discussed besides Pandemic: Bio-safety & Biosecurity and Ethics.
The webinar series has also focused on educators and researchers in different parts of the world to find out how COVID-19 has affected them and how they are coping with the changes. We will also be able to highlight lessons learned and potential positive outcomes of the global lockdown for higher education. In total, 48 lectures were delivered in the AASSA-PAS Webinar series 2021 by leading experts. Of these, eighteen (18) lectures were presented by the international speakers and thirty (30) lectures were presented by the Pakistani speakers. The resource persons in the Webinars were leading foreign experts from different countries i.e., Australia, Bangladesh, China, Indonesia, Iran, Japan, Korea, Kyrgyzstan, Malaysia, Nepal, Pakistan, Russia, Turkey, United Arab Emirates (UAE), USA, and Vietnam. More than 2000 national and international participants registered for participation in the AASSA-PAS Webinar series 2021. These include 748 participants in Webinar I, 760 participants in Webinar II, 428 participants in Webinar III, and more than 300 in Webinar IV.

7.9.9.1. AASSA-PAS WEBINAR I on SDGs and Pandemics - April 27, 2021

Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) organized an AASSA-PAS Webinar I on “SDGs and Pandemics” on April 27, 2021, in the Pakistan Academy of Sciences. H.E. Senator Shibli Faraz, Federal Minister for Science and Technology inaugurated the Webinar.

Prof. Khalid Mahmood Khan, President Pakistan Academy of Sciences presented the welcome address. He emphasized the importance of media and sharing of data to counter the emerging pandemic potential. He mentioned that many lives were lost as a result of this pandemic. He highlighted the importance of follow-up of SOPs and the adoption of measures dictated by the local government and health regulatory bodies to cope with the issue of the spread of the pandemic.

In his online address, the Minister of Science & Technology, Senator H.E. Shibli Faraz appreciated the efforts of PAS and AASSA for timely taking up the important issue of Pandemics. He inaugurated the webinar and mentioned that among the most pressing issues in preparing for the global response to a pandemic situation are the design, development, manufacture, and dissemination of vaccines. The response to this pandemic has shown that when leading vaccine manufacturers are fully engaged in a global response, it might be possible for them to manufacture substantial doses of vaccine on timelines faster than envisioned previously.

Prof. Dr. Tasawar Hayat, Secretary General, PAS Islamabad paid gratitude to the Federal Minister, H.E. Senator Shibli Faraz on behalf of the organizing committee, AASSA, and the - PAS. He thanked Senator Shibli Faraz for his virtual (online) participation in the webinar. He appreciated the efforts of Prof. Khalid Mahmood (President PAS), Prof. Yoo Hang Kim (President AASSA) Prof. Zabta Khan Shinwari (Chief Organizer of the Webinar), resource persons, speakers, and the whole organizing committee. He thanked all the speakers and participants for their inputs & contributions and
announced that PAS will soon publish a special issue on the proceedings of the current webinar series and a policy document as to how to respond to pandemics.

Under the sub-theme “SDGs and Pandemics”, a total of 10 lectures were presented by the leading experts, of which three (03) lectures were presented by international speakers from three countries namely Turkey, Dubai, and Nepal, and seven (07) lectures by Pakistan speakers. Prof. Dr. Masoom Yasinzai (Rector IIUI), Islamabad served as the moderator for this webinar.

All the speakers stressed “Building the Global Vaccine Manufacturing Capacity” to respond to Pandemics”. Prof. Zabta Khan Shinwari spoke about the way forward to combat COVID-19. He remarked that what emerges next will partly depend on the ongoing evolution of SARS-CoV-2, on the behavior of citizens, on the government's decisions about how to respond to the pandemic, on progress in vaccine development and treatments, and also in a broader range of disciplines in the sciences and humanities that focus both on bringing this pandemic to an end and learning how to reduce the impacts of future zoonosis, and on the extent to which the international community can stand together in its efforts to control COVID-19.

7.9.9.2. AASSA-PAS Webinar II on Pandemics Preparedness, One Health: Lessons Learnt - May 4, 2021

Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) organized an AASSA-PAS Webinar II on “Pandemics Preparedness, One Health: Lessons Learnt” on May 4, 2021, in the Pakistan Academy of Sciences. Speakers from Pakistan, Bangladesh, China, Indonesia, Japan, Turkey, and Sri Lanka delivered talks. Dr. Fazal e Hadi, Chairman Islamabad Healthcare Regulatory Authority inaugurated the Webinar. Dr. Fazal e Hadi noted that the Islamabad Healthcare Regulatory Authority (IHRA) is an autonomous health regulatory body enacted under the Islamabad Health Regulation Act, 2018, and discussed the efforts of the IHRA for educating and making people aware to follow standard operating procedures (SOPs) and standardize their living to counter this pandemic. He stressed the need to provide evidence for awareness. He recommended that strengthening of leadership and provision of vaccines to everybody is the only way forward to combat the pandemic.

Prof. Khalid Mahmood Khan, President of the Pakistan Academy of Sciences welcomed all the speakers, guests, and organizers of the webinar. He appreciated the efforts of PAS and AASSA for arranging these webinars in this difficult time of the COVID-19 pandemic. Prof. Yoo Hang Kim, President AASSA, appreciated the collective efforts of various stakeholders in organizing the webinar for the awareness and strengthening of SOPs across the world. He recommended inviting more people in the future to speak about this epidemic. He emphasized making people aware of this pandemic. Prof. Zabta Khan Shinwari, Chief Organizer of the Webinar, thanked all the speakers of the Inaugural Session and the Chief Guest for being part of the Webinar Series. He explained
scientific reasons as to why to observe social distancing. Coronavirus drifts through the air in microscopic droplets: the science of the infectious aerosols. Wearing masks and practicing social distancing can, in large part, prevent people from spreading or inhaling aerosols. Prof. Muhammad Ali (Vice Chancellor, Quaid-i-Azam University, Islamabad, Pakistan) and Prof. Zabta Khan Shinwari (Chief Organizer of the Webinar) served as the moderators of this webinar. Different countries shared their experiences on COVID-19. Prof. Nariyoshi Shinomi, from Japan, highlighted the current situation of COVID-19 in Japan, while Prof. Zabta Shinwari sensitized the participants about biosecurity & neglected aspects of pandemics in Pakistan. The keynote address by Prof. Jinghua Cao (Executive Director, Alliance of International Science Organizations, ANSO) discussed the efforts of ANSO members to counter the COVID-19 epidemic. He emphasized the role of ANSO to bring people together and promote solidarity and unity within ANSO to oppose the spread of this epidemic collectively. Prof. Dr. Mehmet Bulut (Member, TUBA) emphasized the importance and role of social finance in achieving SDGs objectives.

He expressed the need for sustainable development that incorporates meeting the needs of the present and future.

While giving concluding remarks Prof. Zabta K. Shinwari, emphasized collective working to share data and lead the research on the pandemic to reduce the overall impact of this epidemic. All the stakeholders and researchers should work together to collaborate and find out how epidemics can be controlled and the economy can be improved. He gave recommendations on regulating media, proper law enforcement, and handling misinformation to support each other against this pandemic.

7.9.9.3. AASSA-PAS Webinar III / Hybrid Workshop on “How to Counter Infodemics: Role of Scientists & Role of Complementary Medicine in Pandemics” and “Diagnosis, Critical Care; Vaccines and Herd Immunity” - May 25, 2021

The Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA) with the support of InterAcademy Partnership (IAP) organized an AASSA-PAS Webinar III/Hybrid Workshop on May 25, 2021, in the Pakistan Academy of Sciences. The webinar/Hybrid Workshop covered specific themes i.e. “How to Counter Infodemics: Role of Scientists & Role of Complementary Medicine in Pandemics” and “Diagnosis, Critical Care; Vaccines and Herd Immunity”. In total, 13 lectures were delivered by leading experts, of which five were delivered by international speakers from Iran, Korea, Russia, USA, and Vietnam and eight by Pakistani speakers. H.E. Zartaj Gul, Minister of State for Climate Change, Government of Pakistan (GoP) was the Chief Guest of the Webinar. The concluding session of the Workshop was chaired by H.E. Masood Khan, President AJ&K. Prof. Dr. Shahid Mahmood Baig (Chairman, PSF) and Maj. Gen. Aamer Ikram (Executive Director, NIH) were the moderators of the Technical Sessions. Lessons learnt from Canada, Korea, Pakistan, Russia, USA, and Vietnam and were shared. Prof. Khalid Mahmood Khan, President-PAS, welcomed the guests and participants and appreciated the endeavours
of PAS, AASSA, IAP, the organizers, participants and webinar attendees to cooperatively organize these webinar series and discussed the role of these webinars for improving the situation in this epidemic. Prof. Yoo Hang Kim, President-AASSA, appreciated the efforts of AASSA, PAS, Prof. Zabta Khan Shinwari, the organizers, participants (both at the venue and online), and all the people who contributed to the webinar. He gave various recommendations for COVID-19 that included global coordination, global organization, and adoption of all the safety and biosecurity measures suggested by the World Health Organization (WHO).

Prof. Tasawar Hayat, Secretary General PAS gave a brief account of the Pakistan Academy of Sciences in terms of its aims and objectives and key success stories. Prof. Zabta Khan Shinwari, Chief Organizer of the webinar, appreciated the efforts of ASSAA and young scientists at PAS in arranging this webinar.

Finally, at the conclusion of the webinar series, Prof. Tasawar Hayat, PAS Secretary General, announced the gold, silver, and bronze medals for the best posters by young graduates in the Poster Competition. The prize money was donated by the AASSA President. A partial contribution was also made by the organizers of the workshop. He expressed his special gratitude to Prof. Dr. Yoo Hang Kim (President AASSA), and Prof. Dato Dr. Khairul Anuar Bin Abdullah (President-Elect, AASSA) for provision of valuable technical and financial support and guidance to the Pakistan Academy of Sciences to organize this Webinar series in a successful and productive manner. He also thanked Prof. Dr. Khalid Mahmood Khan, (President PAS), and Prof. Dr. Zabta Khan Shinwari, (Chief organizer of the Webinar Series) for their continuous and gracious support & patronage to organize the webinar series at the Academy. In the end, Shields were distributed among dignitaries, Speakers, and Organizers.

7.9.9.4. AASSA-PAS Webinar IV / Hybrid Workshop on COVID-19 and Higher Education: Addressing Food Insecurity through Policy Support and Research - June 24, 2021

The Pakistan Academy of Sciences (PAS) and the Association of Academies and Societies of Sciences in Asia (AASSA), with the support of the InterAcademy Partnership (IAP), organized an AASSA-PAS Webinar VI/Hybrid Workshop on COVID- 19 and Higher Education: Addressing Food Insecurity through Policy Support and Research: 24 June 2021, in the Pakistan Academy of Sciences. In total, 13 lectures were delivered by leading experts, of which four were delivered by international speakers from Australia, Canada, China, and the UK, and eight lectures by Pakistani speakers. H.E. Syed Fakhar Imam, Federal Minister, National Food Security, and Research, Government of Pakistan, inaugurated the webinar and highlighted the impact of the pandemic on people. Mrs. Farah Hamid Khan, Federal Secretary, Education, and Professional Training, Chief Guest of the Concluding Session, expressed her views about misinformation in the epidemic. Prof. Dr. Iqrar A. Khan (VC-UAF), Prof. Dr. Kausar A. Malik (Fellow, PAS), and Prof. Dr. Zia Ul-Qayyum (VC, AIOU) were the moderators of the Technical Sessions.
Prof. Khalid M. Khan, President Pakistan Academy of Sciences (PAS), welcomed the guests, speakers, organizers, and webinar participants to the fourth workshop of this series on Pandemic Preparedness, Science, and Countermeasures. Prof. Zabta Khan Shinwari, Treasurer AASSA, and Fellow PAS recognized the participation of all in this webinar and emphasized arranging other similar webinars in the future with the collaboration of AASSA and IAP. He thanked all the eminent personalities and other participants from various ministries of the Government of Pakistan for their physical presence to participate in this webinar. Prof. Viktor Bogatov, Academician of Russian Academy of Sciences and Chief Academic Secretary of Far Eastern Branch of Russian Academy of Sciences, discussed the imbalance in COVID-19 cases across the world and emphasized the role of science and technology in tackling the pandemic.

In the concluding session, Prof. Yoo Hang Kim, President-AASSA, appreciated the efforts of the AASSA-PAS webinar organizers, participants, and speakers to make this event a success. Prof. Zabta Khan Shinwari gave recommendations for countering this epidemic. He suggested the realization of the needs of students' learning and encouraged universities to revive their policies for providing education in this epidemic as students face internet connectivity issues in far-off places.

Prof. Dr. Tasawar Hayat, Secretary General, PAS thanked Prof. Dr. Zabta Khan Shinwari (Chief organizer of the Webinar Series) for his contributions to the organization of the webinar. Towards the end of the concluding session, Medals/Cash Prizes were distributed among the winners of a poster competition.

### 7.9.10. Representation in AASSA Executive Board and General Assembly Meeting

The 5th AASSA General Assembly and AASSA Executive Board Meeting was held on October 15, 2021. Prof. Dr. Tasawar Hayat (Sec. Gen, PAS) and Prof. Dr. Zabta Shinwari (Former Treasurer, AASSA & Fellow PAS) participated in the meeting. Prof. Dr. Zabta Shinwari as representative from the Academy presented report on activities of Pakistan Academy of Sciences carried out during 2020-2021 on Climate Change and Health (CC&H), STEM women database, Open Science, and Pandemic, respectively at the EB meeting and the GA. In the new AASSA Executive Board Member election held at the General Assembly for 2021 – 2024, Prof. Dr. Tasawar Hayat (Sec. Gen. PAS) has been elected as Member-at-Large.
8. GOLD MEDALS AND AWARDS

Currently, the PAS is conferring the following Awards/Prizes/Gold Medals:

1. PAS Gold Medals and Prizes in the following areas:
   i. Agricultural Sciences, including Veterinary Sciences and Forestry;
   ii. Biological Sciences, including Botany, Zoology, Microbiology, and Biochemistry;
   iii. Chemical Sciences, including Pharmaceutical Sciences;
   iv. Earth and Environmental Sciences;
   v. Emerging Technologies, including Biotechnology, Nanotechnology, Molecular Biology, and Bioinformatics;
   vi. Engineering Sciences, including Information Technology;
   vii. Mathematical Sciences, including Mathematics, Statistics and Computer Sciences;
   viii. Health Sciences;
   ix. Physics

2. Dr. Atta-ur-Rahman Gold Medal in Chemistry for Scientists under 40;
3. Dr. M. Raziuddin Siddiqi Prize for Scientists under 40;
4. Dr. M. N. Azam Prize in Computer Science (Software);
5. PAS-COMSTECH Prize in Computer Science (IT);
6. Dr. Shah Jahan Prize for Scientists under 40;
8. *TWAS Abdus Salam Prize in Basic Sciences for Scientists under 40;
9. *TWAS Salimuzzaman Siddiqui Prize in Applied Science-Technology for Scientists under 40;

*(Since the funding from the TWAS has been stopped, the Council decided to continue this award with monetary benefit comparable to PAS Gold Medals & Prizes in it is meeting held on October 12, 2019 approved by the G.B on December 03, 2019).*

In the past, the Academy had been conferring the following Awards as well:

1. PAS Open Gold Medal;
2. PAS Gold Medal (under 40);
3. PAS/Infaq Foundation Agha Hasan Abedi Gold Medal;
4. PAS/Infaq Foundation Agha Hasan Abedi Prize for Scientist of the Year;
5. TWAS Cash Prize (under 40);
6. Distinguished Scientist of the Year Award;
7. Meritorious Service Award (Special Medal);
8. World Science Day for Peace and Development Award;
9. TWAS Abdus Salam Prize in Basic Sciences (under 40);
10. TWAS Salimuzzaman Siddiqui Prize in Applied Science & Technology (under 40).
### 8.1. PAS Open Gold Medal

Abbas, Farhat

FELLOW: Elected 2012

Born in Hyderabad, Pakistan on July 15, 1960

Dean, Medical College,
The Hussein Cumber Professor (Urology), The Aga Khan University Stadium Road,
PO Box 3500, Karachi-74800

Tel: (021) 34864 409
Mob: 0300-824 8568
Email: farhat.abbas@aku.edu

Education: MBBS, Dow Medical College, Karachi, 1984; Fellowship in Urologic Oncology, Jackson Memorial Hospital, University of Miami, Florida, USA, 1995; Research and Clinical Fellowship in Urologic Oncology, Baylor College of Medicine, Houston, Texas, USA, 1997; FEBU, 2001; FACS, 2006.

Fellowships/Memberships: Fellow, College of Physicians and Surgeons of Pakistan (FCPS), 1992; Fellow, Royal College of Surgeons (FRCS), Edinburgh, UK, 1993; Fellow, Royal College of Physicians and Surgeons (FRCS), Glasgow, UK, 1993, Fellow, European Board of Urology, 2001; Fellow, American College of Surgeons, UK, 2006; Member, Pakistan Medical Association; Member, American Medical Association; Member, American Urological Association; Founding and Life Member, Pakistan Association of Urological Surgeons; Member, Urological Association of Asia, Member, Asian Society of Uro-Oncology and Asian School of Urology.

Research Areas: Molecular Research in Prostate Cancer and Urinary Bladder Cancer; Molecular Genetics; Epigenetics in Urological Cancers; Medical Education.

Ahmad, Imtiaz

FELLOW: Elected 1990

Born in Gaya, India on January 3, 1941

Biological Research Center, University of Karachi, Karachi

Tel: (92-21) 3497 9669, 3496 1943
Mob: (92) 323 211 0788
Email: iahmad3141@yahoo.com

Awards: Pakistan Academy of Sciences: Open Gold Medal, 1984; Distinguished Scientist of the Year, 1994; National Book Foundation Award, 1997; Izaz-e-Kamal, Govt. of Pakistan, 1998; Presidential Award of Pride of Performance, Govt. of Pakistan, 1999; Lifetime Achievement Award of Zoological Society of Pakistan, 2010; Two dozen Gold Medals from national and international organizations.

Research Areas: Pesticidal Pollution, Genotoxicity, Phytopesticides, Biodiversity, Biosystematics and Bioecology.
Ahmad, Nisar

FELLOW: Elected 1999

Born in Okara, India, on April 2, 1942

House No. 17, Main Double Road, F-11/1, Islamabad

Mob: (92) 321-516 7697

Education:
University of the Punjab, Pakistan: B.Sc., 1961; M.Sc., 1963; Queens University, Belfast, UK: Ph.D., 1970.

Positions Held:

Awards:
Sitara-i-Imtiaz, Govt. of Pakistan, 1997; Open Gold Medal, Pakistan Academy of Sciences, 1996; Roll of Honor, M.Sc., Govt. College, Lahore.

Fellowships/Membership:
Fellow, Pakistan Nuclear Society; President, Pakistan Nuclear Society, 1998-1999; Member, Academic Council, Govt College University, Lahore.

Research Areas:

Ahmad, Rafiq

FELLOW: Elected 1990

Born in India, on November 2, 1927

Biosaline Research Program, Department of Botany, University of Karachi, Karachi-75270

Tel: Office, (92-21) 926 1359
Mob: 0300-266 7415
Email: agrisalt@super.net.pk, biosalinepk@yahoo.com

Education:
Muslim University Aligarh, India: B.Sc., 1949; University of the Punjab, Lahore, Pakistan: M.Sc., 1952; Ohio State University, Columbus, Ohio, USA: Ph.D., 1959.

Positions Held:

Awards:

Fellowships/Memberships:
Fellow, The Academy of Sciences for the Developing World (TWAS), 1996; Visiting Professor, German Academy Exchange Program (DAAD), Hohenheim University, Munich University & Berlin University, Germany, 1976; Member: Sigma Xi., USA, 1959; Member Award Committee on Agriculture, TWANSO, Trieste, Italy, 1999-2000; Member International Committee of Photobiology, Paris, France, 1968-1970; President, Botanical Society of Pakistan, 1974-1978. Regional Director, Halophyte Biotechnology Centre, University of Delaware. USA since 1995. Secretary, Pakistan Academy of Sciences, Sindh Chapter, 2000-2004.

Research Area:
Plant Physiology with emphasis on Mineral Nutrition and Growth, Arid Zone Coastal and Biosaline Agriculture.
Ahmed, Wasim

FELLOW: Elected 2010

Born in Charsada, KP, Pakistan, on May 2, 1957

Dept of Biochemistry, Faculty of Biological Sciences, Quaid-i-Azam University, Islamabad

Tel: (Off) (92-51) 9064 3003; (Res) (92-51) 260 1197
Mobile: 0300-535 7427
Email: wahmad@qau.edu.pk

Positions Held: Tenured Professor, HEC-Distinguished National Scientist, Department of Biochemistry, Faculty of Biological Sciences, Quaid-i-Azam University, Islamabad, Pakistan.
Awards: Distinguished Scientist of the Year in Biochemistry, Pakistan Academy of Sciences, 2013; Pakistan Academy of Science Gold Medal, 2007; Sitara-e-Imtiaz, Govt. of Pakistan, 2002; Dermatology Foundation Award, 1999; HEC Best Teacher Award, 2010; COMCTECH Award in Biology, 2010.
Fellowships/Memberships: Member of Syndicate, Quaid-i-Azam University, Islamabad, 2010-2013; Member of American Society of Human Genetics, 2009; Member of Advanced Studies and Research Board, Quaid-i-Azam University, Islamabad, 2008-2014.

Akhtar, M. Salim

FELLOW: Elected 2001

Born in Lahore, India on July 6, 1936

725, Shadman House, Shadman Colony-I, Lahore 54000

Tel: (Off) (92-42) 3596 0567; (Res): (92-42) 3757 4929
Mob: 0321- 440 4929
Fax: (92-42) 3596 0567
Email: mskhter47@yahoo.com; URL: www.ciit.edu.pk

Positions Held: Patron, Shadman General Hospital, Lahore: Director General, Institute of Reproductive Medicine, 2010 to date; Chief Executive, Shadman House, House for Innovative Research Systems, 2010 to date; Editor, Pakistan Journal of History and Philosophy of Science; Editor (Medical Sciences), Proceedings of the Pakistan Academy of Sciences, 2011-2014; University of South Asia: Vice Chancellor, 2006-2011; Dean of Science and Provost, 1999-2004; Dean, Sharif Medical City, Lahore, 1998; Professor of Gynecology, King Edward Medical College, Lahore, 1986-1996; Professor and Director, Department of Gynecology, Postgraduate Medical Institute (PGMI), Punjab and Sheikh Zayed Federal Institute, 1979-1985; Chairman, Academic and Research Cell, PGMI, 1995-96; Associate Professor and Director, Perinatology, Calgary University, Alberta, Canada, 1975-1978; Assistant Professor, Memorial University, Newfoundland, Canada, 1972-1974; Visiting Research Fellow, Uppsala University, Sweden, 1974; Resident Fellow, Dalhousie University, Halifax, Canada, 1970-1972; Senior Registrar, Middlesex Med School and Hospital, 1968-69; Senior Resident, Whips Cross Hospital (London) Somerset and Dorset (England), 1965-68; Patron and CEO, Al-Inayat Secondary School Prem Nagar, Kasur; Amna’s Home for God’s Children, Prem Nagar, Kasur; Ayesha’s Home for the Noble Mothers, Prem Nagar, Kasur.
Awards: H.K. Detweiler Award, Royal College, Ottawa, Canada, 1974; Mayor of Lahore Award for Outstanding Contribution in Reproductive Medicine, 1986; Sitara-e-Imtiaz, Government of Pakistan, 2001; Distinguished Scientist of the Year (Medical), Pakistan Academy of Sciences, 2005; Gold Medals: Pakistan Academy of Sciences, 2002; Golden Jubilee, Nishter Medical College, Multan, 2003; Distinguished Academician of the Year, University Shield, USA, 2005.
Fellowships/Memberships: Member, Board of Governors, Hamdard University, Karachi; Founder Fellow, Perinatal Society of Pakistan, 1984; Fellow, Pakistan Cancer Foundation, 1980; Fellow (L), Gynecological Society of Pakistan, 1985; Fellow, American College of Obstetricians and Gynecologists, 1974; Fellow, Royal College of Obstetricians and Gynecologists, London, 1984; Fellow, Zoological Society of Pakistan, 1986; Chairman, Reproductive Health Advisory Committee, Govt. of Punjab Health Dept., 2000; Member, National Committee on Equity and Access Issues in Reproductive Health, 2002; Fellow, Association for History and Philosophy of Science, 2011; Vice President, Shadman Education Trust.
Akhtar, M. Waheed

**FELLOW: Elected 1998**

Born in Lahore, India on May 1, 1944

School of Biological Sciences, University of the Punjab, Lahore

**Tel:** (Off) 042-9923 0970  
**Mob:** 0300 410 5823  
**Fax:** 042-9923 0980  
**Email:** director2sbs@pu.edu.pk, mwapu@brain.net.pk

**Education:**  

**Positions Held:**  

**Awards:**  

**Fellowships/Honorary Fellowships:**  
Pakistan Society for Biochemistry and Molecular Biology; Federation of Asian and Oceanian Biochemists and Molecular Biologists (FAOBMB).

**Memberships:**  
Member Council, Federation of Asian and Oceanian Biochemists and Molecular Biologists; Member Council, International Union of Biochemistry and Molecular Biology; Member FAOBMB Fellowship Award Committee, 2004-2005; Secretary General, Pakistan Society for Biochemistry and Molecular Biology, 1991 to date; Member, Editorial Board, Science, Technology and Development, PCST, Islamabad, 1997 to date; Chairman Organising Committee, 18th FAOBMB Symposium, Nov. 20-23, 2005, Lahore, Pakistan; Member, New York Academy of Sciences.

**Research Area:**  
Engineering enzymes and other biomolecules for improving properties; Characterization of protein markers for early diagnosis of cancer states; Developing fusion proteins for application in diagnosis and therapeutics of tuberculosis.

Ali, Muhammad

**FELLOW: Elected 2021**

Born in Chiniot, Pakistan November 5, 1964

Vice Chancellor, Quaid-i-Azam University, Islamabad.

**Mob:** 03336999131  
**Email:** alisam007@hotmail.com mohammad_03ali@yahoo.com

**Education:**  
University of Punjab, Lahore: MSc. (Zoology) 1987; University of Wales, UK: PhD (Molecular Biology, Fisheries) UM, Columbia, USA: Post Doctorate; (Molecular Biology, Fisheries).

**Positions Held:**  

**Awards:**  

**Fellowships/Memberships:**  
Fisheries Society of British Isles, Biological Society of Pakistan, Life fellow Fisheries Society of Pakistan, Life fellow Zoological Society of Pakistan, Life Fellow, Biotechnology Society of Pakistan. Fellow of Pakistan academy of Science, Pakistan.

**Research Areas:**  
Molecular Biology and Biotechnology, Fisheries, Biochemistry, Microbiology, Human Genetics, Ecology and toxicology.
Ali, Saqib

**FELLOW: Elected 2012**

Born in Mardan, KP, Pakistan, on February 6, 1954

Department of Chemistry, Quaid-i-Azam University, Islamabad

**Tel:** (Off) 051-9064 2130  
**Mob:** 0301-0527 2789  
**Email:** drsa54@yahoo.com, drsa54@hotmail.com

**Education:**  

**Positions Held:**  

**Awards:**  
HEC Distinguished National Professor in Chemistry, 2012; Pride of Performance, 2008; Research Productivity Award, PCST (since its inception).

**Fellowships/Memberships:**  
Fellow and Life Member, Chemical Society of Pakistan and Pakistan Institute of Chemists; AvH, Gorg Foster Fellow.

**Research Areas:**  
Chemistry.

---

Anwar-ul-Haq

**FELLOW: Elected 1996**

Born in Ujjain, India, on January 1, 1947

Professor & Deputy Vice Chancellor, Riphah International University, I-14, Islamabad

**Tel:** 051-222 1940, 051-844 6000, Ext 317  
**Mob:** 0322-575 7397  
**Email:** anwar.haq@riphah.edu.pk

**Education:**  
University of Karachi, Pakistan: B.Sc. (Hon’s.), 1967; M.Sc., 1968; University of Karlsruhe, Germany: Diploma Physics, 1978; Dr. rer.net, 1982.

**Positions Held:**  

**Awards:**  
Sitara-e-Imtiaz, 2001; Presidential Award Pride of Performance, 1996; Tamgha-e-Baqa, 2001; Coveted “Man of the Year 2003 Award” by South Asia Publications, Pakistan; INFAQ Foundation Gold Medal for Engineering Sciences by Pakistan Academy of Sciences (PAS), 1995; Gold Medal by Pakistan Vacuum Society, 2000; Dr. A.Q. Khan Gold Medal and Cash Prize for outstanding services in the field of Nuclear and Missile Technology, 2000; PAS Golden Jubilee Gold Medal, 2002; Millennium Gold Medal by South Asia Publications, 2003.

**Fellowships/Memberships:**  

**Research Areas:**  
Structure-Property relationship of Materials Sciences; X-ray Diffraction, TEM and SEM Techniques; Dental Materials Computer Based Rehabilitation Techniques.
Arslan, Muhammad

FELLOW: Elected 1994

Born in Multan, India, on October 24, 1936

Professor & Dean Faculty of Sciences, Center for Research in Molecular Medicine, University of Lahore, km, Raiwind Road, Lahore-53700

Tel: 042-3589 2845; Mob: 0331-474 5668

Email: arslan_m2000@yahoo.com

Positions Held: Professor & Consultant, University of Health Sciences, Lahore, 2004 to date; Visiting Scientist, University of Pittsburgh School of Medicine, USA and Institute of Reproductive Medicine, University of Muenster, Germany, 2000-2004; Editor, Proceeding of the Pakistan Academy of Sciences, 1998-1999; Quaid-i-Azam University, Islamabad: Vice Chancellor, 19941997, Meritorious Professor, 1993-1996, Professor, 1976-1993, Chairman, Pakistan Council for Science and Technology, 1990; Associate Professor, 1973-1976; Assistant Professor, University of the Punjab, Lahore, 1970-1973; Lecturer, University of the Punjab, Lahore, 1958-1970.

Research Areas: Life Sciences, Endocrinology, and Reproductive Biology with special emphasis on primate gonadotropins and fertility regulation.

Asghar, Saleem

FELLOW: Elected 1998

Born in Gujrat, India, on July 2, 1947

COMSATS Institute of Information Technology, Islamabad

Tel: (92-51) 9258 481-2

Mob: 0300-512 1590

Email: s_asgharpk@yahoo.com, sasghar@comsats.edu.pk

Positions Held: COMSATS Institute of Information Technology (CIIT): Eminent Professor, 2007 to date; Professor, CIIT, 2002 to 2007; Quaid-i-Azam University, Islamabad: Chairman, Department of Mathematics, 1994-1997; Professor, 1993-2002; Associate Professor, 1991-1993; Assistant Professor, 1976-1991; Lecturer, 1973-1976; Visiting Scholar, University of Illinois at Urbana, Champaign, USA, 1996-1997; Visiting Mathematician at ICTP, Trieste, Italy, 1986.

Awards: Sitara-i-Imtiaz, by Govt. of Pakistan, 2008; Best University Teacher Award by HEC; Member of Task force for Mathematics; Tamgha-i-Imtiaz, Govt. of Pakistan, 2000; First Prize for Best Research Work in Mathematics, Govt. of Pakistan, 1987 and 1994; Gold Medal, Pakistan Academy of Sciences, 1993.

Fellowships/ Memberships: Fulbright Fellow, University of Rhode Island, Kingston, USA, 1991; Fellow, German Academy Exchange Service (DAAD), University of Stuttgart, Germany, 1995; Member, (Associate), ICTP, Trieste, Italy, 1987-1996; Visiting Mathematician ICTP, Italy, 1986; Member, London Mathematical Society; Member, Acoustical Society of America; Member, All Pakistan Mathematical Association; Member, Punjab Mathematical Society.

Research Areas: Mathematics
Ashraf, Muhammad

FELLOW: Elected 2000

Born in Faisalabad, Pakistan on July 15, 1953

Positions Held:
Rector, The University of Lahore, Lahore; Ex. Vice Chancellor, University of Agriculture Faisalabad; Pro-rector, The University of Lahore; Chairman, Pakistan Science Foundation, 2015-2018; Vice Chancellor and Founding Vice Chancellor, Muhammad Nawaz Sharif University of Agriculture, Multan, 2014-2015; University of Agriculture, Faisalabad: Dean, Faculty of Science, 2006-2014; Professor and Chairman, Botany Department, 2002-2006; Associate Professor, 1999-2002; Bahauddin Zakariya University, Multan: Associate Professor, Botany Department, 1997-1999; Assistant Professor, Botany Department, 1989-1997; Post-doc., 1993-94; Lecturer, Botany Department, 1986-1989; Demonstrator, Botany Department, University of Liverpool, 1985-1986; Post-doc. 1986; University of Arizona, USA.

Awards:
Hilal-e-Imtiaz by President of Pakistan, 2016; Honorary Professor, Lanzhor University, China, 2013; Khwarizni-Lecture, 2012; HEC Lifetime Achievement Award, 2012; FAO Medal for Excellent Research in Plant Stress Biology, 2012; Sittara-e-Imtiaj by President of Pakistan, 2006; HEC Distinguished National Professor, 2005; Honorary Scientist for Rural Development Administration, Government of the Republic of Korea, 2005 to 2008; Dr. Agha G.D. Ahmad Medal, University of Agriculture, Faisalabad, 2003; Best Teacher Award, Higher Education Commission, 2002; Presidential Civil Award, Pride of Performance, 2000; Presidential Award, Izaz-e-Fazeelat, 1997; Gold Medal, Pakistan Academy of Sciences, 1997; First Award in Biology (Cash Prize Rs. 25,000/-), National Book Foundation, Ministry of Education, Govt. of Pakistan, 1994; Fulbright Research Award, US Educational Foundation, 1993/94; Cash Prize of Rs. 15000/- (2nd Prize) in Biology, National Book Foundation, Ministry of Education. Govt. of Pakistan, 1992; Salam Prize in Science (Biology), 1992; Gold Medal (Biology, under 40), Pakistan Academy of Sciences, 1990; Golden Star, National Farm Guide Council (Hamdard Foundation), Pakistan, 1988; Medal on 1st Position in M.Sc., University of Agriculture, Pakistan, 1980.

Fellowships/Memberships:
Fellow, The Academy of Sciences for the Developing World (TWAS), 2003; Member, HEC National Core Group in Life Sciences; Member, Pakistan Botanical Society; Member, Society for the Advancement of Science in Pakistan; Member, HEC National Curriculum Committee, 1998 to date.

Research Areas:
Stress Biology.
Atta-ur-Rahman

FELLOW: Elected 1982

Born in Delhi, India on September 22, 1942

President, Network of Academy of Sciences in Countries of Organizations of Islamic Conferences, Islamabad

Tel: 021-34824 924-5; 021 9926 1713, Fax: 021-9926 1742; 021-34819018
Mob: 0300-854 3084; 0321-854 3084
Email: ibne_sina@hotmail.com; aurrahman786@gmail.com; aurrahman1942@gmail.com

Education:
University of Karachi, B.Sc. (Hons) (Chemistry), 1963; M.Sc. (Organic Chemistry), 1964; Cambridge University, UK: Ph.D. (Chemistry), 1968, Sc.D. 1987 (Cantab); Honorary D.Sc./Ph.D.: Sir Syed University of Engineering, 2003; Gomal University, 2004; University of Karachi, 2005; D.Sc., Bradford University, UK, 2010; Asian Institute of Technology, Thailand, 2010; University of Technology, Malaysia, 2011; Dr. Edn, Coventry University, UK, 2007.

Positions Held:
Chairman, Prime Minister’s Task Force on Science and Technology, 2019 to date; Vice Chairman, Prime Minister’s National Task Force on Knowledge Economy, 2018 to date; and Co-Chair, Prime Minister’s Task Force on Information Technology, 2018 to date; Chairman of the Pakistan Advisory Board and Member of the International Advisory Board of the Children’s Foundation, 2017; Honorary Professor of Hunan University of Chinese Medicine, Academician of Chinese Academy of Sciences, 2017; Chairman of UN ESCAP Committee on Science Technology & Innovation, March 2016; Consultant, Asia Education Forum, 2015-2020; Foreign Fellow of Chinese Academy of Sciences, 2015; “Adjunct Distinguished Professor’, University Petra, Jordan in recognition of meritorious scientific research, as eminent scholar in the field of Organic Chemistry, November 2015; President, Pakistan Academy of Sciences, 2003-2006, 2011-2014; Coordinator General, COMSTECH 1996/2012; HEC Distinguished National Professor, 2011; Prof. Emeritus, University of Karachi, 2011; Professor, University of Karachi, 1981-2011; Vice-President, Academy of Sciences for Developing World (TWAS), 2010 to date; Patron-in-Chief, International Centre for Chemical and Biological Sciences, University of Karachi, 2008; Chairman, Higher Education Commission (HEC) (Federal Minister), 2002-2008; Director, H.E.I. Research Institute of Chemistry, University of Karachi, 1990-2008; President, The Network of Academies of Science in Countries of the Organization of Islamic Conference (NASIC), 2004 to date; Advisor to the Prime Minister of Pakistan and Federal Minister (in-charge), Ministry of Science & Technology, Govt. of Pakistan, 2003/2004; Federal Minister of Science and Technology, Govt. of Pakistan, 1999-2002; Federal Minister (in-charge) of Education, 2002; Visiting Fellow, German Academic Exchange Service (DAAD), University of Tubingen, Germany, 1979; Co-Director, H.E.I. Research Institute of Chemistry, 1977-1980; Associate Professor, 1974-1981; Assistant Professor, 1969-1974; Lecturer, 1964/1969; Visiting Fellow, German Academic Exchange Service (DAAD), University of Tubingen, Germany (1979), Consultant, Asia Education Forum (2015-2020).

Awards:
International Cooperation Award for Science and Technology (2020); 7th Achievement Award on Science and Technology by FPCCI, 2019; “Sandberg Medal for Excellence in Research”, 2018; Friendship Award of China, China, 2014; International Cooperation Award, CAS, China, 2014; Einstein Professorship by the Chinese Academy of Sciences, 2013; ENGRO Excellence Award, 2011; TWAS Prize for Building Scientific Institutions, 2009; A High Civil Award “Grosse Goldene Ehrenzeichen am Bande”, Austrian Government, 2007; Gold Medal of the Scientific Partnership Charitable Foundation, Inter Bio Screen Ltd., Moscow, Russia, 2004; ISESCO Chemistry Award, 2001; Economic Cooperation Organization (ECO) Prize 2000 by the President of Iran and a Cash Award of USD 7,500/-; UNESCO Science Prize (Budapest, Hungary), 1999; Govt. of Pakistan civil awards: Nishan-i-Imtiaz, 2002; Hilal-i-Imtiaz, 1997; Sitara-i-Imtiaz, 1992; Tamgha-i-Imtiaz, 1983; Award of Federation of Asian Chemical Society, Japan, 1997; Salimuzzaman Siddiqui Gold Medal, Pakistan Intellectual Forum, 1995; Babai-Urdu Award, Baba-i-Urdu Research Center, Karachi, 1994; Gold Medal, Pakistan Academy of Sciences, 1977, 1984, 1996; First Khwarizmi Prize, Govt. of Iran, 1993; Islamic Organization Prize, Kuwait Foundation for the Advancement of Sciences, 1988; Scientist of the Year Award and Prize of Rs. 0.2 million, Govt. of Pakistan, 1987; FPECI Prize for Technology Innovation, Federation of Pakistan Chamber of Commerce and Industries, 1985; Gold Medal, Govt. of Kuwait, First World Conference on Islamic Medicine, 1980; First Prize for a book on Spectroscopy, Pakistan National Book Council.

Fellowships/ Memberships:
Senior Member “101 Friend of China”, A mega strategic think tank of Pakistan, 2015; Member Global Advisory Board of “World Academy of Chemistry” 55/11, Krishna Nagar, Hojai-782435, India, 2015; Honorary Fellowship of the Institute of Chemistry Ceylon, Sri Lanka, 2014; Member of the Board of Governors of Sir Syed University of Engineering, June 2014; Member of the Resource and Advisory committee of Anjuman Urdu Tartaque Pakistan, 2014; Member Board of Governors of Zia –uddin – University, Karachi, 2014; Chairman, International Organizing Committee Euraia, 2014; Chairman, Standing Committee on Higher Education Science and Technology of Pakistan Chambers of Commerce and Industry, 2014; Member, Senior Advisory Council of the International Organization for Chemical Sciences in Development (IOCD), 2013; Chairman, Standing Committee on Higher Education Federation of Pakistan Chambers of Commerce and Industry, 2013; Vice President (Central & South Asia), TWAS Council, 2009-2012; Honorary Member, Bilim Akademisi, Turkey, 2012; Member, International Advisory Board, ELLTA Conference, 2012; Distinguished Visiting Professor at University of Teknologi Mara, Malaysia, 2012; Life Time Honorary Fellow, Kings College, Cambridge University, 2007; Fellow: Royal Society (London, UK), 2006; (Don) Kings College, Cambridge University, 1969-1973; Royal Society of Chemistry, London, 1981; The World Academy of Sciences (TWAS), 1985; Islamic World Academy of Sciences, 1988; Foreign Fellow, Korean Academy of Sciences, 2004; Vice President, Pakistan Academy of Sciences, 1997-2001; Fitoterpia, 1999; Journal of Asian Natural Products Research, 1998; Member Advisory Board, Journal of Pharmacy of Istanbul University, Turkey, 1998; Spectroscopy, 1996; Scientific Advisor to CIBA Foundation, London, 1995; President, Chemical Society of Pakistan, 1992; Khimya Prirodnychy Soedinchii, 1992; Editorial Board Member: Journal of Islamic Sciences, Turkey, 1991; Member, National Commission for Science and Technology, 1985 to date; UNIDO Expert on Panel of Medicinal Plants, 1984; WHO Expert on Vector Biology and Control, 1983; Chairman, National Committee for South and Central Asian Medicinal and Aromatic Plants, UNESCO, 1982/1985; Member, Steering Committee for Establishment of Chemistry Center in Trieste, Italy; Member: American Chemical Society; American Society of Pharmacognosy; Swiss Chemical Society; New York Academy of Sciences; Russian Academy of Sciences; Academy of Natural Sciences; Republic of Uzbekistan; Founding Editor-in-Chief/Executive Editor/Editor of 8 European Chemistry Journals, national/international journals and Editor of “Studies in Natural Product Chemistry”, Elsevier, Netherlands; Member syndicate, University of Karachi (2018-2021); Chairman, Board of Advisory, PAF-IAST (2020); Member, HEC Commission (2021).

Research Areas:
Organic Chemistry and Phytochemistry with emphasis on Novel Natural Products / Clinical Applications, Modern NMR Spectroscopy.
Badshah, Amin

FELLOW Elected 2013

Born in District Karak, KP, Pakistan, on April 15, 1960.
Treasurer, Pakistan Academy of Sciences
Vice Chancellor, University of Bannu
Professor Emeritus, Department of Chemistry, Quaid-i-Azam University, Islamabad.

Tel: (Off) 051-90642131, (Res) 051-2601051
Mob: 0300-9780374
E-mail: aminbadshah@yahoo.com; aminbadshah@qau.edu.pk

Positions Held: Dean IWS 2019-2020; Chairman, Department of Chemistry, Quaid-i-Azam University, Islamabad, 2012-2015; Acting dean faculty of Natural sciences; 2016-2017; University of Bayreuth, Germany, Post Doc., 2001-2002.
Awards: PAS Gold Medal 2013; Civil award (Tamgha-e-Imtiaz) Govt. of Pakistan 2014; Best Teacher Award, HEC, Pakistan, 2014; HEC Best Paper Award 2016.
Fellowships/ Awards: Fellow, The World Academy of Sciences; Fellow, Pakistan Academy of Sciences, 2013; Fellow, Chemical Society Pakistan, 2011
Memberships: Member ACS 2017, Member Senate KUST, 2018, Member DTRC, KUST and University of Gujrat.
Research Areas: The inorganic aspects of our research are primarily concerned with the syntheses, spectroscopic characterization and biological activities of inorganic compounds, especially organometallic and transition metal complexes with Nitrogen, phosphorus, oxygen and sulfur donor ligands. A new research area recently initiated involves the synthesis of nanomaterials and transition metal complexes having potential application in the field of catalysis and as surfactants.

Baig, M. Aslam

FELLOW: Elected 1996

Born in Karachi, Pakistan, on January 1, 1950
Professor Emeritus, Quaid-i-Azam University, Islamabad
Distinguished National Professor, National Center for Physics, Quaid-i-Azam University Campus, Islamabad

Tel: 051-207 7315
Mob: 0333-520 5674
Email: aslam@ncp.edu.pk; baig77@gmail.com; baig@qau.edu.pk

Fellowships/ Memberships: Alexander von Humboldt Fellow, Bonn University, Germany (2008); Fellow, Kaiserslautern University, (1999, 2000, 2001); Fulbright Fellow, Virginia University, USA, (1993); Fellow, Pakistan Nuclear Society; Member, Institute of Physics, UK; Member, German Physical Society, Germany. Member, Pakistan Physical Society.
Beg, Ismat
FELLOW: Elected 2008

Born in Pakistan, on January 4, 1951
Lahore School of Economics, Lahore

Home: House No. 272-A, Phase 5, Defense Housing Authority, Lahore

Office: 042-36560904, Ext. 246
Res: 0345-4651049, Fax: 042-36560905
Mob: 0345-422 7511
E-mail: ibeg@lahoreschool.edu.pk; begismat@yahoo.com

Awards: Gold Medal, Pakistan Academy of Sciences, 2008; First Prize, Govt. of Pakistan (Best Research Work in Mathematics), 1986; Academic Roll of Honor, Government College, Lahore, 1972; Member of Task Force for Mathematics; Member first Board of Governors, School of Mathematical Sciences, GC University, Lahore.

Fellowships/ Memberships: Chartered Scientist, The Science Council, UK; Fellow, Institute of Mathematics and Its Applications (IMA), England; Chartered Mathematician; Member (Group Associate), ICTP, Trieste, Italy, 1991-1996; Chartered Member, Society for Mathematics of Uncertainty; Member: American Mathematical Society, European Mathematical Society, London Mathematical Society, International Federation of Nonlinear Analysts, International Rough Set Society, Research Group in Mathematical Inequalities and Applications; Life Member: Punjab Mathematical Society, All Pakistan Mathematical Association, Allahabad Mathematical Society.

Research Areas: Multi-criteria group decision making; Artificial intelligence; Big data analysis; Nonlinear functional analysis; Fuzzy mathematics and its applications; Order structure; Best approximation.
Bhatti, Aamer Saeed

**FELLOW: Elected 2020**

Born in Jhelum, Punjab Pakistan, on September 10, 1964

Professor & Chairman, Quaid-i-Azam University, Islamabad

Home Address: I-10/2 Islamabad

**Mob:** 0321-5333026

**Email:** aamer@yahoo.com, asaeed@qau.edu.pk

**Education:** B.Sc. University of the Punjab, Lahore (1983) (Grade B); M.Sc (Chemistry) 1986, (Grade B, GPA 3.7); M. Phil (1988), (Grade A, GPA 4.0); Ph. D (Organic Chemistry) 1994 (Grade A, GPA 4.3) (QAU). Alexander Von Humboldt, Post-Doctoral Fellowship Germany (2001 & 2020).

**Positions Held:** Tenured Professor and Chairman, Department of chemistry, Quaid-i-Azam University Islamabad.

**Awards:** Gold Medal PAS 2003), Dr. M. Razziuddin Siddiqi Prize in Chemistry; Gold Medal (Idara-e-Farough Taleem, Punjab Lahore) (2015); Included in World's Top 2% Scientists (2020) by Stanford University; Highly cited scientists of Pakistani Universities (Ranking list published by Elsevier on 19th October 2021) Elsevier BV - August 2021; RPA awardees from 2004-2017 in category: A by PCST; Alexander von Humboldt Post-Doctoral Fellow Germany (2001, 2019); Highest Impact Factor Award 2018, Chemical Society of Pakistan; TWAS Visiting Expert Award; Certificate of Outstanding Research University Hannover 2019; Ranked 2nd/3RD 4TH in Chemistry (RPA List, PCST; RPA award: Category A-1); Associate Editor: Frontiers in Chemistry (Impact factor 4.62); (2019, 2021).

**Fellowships/ Memberships:** Alexander von Humboldt Post-Doctoral Fellow Germany (2001, 2019); Fellow of the Chemical Society of Pakistan; Fellow Pakistan Academy of Sciences (2020); Humboldt Forum & German Alumni Forum Islamabad, Pakistan; Member, Curriculum Committee, National Testing Service Pakistan.

**Research Areas:** Synthetic Bioorganic and Medicinal Chemistry; Natural Products, Heterocyclic Chemistry; Stereoselective total synthesis of bioactive Natural Products; Antitumor Polyketides: Callystatin, Ratjadone; Isocoumarins, Dihydroisocoumarins and their nitrogen, sulfur analogues; Acyl thioureas: Synthesis, biological evaluation, heterocyclization, QSAR, vibrational, DFT studies; Design, Synthesis bioevaluation, binding analysis, Molecular docking, pharmacokinetics of heterocycles as enzyme inhibitors using hybrid pharmacophore approach; Carbazole, Fluorene and Perylene Based Materials for Organic Electronic Applications OLEDs; Fluorescent, Rylene and Rylene azo-hybrid, Porphyrin; Aggregate Induced Emission, In vivo Cancer probes for bio imaging, Ions sensors, AIE materials, DSSC materials.

Bhatti, Haq Nawaz

**FELLOW: Elected 2014**

Born in Nankana Sahib Pakistan, on September 20, 1965

Professor, Department of Chemistry
University of Agriculture, Faisalabad

**Tel:** 041-9201095; 041-9200161-69/3319

**Mob:** 0333-6528455; 0300-8387455

**Email:** hnbhatti2005@yahoo.com; haq_nawaz@uaf.edu.pk

**Education:** University of the Punjab, Lahore: B.Sc., 1985; M.Sc., 1987; University of Agriculture, Faisalabad: Ph.D., 2004; University of Winnipeg, Manitoba, Canada: Post-Doc., 2007.

**Positions Held:** Professor, Department of Chemistry, University of Agriculture, Faisalabad; Member BOG, National Centre of Excellence in Analytical Chemistry, University of Sindh, Jamshoro, Sindh; Advisor, International Foundation for Science (IFS), Sweden.

**Awards:** Gold Medal in M.Sc., University of the Punjab, 1987; Muhammad Ali Gold Medal in M.Sc., University of the Punjab, 1987; Badar-ud-Din Gold Medal in M.Sc., University of the Punjab, 1987; Productive Scientist of Pakistan, 2006, 2007, 2008 by Pakistan Council for Science and Technology; Star Laureate 2008 in Science and Technology by South Asia Publication; President’s Medal for Science and Technology, 2009; HEC University Best Teacher Award, 2010; PAS Gold Medal in Chemistry, 2011; Research Productivity Award by PCST, 2010-2011, 2012-2013, 2013-2014, 2014-2015; Two Top cited papers award for 2012 by UAF of each cash prize Rs. 50,000/; Top Cited award for 2013 by UAF of cash prize Rs. 50,000/.

**Fellowships/ Memberships:** Life Member, Chemical Society of Pakistan; Member, American Chemical Society; Member Biochemical Society UK; Fellow The Chemical Society of Pakistan. Fellow Pakistan Academy of Sciences

**Research Areas:** Production, purification, characterization, and engineering of enzymes; Bioremediation and biosorption of textile dyes and effluents and heavy metals; Development of composites and functional materials for environmental remediation.
Bhutta, Zulfiqar Ahmed

FELLOW: Elected 2004

Born in Peshawar, Pakistan, on October 12, 1955

Distinguished University Professor and Founding Director, Institute for Global Health and Development; Centre of Excellence in Women and Child Health
The Aga Khan University Hospital, Stadium Road, Karachi

Tel: + 92-2-3486 4782
Fax: + 92 -21-3493 4294, 34932095
E-mail: zulfiqar.bhutta@aku.edu, zulfiqar.bhutta@sickkids.ca

Education:

MBBS, Khyber Medical College (1977); Diploma in Child Health, Royal College of Physicians and Surgeons, London, UK (1980); MRCP Paediatrics, UK (1981); FCPS (Paediatrics) (1987); PhD (Nutrition), Karolinska Institute, Stockholm (1996).

Positions Held:

Distinguished University Professor and Founding Director, Institute for Global Health and Development, The Aga Khan University, Karachi; The Robert Harding Chair in Global Child Health and Policy and Co-Director, The SickKids Center for Global Child Health Hospital for Sick Children, Toronto, and Senior Scientist Research Institute & Professor (Paediatrics), University of Toronto (2013–date); Founding Director, Center of Excellence in Women and Child Health, the Aga Khan University (2013–date); The Noordin Noormahomed Sheriff Professor & Founding Chair, Division of Women & Child Health, Aga Khan University & Medical Center (2009–2013), Department of Paediatrics & Child Health (2005–2008); Professor, 1997; Director Neonatal Services of the University Hospital, Karachi, (1989-2004); The Husein Laljee Dewraj Professor of Paediatrics, 1999; Associate Professor (1994-1995); Assistant Professor (1987-1992); Senior Instructor and Consultant Paediatrician (1986-1987); Consultant Pediatrician and Neonatologist to the Bakhsh Hospitals Group, Jeddah, Saudi Arabia (1983–1986); Adjunct Professor, Family Medicine & Community Health, Tufts University School of Medicine, Boston, USA (2002) & International Health, Boston University, Boston, USA (2006); Visiting Professor, Harvard School of Public Health, Boston, USA (2011-2013); Visiting Professor, Hospital for Sick Children, University of Toronto, Canada (2011-2013); Visiting Professor, London School of Hygiene & Tropical Medicine (2011–2013).

Awards:

National Talent Scholarship, Govt of Pakistan (1972-77); Pfizer Gold Medal in Pharmacology, University of Peshawar (1975); Best Graduate of the Year Gold Medal, Khyber Medical College (1977); University of Peshawar Gold Medal (1977); Fellow, Royal College of Paediatrics & Child Health, UK (1997); Fellow (Hon), American Academy of Pediatrics (2009); Fellow (Hon), Royal College of Physicians (London) (2012); Fellow, Royal College of Physicians, Edinburgh (1990); Faculty Development Award, The Aga Khan University (1991, 1995); Scholarship, Swedish Institute, Stockholm, Sweden (1994); Academic Support Scholarship, New England Epidemiology Institute, Tufts University, Boston (1995); Visiting Scientist Support Grant, Swedish Institute, Sweden (1996-98); National Book Foundation Award for Articles in International Journals (1997); Young Investigator Award, International Union of Nutrition Sciences (1997); Nestle Nutrition Research Scholarship (1999, 1999); Tamgha-i-Imtiaz by President of Pakistan (2000); Scholarship, Harvard School of Public Health, (2001); President of Pakistan Gold Medal for Services to Child Health (2004); Distinguished Faculty Award for Research, Aga Khan University (2005); Outstanding Paediatrician of Asia Award (2006); HEC Distinguished National Professor (2007); Hillman Memorial Lecturer, University of British Columbia, Vancouver, Canada (2007); Alpert Lecture, Boston University, Boston (2007); Member, Commission for Professional Health Education, Institute of Medicine, USA (2008); Program for Global Pediatric Research, Global Child Health Award (2008); Distinguished Visiting Scholar in Global Health, Boston University (2009); Honorary Fellowship, American Academy of Pediatrics (2009); Windermere Lecturer, Royal College of Pediatrics & Child Health Annual Meeting, University of Warwick (2010); Kenneth Warren Prize for Best Cochrane Review (2011); Global Advocacy Prize, Royal College of Paediatrics & Child Health (UK) (2012); Henderson Lecture, Department of Obstetrics & Gynaecology, University of Toronto (2013); MacDonald Lecture & Professorship, University of Western Australia, Perth, Australia (2013), Christopherson Lectureship, American Academy of Pediatrics, Orlando, USA (2013); WHO Ihsan Dogramaci Prize for Family Health (2014), AAP Samuel J Fomon Award for Lifetime contributions in Nutrition (2014); Harvey Medway Lectureship, University of Winnipeg, Canada (2014), Professional of the Year Award, Canada Pakistan Business Council (2015). Sam Fomon Award of the American Academy of Pediations, 2015; Mc Kinsey Global Health Award 2015; TWAS Science Award in Medical Sciences 2017; ROUX Prize, 2021.

Fellowships/ Memberships:

Member: British Paediatric Association & International Child Health Group; Paediatric Research Society (UK); Society for Pediatric Research (USA); Executive Council, Commonwealth Association for Paediatric Gastroenterology and Nutrition (CAPGAN); Central Executive Committee, Asian Conference for Diarrhoeal Diseases; Council, Asian Pan-Pacific Society for Pediatric Gastroenterology & Nutrition; International Society for Infectious Diseases; American Society for Clinical Nutrition & Society for International Nutrition Research; Federation of American Society of Experimental Biologists; Council, Commonwealth Association for Paediatric Gastroenterology & Malnutrition (1994 to date); Steering Committee, Program for Global Paediatric Research (2003); Steering Committee, International Pediatric Association (2004-7); Global Zinc Task Force (2005-2008); Board, Global Alliance for Vaccines & Immunizations (2012-2015); WHO Strategic Advisory Group for Vaccines (2010-2015); Public Health & Population Panel, Wellcome Trust, UK (2010-2014); President, CAPGAN (2003-2006); President (2006-10, 1998-2004); Convener, SAARC Neonatal Forum; Deputy Secretary General, Asia- Oceania Federation of Pernatal Societies (1998-2000); Secretary General & President, Federation of Asia Oceania Perinatal Societies (2002-2006); Treasurer, International Pediatric Association (2008-2010); President, International Pediatric Association (2013-2016); Founding Member, Board of the Partnership for Maternal, Newborn & Child Health (2004-12), Member & Chair, IHCHE Laboratories Advisory Board, Wellcome Trust, UK (2011-2015). Member, Prime Minister’s Task Force for Health (2018); Chairs the Board of Governors of the National Institute of Health Pakistan, Fellow, Royal Society (UK), 2020.

Research Areas:

Community-based prenatal care, interaction of nutrition and infections, micronutrient malnutrition, and maternal and child health policy issues.
 Butt, M. Zakria

**FELLOW: Elected 1997**

Born in Lahore, Pakistan, on April 9, 1949

President, Pakistan Institute of Physics, Lahore

**Tel:** (Res) (+92-42) 35185502
**Mob:** 0323-4306032

**Fax:** (92-51) 486 3101, 443 0648
**Email:** nnbutt36@gmail.com; nnbutt@preston.edu.pk

**Education:**
University of the Punjab (Murray College, Sialkot): BSc, 1955; University of the Punjab (Government College, Lahore): MSc, 1957; University of Birmingham, Birmingham, UK: PhD (Physics), 1965; DSc, 1993.

**Positions Held:**
Preston Professor and Chairman, Preston Institute of Nano Science and Technology (PINSAT), Preston University, Islamabad (2009 to date); Chairman, Pakistan Science Foundation (PSF), 2005-2008; Chairman, National Commission on Nano-Science and Technology (NCNST), MoST, 2003-2008; Scientist Emeritus, Pakistan Atomic Energy Commission (PAEC), 1996 (Life Title); Chief Scientist/Director General, PINSTECH, 1995-1996; Director, PINSTECH, 1991-1995; Associate Director, PINSTECH, 19841991; Head, Nuclear Physics Division, PINSTECH, 1978-1991; Scientific Officer/Principal Scientific Officer/Chief Scientific Officer, PAEC, 1961-1978; Lecturer, Government College, Lahore, 1958-1961.

**Awards:**

**Fellowships/Memberships:**
Fellow: World Innovation Foundation, 2006; Islamic World Academy of Sciences, 1993; Fellow/Life Member, Pakistan Nuclear Society (President), 1995-1997; Life Member, Pakistan Physical Society (Ex-President), 2000 and 2011; Fellow, Pakistan Institute of Physics; Formerly Associate Member, Institute of Physics of London and Member American Physical Society, New York; Founding President, Abdus Salam ICTP-Chapter in Pakistan, 2000.

**Research Areas:**
Nuclear/Solid State Physics (Experimental); Neutron-Scattering and Diffraction from Solids; Mossbauer Gamma-Ray Spectroscopy (Transmission and Scattering); Research Reactor Utilization; Lattice Dynamics of Materials; Crystal Structure Properties of Materials; Micro-Macro Property Correlation of Materials; Mossbauer Spectroscopy and Neutron Diffraction of Nano-Materials; Nanotechnology; Nano Education.
Chaudhry, M. Nawaz

FELLOW: Elected 2005

Born in Lahore, on July 29, 1942

Professor and Head
Department of Environmental Science and Policy
Lahore School of Economics

Tel: 042-36560954
Mob: 0345-400 5008
Email: muhammadnawazchaudhry@yahoo.com

Positions Held: Professor and Head, Department of Environmental Science and Policy, Lahore School of Economics, Dec 2017 - to date; University of the Punjab: Professor Emeritus in Geology, University of the Punjab, since 2007; Professor, 1988 to Dec 2017: HEC Professor, 2003-2005; Professor, Postgraduate Center for Earth Sciences, 2002-2003; Director, Postgraduate Center for Earth Sciences, 2001-2002; Director, Center for Integrated Mountain Research, 1999-2000; Director, Institute of Geology, 1997-2001; Associate Professor, 1980-1988; Assistant Professor, 1976-1980; Lecturer 1968-1980; Chief Geologist Engineers Combine Ltd., March 1978-May 1980 (on leave from Punjab University); Consultant, Pakistan Museum of Natural History (MoST), 2002; Guest Scientist, ETH, Zurich, 1996; Demonstrator Kings College, London, 1965-1967.

Fellowships/Memberships: Fellow, Pakistan Academy of Sciences; Life Member, National Geological Society of Pakistan, Punjab geological Society and Pakistan Institute of Physics.

Research Areas: Earth and Environmental Sciences and expertise in Geological Materials.
Choudhary, M. Iqbal

FELLOW: Elected: 2003
Born in Karachi, Pakistan, on September 11, 1959
Coordinator General, COMSTECH
Director, International Center for Chemical and Biological Sciences
H.E.J. Research Institute of Chemistry and Dr. Panjwani Center for Molecular Medicine and Drug Research, University of Karachi, Karachi

Tel: (92-21) 3482 4924-25
Mob: 0321- 822 8710
Email: iqbal.choudhary@iccs.edu, hej@cyber.net.pk

Education:

Positions Held:
Coordinator General, COMSTECH, 2020-to-date; Director, International Center for Chemical and Biological Sciences (ICCBS), 2009—to date; Co-Director (Dr. Panjwani Center for Molecular Medicine and Drug Research), 2002- to date; Visiting Professor, Institut Teknologi Sepuluh Nopember, Surabaya, Indonesia; Adjunct Professor, Faculty of Science and Technology, Universitas Airlangga, Surabaya, Indonesia, 2019; Adjunct Professor, National Institute of Fundamental Studies, Sri Lanka, 2019; Visiting Professor, T.C.M Hospital Southwest Medical University, Luzhou, Sichuan, China, 2018; Advisor, Interim Board of Study in Medicinal Biochemistry and Biotechnology, University of Colombo, Sri Lanka, 2018; Visiting Research Fellow, State Key Laboratory, Elemento-Organic Chemistry, Nankai University, China, 2018; Visiting Professor, Hunan University of Chinese Medicine, China, 2017; Visiting Professor, Guangxi Normal University and State Key Laboratory for Chemistry and Molecular Engineering of Medicine Resources, China, 2017; Distinguished Professor, Institute of Food Science and Technology, Chinese Academy of Agriculture Sciences (CAAS), 2017; Distinguished International Supervisor, Institute of Food Science and Technology, Chinese Academy of Agriculture Sciences (CAAS), 2017; Adjunct Distinguished Professor, University of Peter, Jordan, 2015; Distinguished Professor, COMSATS, 2013; Distinguished National Professor, University of Karachi, 2013; Director ICCBS (Acting), 2002–2008; Professor, HEJIRC, 2000 to date; Distinguished National Professor, Higher Education Commission, 2004; Associate Professor, HEJIRC, 1994–2000; Visiting Faculty, Cornell University, USA 1994; Assistant Professor, HEJIRC, 1988–1994; Senior Fulbright Fellow, University of California, USA, 1988; Visiting Scientist, Purdue University, USA, 1989; Post Doctor Research Associate, Cornell University, USA 1987–1988; Senior Research Fellow, HEJIRC, 1986–1987; Research Associate, HEJIRC, 1985/1986. Visiting Professor: National Pharmaceutical Chemistry of Human University of Chinese Medicine, China; School of Healthcare Sciences at Manchester Metropolitan University, UK; University Malaysia Pahang, Malaysia; University of Rhode Island (URI), USA; King Abdulaziz University (KAU), Jeddah, Saudi Arabia; King Saud University (KSU), Riyadh, Saudi Arabia; University Teknologi MARA (UiTM), Malaysia; University Kebangsaan Malaysia (UKM), Malaysia; Al-Farabi Kazakh National University, Kazakhstan.

Awards:
Mustafa (PBUH) Prize and Award (Laureate), 2021; Golden Skillball Friendship Award 2020; Distinguished National Award, 2020; Dr. A. Q. Khan Gold Medal Award, 2018; Nazriya Pakistan Council, Islamabad, 2018; COMSTECH Award 957 OIC Member Countries) by Prime Minister of Pakistan, 2018; Declared as Topmost Scientist (Number 1) among 1650 Pakistani Scientists in all Disciplines of Science and Technology by Pakistan Council for Science and Technology (Ministry of Science and Technology), Pakistan, 2012; Hilal-i-Imtiaz, 2007; Sitara-i-Imtiaz, 2001; Tamgha-i-Imtiaz, 1998, First Khwarizmi International Award by the President of Iran, 2006; Economic Cooperation Organization (ECO) Award by the President of Azerbaijan, 2006; Distinguished Senior Fulbright Research Award, USA, 1997–1998; National Bank Foundation’s Prize for Chemistry Publications, 1996; Third World Academy of Sciences Young Scientist Award, 1994; Prof. M. Raziuddin Siddiqi Gold Medal by Pakistan Academy of Sciences, 1993; Prof. Abdus Salam (Nobel Laureate) Prize in Chemistry, 1990.

Fellowships/
Memberships:
UNESCO Chairholder on Medical and Bio-Organic Nahral Product Chemistry, 2020; Member, Prime Minister Task Force on COVID-19, 2020; Member, Board of Trustees, Pakistan Science Foundation, Islamabad, 2020; Member, National Commission for Science and Technology (Chaired by the Prime Minister of Pakistan); Fellow, The World Academy of Sciences (2002); Fellow, Islamic World Academy of Sciences (2003); Fellow, LEAD-International (1998); Fellow, The Royal Society of Chemistry (2004); Fellow, Chemical Society of Pakistan (2001); Fellow, International Union of Pure and Applied Chemistry; Fellow, World Innovation Foundation (2006); Member, National Commission for Science and Technology; Vice President, Phytochemical Society of Asia; Member, Executive Board of Pakistan Atomic Energy Commission; Member, National Commission on Nanotechnology; Member, Board of Trustees of Pakistan Science Foundation; Member, National Commission on Biotechnology; Member, Board of Governors of Virtual University, Pakistan, 2008; Member, Board of Governors of Institute of Business and Emerging Sciences, Karachi; Member, American Chemical Society; Member, American Society of Pharmacognosy; The New York Academy of Sciences; Member, Federation of Asian Chemical Societies; Member, Executive Board of the Asian Network of Research on Anti-Diabetic Plants; Member, Steering Committee on Higher Education Pakistan (2002–2003); Member, Executive Council of AFASSA Network; Member, Swiss Chemical Society; Member, Inter Academy Study Panel (IAP), Amsterdam, The Netherlands; Member, Committee for Central Research Fund, Ministry of Health; Member, PTCL Research Board (2001–2004); Member, Syndicate of Federal Urdu University for Arts, Science and Technology; Member, Sectoral Committee on University-Industry Steering Committee (Pharmaceutical), HEC; Member, Selection Board of Pakistan Standards & Quality Control Authority; Member, Board of Studies of COMSATS University; Member, Board of Studies of Lasbella University, Uthal; Member, American Physiological Society, USA.

Research Areas:
Bioorganic Chemistry, Natural Products Chemistry.
Fayyazuddin

FELLOW: Elected 1977
Born in Ludhiana, India, on November 10, 1930

HEC Distinguished National Professor of Physics, National Centre for Physics, Quaid-i-Azam University campus, Islamabad

Tel: (Off) +92-51-207 7353; (Res) (92-51)-265 2822
Mob: 0334-553 4185; Fax: (92-51)-9205753
Email: fayyazuddins@gmail.com

Education:

Positions Held:
HEC Distinguished National Professor of Physics, Quaid-i-Azam University, Islamabad, 2005 to date; Professor of Physics, King Abdul Aziz University, Makkah, Saudi Arabia, 1988-1996; Professor of Physics, Ummal Qura University, Makkah, Saudi Arabia, 1985-1988; Professor of Physics, King Saud University, Riyadh, Saudi Arabia, 1980-1985; Professor of Physics, Quaid-i-Azam University, Islamabad, 1968-1980; Dean, Faculty of Natural Sciences, Quaid-i-Azam University, Islamabad, 1975-1977; Visiting Scientist, CERN, Geneva, Switzerland, 1973-1974; Research Associate, Rutherford Lab, UK, 1972-1973; Research Associate, Enrico Fermi Institute, University of Chicago, USA, 1966-1968; Senior Scientific Officer, Pakistan Atomic Energy Commission, 1962-1966; Lecturer, University of the Punjab, Lahore, 1956-1959.

Awards:
Hilal-i-Imtiaz, Govt. of Pakistan, 2000; Gold Medal (Jointly with Riazuddin), Pakistan Academy of Sciences, 1979; D. Dwyer Bhawani Dass Gold Medal, Govt. College, Lahore, 1951; Al-Khawarizmi International Award in Physics, 2003.

Fellowships/Memberships:
Fellow, The Academy of Sciences for the Developing World (TWAS); Member, National Center for Physics, Quaid-i-Azam

Research Areas:
Theoretical Particle Physics with emphasis on Gauge Theories, Chiral Symmetry, Heavy Quark Spin Symmetry and Phenomenology of Particle Interactions.

Gilani, Anwar-ul-Hassan

FELLOW: Elected 2002
Born in Faisalabad, Pakistan, on April 4, 1955

Vice Chancellor
The University of Haripur
Hattar Road, Haripur, KP

Tel: Off: (0995) 920600
Mob: 0300-296 8904; Fax: (0995) 620601
Email: ahgili@uoh.edu.pk

Education:

Positions Held:
Vice Chancellor, University of Haripur, 2019 to date; Chairman, Pakistan Council for Science & Technology, 2015-2018; Tandem Dean, Health Sciences, College of Health Sciences, Mekelle University, Ethiopia, 2013-2014; Distinguished National Professor, Higher Education Commission, 2004 to date; Pakistan Academy of Medical Sciences: Secretary General, 1999-2002, Scientific Secretary, 2002-2009; International Foundation for Science, Sweden: Scientific Advisor, 2000 to date; World Health Organization, Geneva: Advisor on Essential Medicine, 2006-2010; The Aga Khan University, Karachi: Chairman, Board of Graduate Studies, 20082009; Vice Chair, Research and Graduate Studies, 2008-2013, Director, PhD Program in Health Sciences, 2008-2013; Professor of Pharmacology, 1997 to date; Associate Professor, 1992-97; Assistant Professor, 1988-92; Senior Instructor, 1986-88; Lecturer, Bahauddin Zakariya University, Multan, 1979-86.

Awards:
Merit scholarship, from primary school to PhD; Boehringer International Research Award-1988 (Germany); National Book Foundation Research Awards, Ministry of Education, 1991 and 1994; Salam Prize in Biology, TWAS, The World Academy of Sciences, 1992; Ibn-Al-Hayatham Prize in Biological Sciences, 1995; Dutta reading Teacher Award by the Aga Khan University, 1996; Aga Hassan Abedi Gold Medal in Medical Sciences by Pakistan Academy of Sciences, 1999; Presidents Award for Pride of Performance, 2000; Dr. Israr-ul-Haq Award, Alumni Association of the University of Agriculture, Faisalabad; Sirata-i-Imtiaz by President of Pakistan, 2004; Professorship, Pakistan Academy of Medical Sciences, 2004; Life-Time Academic Achievement Award by the Higher Education Commission, Government of Pakistan, 2011; Dr Z.A. Hashmi R&D Gold Medal, Pakistan Science Foundation, 2014; Hilal-i-Imtiaz by the President of Pakistan, Government of Pakistan.

Fellowships/Memberships:
Fellow, TWAS-The World Academy of the Sciences; Fellow, Pakistan Academy of Medical Sciences; Fellow, IbnSinā Academy of Medieval Medicine and Sciences; Fellow, TWAS, The World Academy of Sciences; Board Member, International Society of Ethnopharmacology; Member, Drug Registration Board, Ministry of Health, 1999-2002; WHO Advisor on Traditional Medicine and Essential Medicine; Member, British Pharmacological Society, Biochemical Society (London); World Innovation Foundation; International Society for Medicinal Plant Research (Germany), International Society of Pharmaco-economics and Outcome Research (Founding President, Pakistan Chapter), Pakistan Hypertension League, Pakistan Nutrition and Dietetic Society.

Research Areas:
STI Policy, Natural Products Pharmacology with special interest on Medicinal Value of Food and Dietary Supplements (antihypertensive, antidiyslipidemic, hepatoprotective, antiinflammatory, antiurolithic, antiasthmatic, cardiotonic, laxative, antidiarrhoeal, prokinetics, antioxidant and anti-Alzheimer’s disease) and Lead Detoxifying Potential of Vitamin C. Translational Research in metabolic and cardiovascular studies.
Haleem, Darakhshan J

FELLOW: Elected 2013

Born in Pakistan, on February 22, 1952

Meritorious Professor Neuroscience
Dr. Panjwani Center for Molecular Medicine and Drug Research
International Center for Chemical and Biological Sciences University of Karachi, Karachi

Tel: 021-482 4924, 25
Email: djhaleem@uok.edu.pk

Education:  MSc and MPhil (Biochemistry), University of Karachi; PhD. (Neurochemistry) London University.

Positions Held:  Meritorious Professor Neuroscience, Dr. Panjwani Center for Molecular Medicine and Drug Research, International Center for Chemical and Biological Sciences, University of Karachi, Karachi, 2012 to date; Dean, Faculty of Science, University of Karachi, 2010-2012 & 2008; Chairperson, Department of Biochemistry, University of Karachi, 2005-2008; Coordinator, Natural Science, University of Karachi, 2001-2012; Founding Chairperson, Department of Biochemistry, Federal Urdu University of Arts, Science & Technology, 1978-1980; Assistant Professor, Department of Biochemistry, University of Karachi, 1980-1993; Professor, Department of Biochemistry, University of Karachi, 1993-2012.

Fellowships/Memberships:  Life Member, Pakistan Society of Biochemistry and Molecular Biology; Life Member, Pakistan Pharmaceutical Society; Life Member, International Brain Research Organization; Member Editorial Board of many international journals of Neurosciences; Member, Board of Faculty, Sir Syed University of Engineering and Technology, Karachi; Member Board Advanced Studies and Research (BASR), SUHAIL University.

Haq, Ikramul

FELLOW: Elected 2006

Born in Lahore, Pakistan, on March 5, 1952

Professor Emeritus/Director, Office of Research Innovation and Commercialization (ORIC), GC University, Lahore

Tel: +92 (42) 9921 4601, +92 (42) 9921 1634
Mob: +92 333-457 0401
Email: Ikmhaq@yahoo.com

Awards: HEC Best Teacher Award, 2002; Productive Scientist of Pakistan by PCST, (2002-2004, 2006, 2008-2012); Sitara-i-Imtiaz, Govt. of Pakistan, 2004; Fulbright scholarship, Cornell University, New York, USA, 2005; 2nd Asia’s B-School Award for outstanding contribution to education by CMO Asia, Singapore (2011); Education Leadership Award (2013) by World Marketing Summit, Malaysia; Dr. Z. A. Hashmi R&D Gold Medal by PSF for Productive Principal Investigator for the last one decade.

Fellowships/ Memberships: Member, College Implementation Committee for New System (1997-1999); Chairman, Award Committee (1997-1998); Chairman, Societies Board, GC University, Lahore (2001-2007); Pakistan Botanical Society: Joint Secretary (1990-1992); General Secretary (1998-2000); Vice President (2000-2002); President (2008-2011); General Secretary, Biological Society of Pakistan (2000 to date); Executive Member, Phytopathological Society of Pakistan (1992 to date); Vice-Chairperson, International Organization for Biotechnology and Bioengineering (2007-2008); Life-Member, Pakistan Botanical Society; Member, International Association of Science and Technology for Development (IASTED) (2003-2006); Member, Academic Council, GCU, Lahore; Member, Technical Committee of Biological Science, Pakistan Science Foundation Member; American Chemical Society; Biological Society of Pakistan; Member, Biotechnology Society of Pakistan; Member, Board of Studies (Botany), Quaid-i-Azam University, Islamabad; GC University, Lahore:Member, Core Group on Life Sciences; Convener, Board of Studies in Board of Intermediate and Secondary Education, Lahore; President, Pakistan Chapter of Federation of Asian Biotech Associations; Member, Board of Trustees & Selection Board, Pakistan Science Foundation; Member, Selection Committee, Nawaz Sharif Agriculture University, Multan; Member, Selection Board and Syndicate, GC University, Faisalabad; Member, Board of Studies and Academic Council, Biotechnology and Microbiology, BZ University, Multan; Member, Selection Board and Syndicate, UVAS, Lahore; Member, Board of Studies in Biotechnology, LCW University, Lahore.

Research Areas: Industrial Biotechnology and Microbiology.

Hashmi, Manzur-ul-Haque

FELLOW: Elected 1973

Born in Gujranwala, India, on August 22, 1928

Consultant, United Nations, 5-Linkers Colony, St John Park, 1 Abid Majid Road, Lahore

Tel: (92-42) 3666 2943, 3667 6382
Email: drmanzur_unep@yahoo.com

Research Areas: Analytical Chemistry; current emphasis on Emerging Environmental Issues.
Hasan, Rumina

FELLOW: Elected 2011

Born in Pakistan, on February 15, 1955

Professor, Department of Pathology and Microbiology, Aga Khan University, Karachi

Tel: (021) 3486 1640
Fax: (021) 3493 4294
Email: rumina.hasan@aku.edu

Education: M.B.B.S., University College Hospital, University of London 1980; M.Sc., London School of Hygiene and Tropical Medicine and The Royal Post-Graduate Medical School, University of London, 1983; Ph.D., London School of Hygiene and Tropical Medicine, University of London, 1990; MRC (Path), 1993; FRC (Path), 2000.

Positions Held: Senior Instructor, Dept Microbiology, Aga Khan University (AKU), Karachi, 1985 –1991; Assistant Professor, Dept Microbiology, AKU, 1991-1997; Associate Professor and Section Head, Clinical Microbiology, AKU, 1997- 2004; Acting Chairperson, Dept Pathology and Microbiology, AKU, 2003-2004; Professor and Chairperson, Dept Pathology and Microbiology, AKU, 2004-2010; Professor, Dept Pathology and Microbiology, AKU, 2010 to date.

Awards: Honorary Professor, Dept of Infectious and Tropical Diseases, London School of Hygiene and Tropical Medicine, UK, 2005-todate; Endowed Chair; Sultanali Kamruddin Jessani; Chair Dept of Pathology & Microbiology, AKU, 2008-2011; Adjunct Professor, University of Health Sciences, Lahore, 2008 to date; The Abdulaziz Hussainali Shariff Professor, Dept of Pathology & Microbiology, AKU, 2011. Aga Khan University Excellence in Research Award. November 2019.

Research Areas: Antimicrobial Resistance; Tuberculosis.
Hassan, Mashooda (Mrs)

FELLOW: Elected 2001

Born in Lucknow, India, on July 17, 1939

Apartment No. 03, Block No. 22,
PHA Apartments, G-7/1, Islamabad

Tel: (92-51) 289 0432
Mob: 0300-918 6932
Email: mashoodahasan_3239@yahoo.com

Education: Lucknow University, Lucknow, India: M.Sc., 1959; Johann Wolfgang University, Frankfurt/Main, Germany: Diploma Chem., 1966; Ph.D. (Dr.phil.nat.), 1968.

Positions Held: HEC Professor, Department of Chemistry, Allama Iqbal Open University, Islamabad, 2006-2008; Member, Federal Public Service Commission: 1999-2005; Adjunct Professor, HEJ Research Institute, University of Karachi, 1998-1999; Quaid-i-Azam University, Islamabad: Distinguished Professor 1998-1999; Acting Dean, Faculty of Natural Sciences, 1999; Meritorious Professor, 1993-1998; Chairperson, Department of Chemistry, 1975-1977, 1990-1993; Professor, 1977; Associate Professor, 1968; Pakistan Council of Scientific and Industrial Research (PCSIR), Karachi: Senior Research Officer, 1968; Research Officer, 1966-1968; Research Chemist, 1962-1965; Central Govt. College for Women, Karachi: Lecturer, 1960.

Research Areas: Isolation, synthesis and stereo-selective synthesis of pharmacologically active compounds and study of their stereochemistry and structure activity relationship.
Hayat, Tasawar

FELLOW: Elected 2006

Born in Khanewal, Pakistan, on January 1, 1969

Secretary General, Pakistan Academy of Sciences
Distinguished National Professor,
Department of Mathematics, Quaid-i-Azam University, Islamabad

Tel: 051-9064 2172 Fax: 051-921 9888
Mob: 0321-530 1691 Email: fmgpak@gmail.com

Positions Held: Quaid-i-Azam University, Islamabad: Professor, Dept. of Mathematics, 2011 to date; Associate Professor 2005-2009; Assistant Professor, 2000-2005, Lecturer, 1998-2000; Senior Research Associate, 1995-1998, Alexander Von Humboldt Fellow, Darmstadt University, F. R. Germany, 2001-2002; Visiting Mathematician, ICTP, Trieste, Italy, 2004; Visiting Scholar, University of Illinois, Urbana-Champaign, USA, 1999; Visiting Scholar, University of Witwatersrand, Johannesburg, South Africa, 2004-2005; Visiting Scholar, Mabatho University, Mafeking, South Africa, 2005; Honorary Associate Professor, University of Witwatersrand, Johannesburg, South Africa, 2007-2009; Guest Professor, Nanjing Southeast University, China; Distinguished Adjunct Professor, North China Electric Power University, Beijing, China; Distinguished Professor, China Petroleum University, Qingdao, China; Associate Adjunct Professor, Tsinghua University, Beijing, China; Visiting Professor, Chinese Academy of Sciences, Hefei, China; Visiting Professor/Adjunct Professor in Universities of Saudi Arabia, UAE and Malaysia; Visiting Professor, Beijing Normal University and Peking University, China

Awards: Obada Prize, 2021; Hilal-e-Imtiaz, Govt. of Pakistan, 2019; COMSTECH International Award, 2015; Gold Medal (Mathematics), Pakistan Academy of Sciences, 2006; Tamgha-i-Imtiaz, Sitara-i-Imtiaz, Govt. of Pakistan, 2005; 17th Khwarizmi International Award, Govt. of Iran, 2004; ISESCO International Prize, 2004; TWAS Young Scientist Award, 2000; M. Raziuddin Siddiqi Gold Medal, Pakistan Academy of Sciences, 1999; Prof. Abdus Salam Prize in Mathematics, 1999; Silver Medal in B.Sc., 1988.

Fellowships/ Memberships: Member, Syndicate, Quaid-i-Azam University, Islamabad, 2017 to date; Fellow, Third World Academy of Sciences, Italy; Fellow, Islamic World Academy of Sciences, 2012; Member, Task Force for Mathematics, Higher Education Commission, Pakistan; Member, Editorial Board, The Open Mechanical Engineering Journal, 2007; Member, Syndicate, Quaid-i-Azam University, 2006 to 2009; Member of Prof. Abdus Salam Prize Committee, 2005; Associate Editor, Islamabad Journal of Science, 2005; ICTP Associate, International Centre Memberships: for Theoretical Physics, Italy, 2004; Alexander von Humboldt Fellow, Darmstadt University, F.R. Germany, 2001-2002.

Research Areas: Wave Mechanics, Newtonian and Non-Newtonian Fluid Mechanics, Mathematical Modeling, Biomechanics, Differential Equations, Neural Networks, Environmental Dynamics
Hoorani, Hafeez-ur-Rahman

FELLOW: Elected 2017

Born in Karachi, Sindh, Pakistan on October 3, 1958

Director-General, National Center for Physics, Islamabad
Member, Joint CERN-Pakistan Committee
National Contact Physicist of Pakistan at CERN
Simons Associate of Abdus Salam International Center for Theoretical Physics (ASICTP)
Adjusting Professor of Physics, Quaid-i-Azam University, Islamabad

Tel: (92-51) 2077302; Mob: 0335-555 5579
Email: Hafeez.Hoorani@cern.ch, Hafeez.Harooni@ncp.edu.pk

Education: University of Karachi, Pakistan: BSc (Hons) Physics, 1980; M.Sc., 1982; Simon Fraser University, Vancouver, Canada: MPhil/MS, 1986; University of Geneva, Switzerland, Ph.D., 1995; Carnegie Mellon University Pittsburg, USA Post-doc, 1996.

Positions Held: Director-General, National Centre for Physics, Quaid-i-Azam University, Islamabad, Pakistan, 2014 to date; Adjusting Professor, Department of Physics, Quaid-i-Azam University, Islamabad, 2000 to date; Senior Research Physicist, European Organization for Nuclear Research (CERN), Geneva, Switzerland, 2013-2014; Scientific Director, Synchrotron-light for Experimental Science and Applications in Middle-East (SESAME) Project, Amman, Jordan, 2007-2013; Director Research, National Centre for Physics, Islamabad, Pakistan, 2004-2013; Professor of Physics - National Centre for Physics, Quaid-i-Azam University, Islamabad, Pakistan, 2002-2004; CERN Fellow, CERN, Geneva, Switzerland, 1999-2000; Senior Research Associate, Carnegie Mellon University, Pittsburgh, USA, 1996-1999; Research Associate, Eidgenössische Technische Hochschule (ETH) Zurich, Switzerland, 1995-1996; Research and Teaching Assistant, University of Geneva, Geneva, Switzerland, 1991-1995; Fellow of World Laboratory, CERN, Geneva, Switzerland, 1989-1991; Assistant Professor (Physics), University of Karachi, Karachi, 1987-1999; Research and Teaching Assistant (Physics), Simon Fraser University, Canada, 1983-1986; Lecturer (Physics), Govt. Degree College, Karachi, 1982-1983.

Awards: Sitara-i-Imtiaz, 2019; Number one Productive Scientist of Pakistan, 2016; University of Karachi Awards: Galadari Gold Medal; Subrung Gold Medal; Philips Gold Medal, 1982.

Fellowships/Memberships: Member, Joint CERN-Pakistan Committee; Pakistan Coordinator for the World Federation of Scientists; Member, Scientific Advisory Board of LinkSceem Project Funded by the European Union (EU) under FP7 Program; Member, Asian Commission for Future Accelerator (ACFA); Member, International Commission for Future Accelerator Standing Committee on International Connectivity (ICFA SCIC); Member, International Advisory Committee for Computing High-Energy Physics (CHEP); Member, CMS Muon Technical and Institution Board; Member, CMS Management Board; Member, CMS Finance Board.

Research Areas: Particle Physics
Husnain, Tayyab

FELLOW: Elected 2017

Born in Faisalabad, on February 1, 1960
Professor & Director
Centre of Excellence in Molecular Biology
University of Punjab, Lahore

Tel: (92-42) 35293127; Mob: 0321-408 7024
Email: director@cemb.edu.pk, tayyabhusnain@yahoo.com

Education:

Positions Held:
Director, Centre of Excellence in Molecular Biology, University of the Punjab, Lahore, 2010 to date; Professor, Centre of Excellence in Molecular Biology, 2006 to date; Associate Professor, Centre of Excellence in Molecular Biology, 1999-2006; Assistant Professor, Centre of Excellence in Molecular Biology, 1990-1999; Lecturer, Centre of Excellence in Molecular Biology, 1985-1986; Research Officer, Centre of Advanced Molecular Biology, 1984-1985; Senior Scientific Assistant, Nuclear Institute for Agriculture and Biology (NIAB) Faisalabad, 1983-1984.

Awards:
8th Invention to Innovation Summit, Gold Medal and Cash Award, 2019; 7th Invention to Innovation Summit, Gold Medal and Cash Award, 2018; Satha Invention Award, Gold Medal and Cash Award: 2016, 2017, PAS Gold Medal, 2016; Taghmae-Imtiaz, Govt. of Pakistan, 2008; Izaz-i-Fazeelat, 2005; Recognition Shield Award by Ministry of Textile Industry, 2014; Outstanding Scientists Award in Biotechnology, 2009; President Award of Academic Staff Common Wealth Fellowship in United Kingdom, 2003; Certificate of Accomplishment for leading a highly successful project in rice and cotton presented by CEMB, 1997; Award for excellence in research to improve agricultural productivity in Pakistan by PARC-BOSTID, the U.S. National Academy of Science, 1994; Award of Science and Technology Scholarship in the field of Genetic Engineering and Biotechnology, 1986.

Fellowships/Memberships:
Member, International Society of Biosafety Research; Member, Genetical Society, U.K; Member, Pakistan Society of Biochemists; Member, International Association for Plant Tissue Culture; Member, Advisory Board CABB, Faisalabad; Member, Board of Governor CASVAB, Quetta; Member, Technical Advisory Committee, (TAC), Pakistan Environmental Protection Agency, Islamabad; Member, Quarterly Y Journal of Agriculture Research; Member, Editorial Board, Plant Chemistry and Ecophysiology.

Research Areas:
Molecular Biology.
Hussain, Rabia

FELLOW: Elected 2006

Born in India, on August 8, 1946

Department of Pathology and Microbiology, The Aga Khan University (retired)

17/3/A, Hashim Tabba Road, Mohammed Ali Housing Society, Karachi, Pakistan

Tel: (92-21) 343 86257
Mob: 0300-829 2022
Email: professsorrabiahussain@gmail.com

Education:
University of Karachi: B.Sc (Hons) 1966; M.Sc. 1967; University of Western Ontario, Canada: PhD, 1973; MRC (Path) 1989; FRC (Path) 1997.

Positions Held:
Ghulamali Hirji Professor of Microbiology, The Aga Khan University, 1990-2012; Chair, Department of Microbiology, The Aga Khan University, 1999-2003; HEC Distinguished National Professor, 2004; Visiting Professor: London School of Hygiene and Tropical Medicine, London UK, 1995-2012; Case Western University, Cleveland, Ohio, USA, 1995; AQ Khan Institute of Biotechnology and Genetic Engineering (KIBGE), University of Karachi, 2004; Associate Professor and Acting Chair, Department of Microbiology, The Aga Khan University, 1986-1990; Senior Staff Fellow, National Institutes of Allergy and Infectious Disease, National Institute of Health (NIH), USA, 1981-1985; Collaborative Researcher NIH, 1979-1981; Instructor, Department of Medicine, Johns Hopkins University, 1976-1979; National Research Council (USA) Research Associate, Naval Medical Research Institute, National Naval Medical Center, USA, 1973-1975; Teaching Assistant, Department of Bacteriology and Immunology, University of Western Ontario, Canada, 1970-1972; Assistant Lecturer, Department of Microbiology, University of Karachi, 1968-1969.

Awards:

Fellowship/ Membership:
Pakistan Society of Immunology, Fellow/ Elected Patron, 2012-2017; Islamic World Academy of Sciences, 2008; Elected Council Member, International Leprosy Association, 2007 to date; Pakistan Association of Medical Sciences, 2000; The Academy of Sciences for Developing World (TWAS), Trieste Italy, 2001; Royal College of Pathologist, 1997; Member: International Basic Sciences Program of UNESCO, 2015-2018; Elected Council Member and Vice President (South and Central Asian region), TWAS, 2013-2016; Governing Body of Marie Adelaide Leprosy Center, Pakistan, 1990 to date; International Leprosy Association, 1990; American Society of Tropical Medicine and Hygiene, 1985; American Association of Immunology, 1980; Academy of Allergy and Immunology, 1979; New York Academy of Science, 1978; Editor, Medical Journal of Islamic World Academy of Sciences (IAS), 2011 to date; Editor, Mycobacterial Diseases OMICS Publishing Group, 2007-2011; Associate Editor, Journal of Immunology, 1984-1986.

Research Areas:
Immunonology of Infectious Diseases, Biomarkers, Cytokines and Antibodies.
Ikram, Aamer

FELLOW: Elected 2020

Born in Rawalpindi, on March 3, 1963

Executive Director National Institutes of Health, Pakistan

Home Address: House 74, Street 3, DCI, Islamabad

Mob: 03215170713
Email: maahin1@yahoo.com

Education: MBBS in 1987; Diploma in Pathology 1990; MCPS Clinical Pathology (1991); Fellowship (FCPS) Microbiology 1998; Clinical Training in the UK (2005); and PhD 2014; Diploma Occupational Safety Health & Environments 2008; Diploma Disaster Management 2010; Certificate in Emerging Infectious Diseases from University of Iowa 2010; Dual-Use Biosecurity from Bradford University 2010; Excellled in the fields of biosafety, biosecurity and infection control accomplishing courses from Harvard, Oxford, South Florida, Iowa, Chester, Bradford, UN, WHO, CDC, ABSA, etc.; Registered Biosafety Professional (RBP) from American Biological Safety Association (US); Biosafety Professional (BSP) from Institute of Safety in Technology & Research (UK); and IFBA Certified Professional status.

Positions Held: Executive Director National Institutes of Health Pakistan since August 2017; Ex: ED PHRC, HOTA, Common Management Unit; Professor and Consultant Microbiology Armed Forces; Chair Board of Directors International Federation of Biosafety Associations (IFBA); Chair Advisory Board Training Program in Epidemiology & Public Health (TEPHINET) Atlanta; Member of Biosecurity & Health Security Protection (BSP) WHO & Chair Law Enforcement & Public Health (LEPH) Group; Executive Board International Association of National Public Health Institutes (IANPHI); Executive Council of International Society for Infectious Diseases; Global Health Delivery Faculty, Harvard School of Public Health; Adjunct Faculty Emory University; SME International Organization for Standardization ISO-35001 Working Group; Mentor Next Generation Global Health Security Network; Ex-International Ambassador Society for Healthcare Epidemiology America; Ex-Focal Point of Expertise for Medical Research and now Co-Chair Biological Sciences Committee, Higher Education Commission (HEC); Convener Microbiology Pakistan Health Research Council; and member multiple National Working Groups.

Awards: Hilal-e-Imtiaz (Military) 2021; Sitara-e-Imtiaz (Military) 2014; IFBA Biosafety Heroes Award 2011 International Federation of Biosafety Associations.

Fellowships/Memberships: Fellowship in Public Health from Royal Colleges UK (2018); FRCP by Royal College of Pathologists London (2014); Fellow Royal Society of Tropical Medicine & Hygiene (2014); FRCP by Royal College Edinburgh (2012); Fellow College of Pathologists Pakistan (2009); International: Chatham House; International Academy of Pathologists; International Society of Infectious Diseases; International Association of National Public Health Institutes; International Federation of Infection Control – Associate Member; International Nosocomial Infection Control Consortium; International Society of Chemotherapy for Infection & Cancer; International Federation of Biosafety Associations – Member Academic Bd; International Organization for Standardization ISO-35001 Working Group; American Society for Microbiology; American Association for the Advancement of Science; Society for Healthcare Epidemiology of America; Royal Society for Tropical Medicine & Hygiene, UK; Institute of Safety in Technology & Research, UK – MISTR; Healthcare Infection Control Society, UK; American Biological Safety Association ; European Biological Safety Association; Belgian Biosafety Professionals; EpiCore - Certified Member; WHO Save Lives; Stop TB Diagnostic Working Group; Medical Research Support (MediciReS), New York US (Gold Member); African Society for Laboratory Medicine; Asian Council of Science Editors; National: Pakistan Biological Safety Association (PBSA) – President; Medical Microbiology & Infectious Diseases Society Pakistan (MMIDSP) - President 2015; Pathologists Association of Pakistan (PAP) – Member; Health Research Advisory Board (HealthRAB); Infection Control Society of Pakistan (ICSP); Pakistan Society for Microbiology (PSM).

Research Areas: GHSA, COVID-19, Emerging and Re-emerging Infections, Hospital Infection Control, Biosafety, Biosecurity and DURC, Tuberculosis, Fungal Infections, Genomics, Vaccines, etc.
Iqbal, Mohammad Perwaiz

FELLOW: Elected 2002

Born in Pakistan, on August 12, 1949

Department of Life Sciences, 
University of Management and Technology, Lahore
Department of Biological & Biomedical Sciences, 
The Aga Khan University, Medical College, Stadium Road, Karachi

Tel: Res: (042) 32187167
Mob: 0314-221 5542
E-mail: perwaiz.iqbal@aku.edu; mohammadperwaiziqbal@gmail.com

Positions Held: Program, 2013-2019; Interim Chair, Department of Biological & Biomedical Sciences, 2009-2010 & 2015-2019; Acting Chair, Department of Biochemistry, 1983-86; Associate Professor of Biochemistry, 1986-91; Assistant Professor of Biochemistry, 1983-86; Assistant Professor, SUNY-Downstate Medical Center, New York, 1982-83; Instructor, SUNY-Downstate Medical Center, New York, 1980-82; Research Assistant, New York Medical College, New York, 1974-80; Research Assistant, Pakistan Medical Research Center; International Center for Medical Research & Training, University of Maryland, USA, 1971-74.

Fellowships/ Memberships: NUST Distinguished Visiting Professor, National University of Science & Technology, Islamabad, 2013 to date; Fellow, Pakistan Society for Biochemistry and Molecular Biology, 2003; Chairman, Medical Research Society of Pakistan, 2000-2003; General Secretary, Medical Research Society of Pakistan, 1998-2000; Fellow, Pakistan Academy of Medical Sciences, 1992; Member, Biochemical Society, London, 1988 to date; Member, International Association of Medical Science Educators, 2004 to date; Life member Pakistan Pharmacological Society, 1991; Life Member, Pakistan Society for Biochemistry & Molecular Biology, 1991; Editor, Pakistan Journal of Biochemistry and Molecular Biology; Member, Board of Studies, Institute of Biochemistry & Biotechnology, University of the Punjab, 2001-2003; Member, Board of Studies, National Center for Proteomics, University of Karachi, 2010-2014; Adjunct Professor, Dr. Punjwani Center for Molecular Medicine and Drug Research, University of Karachi, 2010 to date; Fellow, Zoological Society of Pakistan, 2021; Prof. Muzaffar Ahmad Life Time Achievement Award 2021, Zoological Society of Pakistan.

Research Areas: Folate Metabolism, Enzymology, Gene Polymorphism, Vitamins’ Deficiency and Development of Coronary Artery Disease, Vitamin D and Diabetes Mellitus, Effect of Climate Change on Health, Hyperhomocysteinemia.
Jan, M. Qasim

FELLOW: Elected 1990

Born in Hangu, Khyberpakhtunkhwa, on January 10, 1944

Distinguished National Professor (Emeritus),
University of Peshawar, Peshawar

Tel: (92-51) 922 5159
Mob: 0333-911 6467
Email: mqjan@yahoo.com

Education:

Positions Held:
President, Pakistan Academy of Sciences (PAS), 2018-2020; Vice President, Alliance of International Sci. Organizations (ANSO) in the Belt & Road region, 2018-2021; Founding Member, International Disaster Risk Reduction (ANSO-DRR) organization, 2020; Advisor COMSTECH, Islamabad, 2011-2020; Distinguished National Professor (of HEC), 2004; Prof. Emeritus, National Center of Excellence in Geology (NCE Geol), UoP, 2010; Vice President, PAS, 2011-2012; Secretary General, PAS, 2007-2010; Secretary General, Association of the Academies of Sciences in Asia, 2008-2012; Vice Chancellor (VC), Quaid-i-Azam University, Islamabad, 2005-2009; VC, Sarhad University, Peshawar, 2001-2003; VC, UoP, 1997-2000; Dean Faculty of Science, UoP, 1997; Director, NCE Geol, UoP, 1988-2000; Visiting Professor, Univ. of Oregon, USA, 1994-1995; Professor UoP, 1983; Associate Professor, 1979. Remained member of many BoGs, BoTs, Academic Committees, Syndicates & Sennates of various institutions.

Awards:

Fellowships/
Memberships:

Research Areas:
Geology, Mineralogy, Petrology, Geochemistry, with emphasis on tectonics and crustal evolution of the Kohistan magmatic arc (northern Pakistan), Chagai-Raskoh magmatic arc (Balochistan) and Nagar Parkar igneous complex (southeast Sindh).
Iqbal, Muhammad

**FELLOW: Elected: 2011**

Born in Gujrat, Pakistan, on June 15, 1958

Dean, Faculty of Sciences
Director, Office of Research, Innovation and Research (ORIC),
The University of Lahore, Lahore

Tel: +92-42-111-865-865-5175
Mob: 0323-431 9393
Email: iqbalm@fulbrightmail.org

**Education:**
University of Karachi, Karachi, Pakistan; B.Sc. (Hons), 1981; M.Sc., 1982; Quaid-i-Azam University, Islamabad, Pakistan: M.Phil., 1985, University of Sheffield, Sheffield, UK; Ph.D., 1990.

**Positions Held:**
Professor, Dean, Faculty of Sciences and Director, Office of Research, Innovation and Commercialization, The University of Lahore, Lahore, 2021-Date; Director General, National Physical and Standards Laboratory, 2016- date; Member (Science), PCSIR, Ministry of Science and Technology, Islamabad, 2015-2016; Director General, Centre for Applied Molecular Biology (CAMB), Ministry of Science and Technology (MoST), Lahore, 2011-2015; Chief Scientific Officer/Head, Food & Biotechnology Research Centre, Pakistan Council of Scientific and Industrial Research (PCSIR), Lahore, 2008-2011; Principal Scientific Officer, PCSIR, Lahore, 2003-2006; Postdoctoral Research Associate, University of Sheffield, UK, 2002-2003; Post-doc, 2006-2007; Principal Scientific Officer, PCSIR, Lahore, 2000-2002; Senior Scientific Officer, PCSIR, 1998-2000; Postdoctoral Research Associate, University of Kiel, Kiel, Germany, 1996-1998; Post-doc, 1996-1998; University of Alaska, Fairbanks, Alaska, USA; Senior Scientific Officer, PCSIR, Lahore, 1990-1996; Research Associate, University of Sheffield, Sheffield, U.K., 1986-1990; Junior Research Associate, Quaid-i-Azam University, Islamabad, 1983-1985; Research Fellow, Quaid-i-Azam University, Islamabad, 1982-1983.

**Awards:**
Sitara-i-Imtiaz, 2016; Tamgha-i-Imtiaz, 2009 by President of Pakistan; Ranked Category “A” Productive Scientist of Pakistan, Pakistan Council of Science and Technology, (PCST), 2010-2011; Gold Medal, Pakistan Academy of Sciences, 2008; Senior Fulbright Postdoctoral Award, USA, 2006-2007; Research Productivity Award, by PCST, 2002-2013; Alexander von Humboldt Postdoctoral Award, Germany, 1996-1998; Young Scientist of the Year in South Asia, TWAS, Italy, 1995; Overseas Research Student Award, UK, 1986-1989; S&T National Talent Pool Scholarship Award, Government of Pakistan, 1986-1990; Academic Merit Certificate - M.Phil. (First Position), Quaid-i-Azam University, Islamabad, 1985; Certificate of Appreciation, United States Department of Agriculture (USDA), USA, 1984; Academic Merit Certificate - M.Sc. (2nd Position), University of Karachi, Karachi, 1982.

**Fellowships/ Memberships:**
Member, Board of Trustees of Pakistan Science Foundation, GoP, 2017-2020; Member, Expert Group of Ministry of Science and Technology, GoP, 2015-2017; Member, Pakistan Madrassah Education Board, Ministry of Religious Affairs and Interfaith Harmony, GoP, 2016-2018; Associate Secretary General, Pakistan Academy of Sciences, 2015-2017; Life Member, Pakistan Botanical Society; Member, American Society of Microbiology, 2006; Member, American Chemical Society, 2006; Member, Water Resources Association, Alaska, USA, 2007.

**Research Areas:**
Plant/Microbial/ Environmental Biotechnology.
Iqbal, Muhammad Zafar

FELLOW: Elected 1998

Born in Rawalpindi, Pakistan, on January 8, 1949

Professor Emeritus in Physics,
Quaid-i-Azam University, Islamabad

Tel: (Res): 051-226 4985
Mob: 0332-512 0162
Email: mzi8149@yahoo.com, mziqbal49@gmail.com

Education:

Positions Held:
Quaid-i-Azam University, Islamabad, Chairman, Department of Physics, 1999-2001, Professor of Physics, 19912009; Associate Professor of Physics, 1985-1991, Senior Lecturer/Assistant Professor in Physics, 1970-1985; Visiting Scientist, Technical University, Berlin, Germany, June 1995-Sep.1995, Jun. 1997-Sep. 1997; Visiting Scientist Electrotechnical Laboratory, Tsukuba, Japan, Jan. 1996-Aug 1996; Visiting Scientist, Department of Physics, King’s College, London, 1992-1993; Visiting Scientist, Department of Solid State Physics, University of Lund, Sweden, 19831984; Post-Doctoral Fellow, University of Manchester, UK, 1974; Research Fellow, Physics Dept., University of Islamabad (Quaid-i-Azam University), 1969-1970.

Awards:
First Prize, National Book Council of Pakistan, Ministry of Education, Govt. of Pakistan, 1988; Gold Medal, Pakistan Academy of Sciences, 1993; Pride of Performance Award, Govt. of Pakistan, 1998; Sitara-e-Imtiaz, Government of Pakistan, 2004; National Education Award, Pakistan Education Forum, 1997-98.

Fellowships/ Memberships:
Fellow, Institute of Physics, UK, 1996; Member, American Physical Society; Member, Institute of Electronics Engineers (IEEE), USA; Founding Member and Chairman, Pakistan Society for Semiconductor Science and Technology; Member, American Association for the Advancement of Science (AAAS), USA; Member, Editorial Advisory Board of Materials Science Forum Trans. Tech. Publication, Switzerland, 1996 to date; Associate of International Centre for Theoretical Physics, Trieste, Italy, 1985-1991; Associate of International Centre for Science and High Technology, Trieste, Italy, 1991.

Research Areas:
Experimental Solid State Physics (semiconductor physics): characterization of semiconductor materials and devices with particular focus on defect studies, silicon and a variety of compound semiconductors using DLTS, photocardiaceptance, photoluminescence and related techniques, growth of single crystals of semiconductors using Czochralski technique, synthesis and characterization of new high temperature superconductors.

Jan, Rasul

FELLOW Elected: 2014

Born in Swat, Khyber Pakhtunkhwa, Pakistan, on June 24, 1952

Professor Emeritus, Institute of Chemistry, University of Peshawar, Peshawar

Mob: 92-2469141777
Email: rasuljan@yahoo.com

Education:
M.Sc. (Chemistry) 1976, M.Phil. (Chemistry) 1979, University of Peshawar; Ph.D. 1983, University College Cork, Ireland.

Positions Held:
Post-Doctoral Research Fellow, University College Dublin, Ireland, 1983-1985; Assistant, Associate and Professor, University of Peshawar, 1985-2012; Professor Emeritus, University of Peshawar, 2013; Chairman, Department of Environmental Science, University of Peshawar, 1999-2001; Director, Institute of Chemical Sciences, University of Peshawar, 2005-2008; Fulbright Scholar, New Mexico State University, USA, 2003-2004; Visiting Scientist, the Bio Design Institute, Arizona State University, USA, 2005; Vice Chancellor, University of Malakand, 2008-2012; Vice Chancellor, University of Peshawar, 2013-2017; Vice Chancellor, University of Poonch, Rawalakot, Azad Kashmir, 2017-Feb. 2022.

Awards:

Fellowships/ Memberships:
Fellow, Chemical Society of Pakistan, 1994.

Research Areas:
Khalid, Ahmad Mukhtar

FELLOW: Elected 2005

Born in Lahore, India, on March 1, 1945

Consultant, Qarshi University, Lahore

Mob: 0300-865 1900
Email: amkhalid1945@gmail.com

Education:
Government College, Lahore: M.Sc. (Hons), 1965; University of New South Wales, Australia: Ph.D. (Biotechnology), 1979.

Positions Held:
Vice Chancellor, Government College University, Faisalabad, 2009; National Institute for Biotechnology and Genetic Engineering (NIBGE): Advisor to Member, 2006 to 2009; Director, NIBGE, 2000 to 2006; Chairman, School of Biotechnology, Quaid-i-Azam University, Islamabad, 2000 to 2006; Member BOG, International Centre for Genetic Engineering and Biotechnology, (ICGEB) Trieste, Italy; Liaison Officer, ICGEB, Trieste, Italy; Visiting Professor of Biotechnology, University of Kentucky, Lexington, 1985-89; Senior Scientist, CSIRO and School of Biological Sciences, Maquarie University, NSW, Australia; Project Scientist (Academic), University of NSW, Australia.

Awards:
Tamgha-i-Baqa, (Pakistan Nuclear Testing); Roll of Honor, Government College, Lahore; Presidential Medal for Science & Technology, 2008.

Research Areas:
Bioprocess Technology, Fermentation Technology; Biotechnology of Fossil Fuels; Biotechnology of Non-replenishable Resources (Minerals, etc), Bioelectronics and Biosensors.

Khalid, Fazal Ahmad

FELLOW: Elected 2007

Born in Kasur, Pakistan, on December 31, 1957

Rector, GIK Institute of Engineering Sciences and Technology, Topi-23640 KP

Tel: +92 938 281039
Fax: +92 938 281054
Mob: 0300-509 9361
Email: rector@giki.edu.pk

Education:

Positions Held:

Awards:

Research Areas:
Khan, Arshad M.

**FELLOW: Elected 1992**

Born in Malegaon, District Nasīq, India, on May 29, 1938

House No. 8, Main Double Road, F-10/2, Islamabad

**Tel:** (Res) (92-51) 221 4139, 210 5670  
**Mob:** 0300-856 5236  
**Email:** drarshadmkhan@yahoo.co.uk

**Education:** University of Karachi: B. Sc. (Hons), 1958, M. Sc., 1959; University of Birmingham, UK: Ph.D., 1964.

**Awards:** Gold Medal (1st Position), Karachi Board, 1953; Merit Award for Outstanding Performance, International Atomic Energy Agency, 1998; Gold Medal, Pakistan Academy of Sciences, 1986.

**Fellowships/Memberships:** Member, Board of Trustees, Asian and Pacific Energy-Environment Planning Network (APENPLAN), Asian and Pacific Development Center, Kuala Lumpur, 1993-1996; Member and National Team Leader, Energy and Nuclear Power Planning Study of Pakistan, PAEC/IAEA, 1994-1996, Member and Team Leader/ Coordinator, IAEA Project on Development of Indicators for Sustainable Energy Development, 1999-2001; Member/Secretary, Pakistan Planning Commission’s Task Force on Climate Change, 2008-2010; Member, Committee for Formulation of Pakistan’s National Climate Change Policy, 2010-2012.

**Research Areas:** Nuclear Physics; Energy-economy-environment Systems Analysis and Planning for Sustainable Energy Development; Power System Expansion Planning; Nuclear Power Planning; Global Climate Change and Its Implication for Pakistan.

---

Khan, Hameed Ahmed

**FELLOW: Elected 1990**

Born in Rangoon, Burma, India, on May 1, 1942

H # 172, St. 36, F-10/1, Islamabad

**Tel:** (92-51)-926 6950  
**Mob:** 0300-856 5445  
**Email:** drhakhan@comsats.net.pk

**Positions Held:** Executive Director, COMSATS, 2000-2008; Pakistan Institute of Nuclear Science and Technology (PINSTECH): Scientist Emeritus; Director General, 1996-2000; Associate Director, 1994-1996; Head, Radiation Physics Division, 1992-1994; Chief Scientific Officer, 1986-1994; Principal Scientific Officer, 1977-1986; Senior Scientific Officer, 1972-1977; Scientific Officer, 1965-1972; Chief Scientist, Pakistan Atomic Energy Commission (PAEC), 1994; Visiting Professor, Bahauddin Zakarayia University, Multan, Pakistan.

**Fellowships/Memberships:** Fellow, Islamic Academy of Sciences, 1988; President, International Nuclear Track Society, UK, 1985; Fellow, Alexander von Humboldt (AVH), Philips University, Marburg, Germany, 1975; Member, Board of Studies in Physics, Quaid-i-Azam University, Islamabad, Pakistan; Member, Editorial Board, Radiation Effects (an International journal), Gordon and Breach Science, UK; Member, Radiation Measurements, a journal published in UK; Editor-in-Chief, The Nucleus, (published by Pakistan Atomic Energy Commission), 1993; Member, Editorial Board, Science International (a Pakistan Scientific Journal), 1993; National Counterpart, Joint UNDP/ PCA/ IAEA Project, “Better Management of Environment, National Resources and Industrial Growth through Isotopic and Radiation Technology”, 1997.

**Research Areas:** Nuclear Physics, Radiation Physics, SSNTDs Reactor Physics.
Khan, Iqrar Ahmed

**FELLOW: Elected 2007**

Born in Sheikupura, Pakistan, on December 8, 1953

Vice Chancellor, University of Agriculture, Faisalabad, Pakistan

Tel: (92-41) 9200 200
Mob: 0300-866 0569
Email: iqrarahmadkhan2008@gmail.com

**Education:**
- PhD, University of California, Riverside, USA, 1988; MS, University of California, Riverside, USA, 1984; M.Sc (Hons), University of Agriculture, Faisalabad, Pakistan, 1976; B.Sc (Hons), University of Agriculture, Faisalabad, Pakistan, 1974.

**Positions Held:**
- Vice Chancellor, 2008 to date; Professor Emeritus University of Agriculture, Faisalabad, 2019 to date; Distinguished National Professor, 2017 to date; Ela Bhatt Professor, University of Kassel-Germany, 2019-2020; Vice Chancellor, MNS University of Agriculture, Multan, 2015 to 2016; Founder/COP U.S. Pakistan Center for Advanced Studies in Agriculture and Food Security, University of Agriculture, Faisalabad (UAF), 2014-2019; Visiting Professor, CREC-University of Florida, Lake Alfred, USA, 2001-2005; Vegetable Crops Specialist, Sultan Qaboos University, Muscat, 1997-2008; Professor of Horticulture, University of Agriculture, Faisalabad (UAF), 1995-2013; Associate Professor, UAF, 1990-1995; Assistant Professor, UAF, 1988-1990; Research Assistant, University of California, Riverside, 1983-1988; Lecturer, UAF, 1977-1983; Chief Scientist/Director NIAB/Director General (Agriculture and Biotechnology), Pakistan Atomic Energy Commission, 2005-07; Founder/ Director, Center for Agricultural Biochemistry and Biotechnology, UAF, 199697; Director, Agricultural Experiment Station/Assistant Dean, SQU-Muscat, 1999-2000; Founder/Officer In charge, Plant Tissue Culture Cell, UAF, 1989-1997.

**Awards:**
- Ordre des Palmes Académiques, Civil Award by the Government of France, with the Grade of Officer, 2015; Islamic Development Bank Prize in S&T for UAF, 2012; Sitara-e-Imtiaz by Government of Pakistan; Honor Rolls, University of California, Riverside, USA, 1988; Sigma Xi, 1988; Gamma Sigma Delta, 1984; Phi Beta Kappa - MS, University of California, Riverside, USA, 1984; Silver Medal - M.Sc (Hons), University of Agriculture, Faisalabad, 1976; Bronze Medal - B.Sc (Hons), University of Agriculture, Faisalabad, 1974.

**Fellowships/ Memberships:**
- Senior Research Fellow-Pakistan Institute of Development Economics, 2020-21; Fellow, Pakistan Academy of Sciences, 2007; Postdoctoral Fellowship in Cell Biology, University of California, Riverside, USA, 1988; Rockefeller Foundation Biotechnology Career, Fellowship University of California, Riverside, 1990-1993; Visiting Fellow, Cambridge University, Cambridge, UK, 1996; DAAD Fellowship in Tropical Agriculture, University of Kassel, Germany, 2001; Summer Visiting Professorships in Citrus Genetics and Breeding, University of Florida-Citrus Research and Education Center, Lake Alfred, 2000-2005; Executive, International Society for Citriculture (USA), since 1992; Member, Federal Agriculture Committee, 2006-07; Member, Pakistan Central Cotton Committee, 2006-07; Elected Member, University Syndicate, UAF, 1994-95; Elected Member, University Senate, UAF, 1980-83; Member, International Organization of Citrus Virologists (USA), International Society for Horticultural Science (Belgium), European Association for Potato Research (Netherlands), Florida State Horticultural Society, Botanical Society of Pakistan, Pakistan Association for Advancement of Sciences, Punjab Cooperative Fruit Development Board, Farmers Association of Pakistan, Soil Science Society of Pakistan, Pakistani Phytopathological Society, American Society for Horticultural Science, Botanical Society of America, American Association for Advancement of Sciences-Pacific Division, Cucurbit Genetics Cooperative, Apomixis Research Group, CYMMIT (Mexico), Islamic Development Network/IDB, Human Development and Capability Association/HDCA, Civic Bodies (USA, Oman, Pakistan); Life Member, Pakistan Botanical Society and Pakistan Zoological Society.

**Research Areas:**
- Crop Improvement/Food security, Citrus Genetic, Biotechnology and Virology
Khan, Khalid Mahmood

**FELLOW: Elected 2000**

Born in Faisalabad, India, on June 15, 1941

President, Pakistan Academy of Sciences
Professor Emeritus, University of Agriculture (UAF), Faisalabad

**Address:** Pakka Mari, Tariq Abad, Faisalabad

**Mob:** 0300-856 7687
**Email:** khalidkmkhan41@yahoo.com; president@paspk.org

**Education:**
University of the Punjab, Lahore, Pakistan: M.Sc. (Biochemistry), 1966; University of Edinburgh, UK: PhD (Biochemistry), 1970.

**Positions Held:**
President, Pakistan Academy of Sciences, (2021-to date); Professor Emeritus, University of Agriculture, Faisalabad; Vice President, Pakistan Academy of Sciences; Secretary General, Network of Academies of Sciences in OIC Countries (NASIC), 2004 to date; Vice Chancellor, University of Arid Agriculture, Rawalpindi, 2001 to 2012; Chairman, Pakistan Science Foundation, 1996-2001; Chairman, Pakistan Council for Scientific and Industrial Research, Islamabad, 1998-1999 (additional charge); Director Research, University of Agriculture, Faisalabad, 1994-1996; Director, Center for Biochemistry and Biotechnology, University of Agriculture, Faisalabad, 1994-1996; Professor and Chairman, Department of Biochemistry, University of Agriculture, Faisalabad, 1993-1996.

**Awards:**

**Fellowships/ Memberships:**
FAO Postdoctoral Fellowship, 1989; President, Pakistan Society for Biochemistry and Molecular Biology, 2001-2002; Member, Pakistan Society for Advancement of Sciences; Life Member, Pakistan Society of Biochemistry and Molecular Biology; Life Member, Scientific Educational Social Council of Biochemists; Secretary General, Pakistan Academy of Sciences, 2003-2006.

**Research Areas:**
Enzymatic elucidation of the structure of starch molecule and its components; Assessment of molecular configuration of starch molecules; Developed a new enzymatic method for determination of the number average degree of polymerization (DPn) of the linear amylase-type polysaccharides; Detection and quantification of soil enzymes and their correlation with soil fertility; Enzymes present in rhizosphere as exudation from plant roots and biological activity of soil microflora and fauna; Assessment of soil fertility and presence of soil microflora on enzyme basis; Study of molecular factors involved in HCV infection and interferon therapy.

---

Khan, Khalid Mohammed

**FELLOW: Elected 2010**

Born in Nawabshah, Pakistan, on January 12, 1960

Professor, University of Karachi, Karachi

**Tel:** +922134824910, +922199261718
**Mob:** 0300-218 7073
**Email:** khalid.khan@iccs.edu, drkhalidhej@gmail.com

**Education:**
University of Karachi, Pakistan, Ph. D., 1992; Quaid-i-Azam University, Islamabad, Pakistan; M.Sc., 1985; B.Sc. University of Sindh, Jamshoro, Pakistan, 1981.

**Positions Held:**
Professor, University of Karachi, Karachi, 2008 to date; Associate Professor, University of Karachi, Karachi, 2003 to 2008; Assistant Professor, University of Karachi, Karachi, 1997 to 2003; Senior Quality Control Officer, Lederle Laboratories Division, Cyanamid (Pakistan), Karachi, 1996 to 1997; Postdoctoral Fellow, Tübingen University, Tübingen, Germany, 1992-1995.

**Awards:**

**Fellowships/ Memberships:**
Member, Steering Committee of International Chemistry Olympiad, 2016; National Representative of IUPAC for Organic and Bioorganic Chemistry Division, 2012-2013; Member, Board of Studies, National Centre for Excellence in Analytical Chemistry, University of Sindh, Jamshoro, 2012-2013; Member, Board of Faculty of Sciences, Allama Iqbal Open University, Karachi, 2011-2014; Elected Secretary General, The Chemical Society of Pakistan,2006, 2010-2014; Fellow, The Chemical Society of Pakistan, 2008; Member, American Chemical Society; Member, The Chemical Society of Pakistan; Member, Board of Studies, University of Peshawar, since 2008; Member, Board of Studies, Quaid-i-Azam, University Islamabad, since 2008; Associate Editor, International Journal of Biological and Chemical Sciences, since 2007; Member, Board of Studies, University of Karachi, Karachi 2005; Member, Curriculum Committee, Urdu University, Karachi, since 2004; Coordinator, National Chemistry Talent Contest (STEM Careers Program) under Higher Education Commission, since 2003; Member, PCST Peer Review Committee for R&D Institutions, 2002; Secretary, National Core Group in Chemistry under Higher Education Commission, 2002-date.

**Research Areas:**
Khan, M. Asif

FELLOW: Elected 2009

Born in Dist. Chakwal, Pakistan, on November 19, 1954

Vice Chancellor, University of Peshawar, Peshawar

Tel: 0092-91-922 2198
Fax: 0092-91-922 2199
Email: vice_chancellor@uop.edu.pk, masifk9@gmail.com

Education:
D.I.C. & PhD (Imperial College London), 1988; B.Sc. (Hons) & MSc., Department of Geology, University of Peshawar.

Positions Held:
Vice Chancellor, University of Peshawar, Khyber Pakhtunkhwa, 2017-date; Vice Chancellor, Karakoram International University, 2014-2017; Tenured Professor and Director, National Centre of Excellence in Geology, University of Peshawar, Khyber Pakhtunkhwa, Pakistan.

Awards:
Distinguished National Professor, Higher Education Commission, 2012; Pakistan Academy of Sciences, Gold Medal in Earth Sciences, 2002; Civil Award, Tamgha i Imtiaz, 2000; National Book Foundation, Scientist of the Year Award, 1990.

Fellowships/ Memberships:
Elected as Foreign Fellows of the Chinese Academy of Sciences, 2019; Secretary, Peshawar Chapter, Pakistan Academy of Sciences, 2010-2014, 2017-date; Elected Honorary Fellow (Life Time), Geological Society, London, Since 2008.

Research Areas:

Khan, Mohammad Aslam

FELLOW: Elected 2008

Born in Jhelum, India, on March 7, 1945

Department of Physics, COMSATS Institute of Information Technology, Physics Block, Park Road, Chak Shahzad, Islamabad

Tel: (92-51) 923 5714
Fax: (92-51) 444 2805
Mob: 0300-855 1947
Email: aslamk@comsats.edu.pk, aslamk1960@hotmail.com

Education:
University of the Punjab, Lahore (Gordon College, Rawalpindi), BSc, 1965; University of the Punjab, Lahore, Physics, MSc 1967; University of Hull, Physics, England, PhD, 1974.

Positions Held:
HEC Foreign Professor, COMSATS Institute of Information Technology (CIIT), Islamabad, since 2007; Head, Department of Physics, CIIT, Islamabad, 2008-10; Professor of Physics & Senior Research Scientist, Physics Department & Center for Applied Physical Sciences, King Fahd University of Petroleum & Minerals (KFUPM), Dhahran, Saudi Arabia, 1995-2008; Associate Professor & Research Scientist, KFUPM, 1984-1995; Assistant Professor, KFUPM, 1981-1984; Assistant Professor of Physics, Al-Fatah University, Tripoli, Libya, 1978-1981; Senior Scientific Officer, PINSTECH, Islamabad, 1974-1978; Visiting Scientist, CISE, Milan, Italy, 1976; Scientific Officer, AEC, Lahore, 1968-1970. Visiting Positions (Short-Term): University of Virginia, Charlottesville, USA (1988, 1993), Frie University, Berlin, Germany (1988, 1989, 1992); University of Freiburg, Germany (1990); Max Planck Institute, Garching, Germany (1984); Australian National University, Canberra, Australia (1982); University of Hull, England (1976, 1979, 1980, 1981, 1985).

Awards:
Gold Medal, First Class First Position, BSc, University of the Punjab, 1965; Saigol Foundation Overseas Merit Scholarship, 1970-1973; Prince Muhammad Award (shared for Research; Distinguished Service Award, KFUPM, 2008.

Fellowships/ Memberships:
Chartered Physicist and Member, Institute of Physics, London (1974-2007); Life Member, Pakistan Institute of Physics; Former Member, Optical Society of America; American Society for Non-Destructive Testing (ASNT); American Chemical Society (Saudi Arabian Chapter).

Khan, Shaukat Hameed

FELLOW: Elected 2002

Born in Lahore, India, on September 4, 1941

Ex. Coordinator General, COMSTECH,
33-Constitution Avenue, G-5/2, Islamabad

Tel: 051-922 0681-3
Mob: 0300-855 5671
Email: shkhan@comsats.net.pk

Positions Held: Ex. Coordinator General, COMSTECH; Executive Director, SOPREST (Society for the Promotion of Engineering Sciences and Technology) – the parent body of GIKI. 2. Other Current Positions: Chairperson, Rhodes Selection Committee, Pakistan; Technical Advisor, Planned Technical University, Sialkot; Member BoG, Aiwan-i-Quaid, F-9, Islamabad; Member, Board of Directors, HMC, Taxila; 3. Recently Held: Member of The Industrial Policy Group, Ministry of Industries, Government of Pakistan; 2010-11; Member, Board of Directors TUSDEC (PIDC); Rector, GIK Institute, Topi, 2008-09; Member, Planning Commission, Pakistan Government, 2005-9; Project Director and principal author (2006-7) “Pakistan in the 21st Century: Vision 2030”; Convener of several ‘Task Forces’ (2007-09) for implementation of Vision 2030; Chief Scientist/ DG CC / DG SPS, Pakistan Atomic Energy Commission (PAEC), 1997 to 2005; Scientific Associate, CERN, Geneva, 1999-2001; President, of several Oxford societies (Walter Ralegh Club, Oxford Majlis, Pakistan Society); 4. Earlier: Director, Optics Labs, PAEC, Nilore, 1985-2001; Founder, Laser Group, PAEC, 1969.

Research Areas: Laser Based Position Monitoring System for the massive CMS detector, (LHC, CERN); Radiation Damage Studies of Optical Glasses, Cements, and Coatings; Atomic & Molecular Spectroscopy/Laser Isotope Separation; Lasers and Optronics for Defense; Laser Produced Plasmas; Ultrafast High Voltage Switching.
Khanum, Azra

FELLOW: Elected 2005

Born in Karachi, Pakistan, on February 9, 1949

Dean, Barani Institute of Management Sciences (BIMS)
2F Malikabad Complex, Main Murree Road (Near 6th Road) Rawalpindi 46300, Pakistan

Tel: 92 (051)-485 3701-2/132
Mob: 0300-519 3108
Email: azrakhanum@bims.edu.pk, azrakhanum@uaar.edu.pk, akhanum@hotmail.com

Education: University of Karachi, Karachi, Pakistan: M.Sc. 1971; Quaid-i-Azam University, Islamabad, Pakistan: M.Phil., 1976; Ph.D., 1982; National Institute of Health, Bethesda, MD, USA.

Positions Held: Dean, Barani Institute of Management Sciences (BIMS), Rawalpindi - a joint venture with Pir Mehr Ali Shah Arid Agriculture University, Rawalpindi (PMAS); Director, Institute of Natural and Management Sciences (INAM), Rawalpindi, affiliated with Sargodha University, Sargodha, 2012-2015; University of Arid Agriculture, Rawalpindi: Research Consultant, Department of Biochemistry, 2009-2012; Dean, Faculty of Sciences, 2007-2009; Chairperson, Department of Biochemistry, 2003-2007; Chairperson, Department of Biological Sciences, 1998-2003; Professor, 2002-2009; Associate Professor, 1998-2002; National Institute of Health, USA: Visiting Scientist, 1995-1997; Netherlands Cancer Institute, Amsterdam: Guest Scientist, 1993-1994; Quaid-i-Azam University, Islamabad: Assistant Professor, 1984-1991; Lecturer, 1979-1984; Post Doctorate, 1984-1987; Research Officer, 1977-1978; University of Karachi, Karachi and Quaid-i-Azam University, Islamabad; Research Associate, 1974-1976; University of Karachi, Karachi, 1972-1974.

Awards: Tamgha-i-Imtiaz, 2008; HEC Best Teacher Award, 2001; Gold Medal, Pakistan Academy of Sciences, 2003; International Fogarty Post-Doctoral Fellowship, NIH, MD, USA, 1984-1987; Consultant-TOKTEN (Transfer of Knowledge through Expatriate Nationals) Program at Quaid-i-Azam University, Islamabad, sponsored by UNDP-NTP (National Talent Pool), Ministry of Labor, Manpower and Overseas Pakistanis, 1997-1998.

Fellowships/ Memberships: Fellow, Pakistan Academy of Medical Sciences; Fellow, Zoological, Society of Pakistan; Fellow, Society for Biochemistry and Molecular Biology of Pakistan; Member, New York Academy of Sciences, USA; Member, American Association for the Advancement of Science, USA; Member, American Society for Biochemistry & Molecular Biology; Member, Endocrine Society, USA; Member, Pakistan Botanical Society; Member, Organization for Women in Science for the Developing World (OWSD).

Research Areas: Cloning of genes in livestock and human health; Identification of antimicrobial peptides from edible/nonedible parts of vegetables for use against poultry, livestock and human health; Development of DNA-based vaccine and multiplex based diagnosis for tuberculosis.

Luqman, Muhammad

FELLOW: Elected 2007

Born in Rawalpindi, Pakistan, on August 4, 1950

Head, Pathology Department, Foundation University Medical College, Defense Mall, Jinnah Avenue, Rawalpindi

Tel: (Off) (92-51) 5788171, Ext 307; (Res) (92-51)-5730105
Mob: 0300 5519929
Fax: (92-51) 51-5788582
Email: mluqmandr1950@hotmail.com, mluqmandr1950@yahoo.com

Education: Nishtar Medical College, Multan/University of the Punjab (Lahore): MBBS, 1974; Jinnah Postgraduate Medical Centre/ University of Karachi: M.Phil., 1980; College of Physicians & Surgeons Pakistan, FCPs, 1991.

Positions Held: Professor of Pathology/Head of Department, Foundation University Medical College, Rawalpindi, 2004 to date; Professor of Pathology, Armed Forces Institute of Pathology (AFIP), Rawalpindi, 2000 –2004; Army Medical College, Rawalpindi: Professor of Pathology, 1999-2000; Research Director, Pakistan Medical Research Council (PMRC) Research Centre, 19992000; Technical Director, Pakistan US Laboratory for Seroepidemiology (PULSE), 1999-2000; Assistant Professor, Pathology Department, 1980 to 1992; Ex-Dean, Faculty of Pathology, College of Physicians & Surgeons Pakistan.

Awards: Bukhari Gold Medal for Best Research Paper as a Junior Pathologist in 11th National Scientific Conference of Pakistan Association of Pathologists (PAP), Abbottabad, 1987; Co-author of a paper awarded President Gold Medal and Award in 3rd Biennial Congress of Pakistan Medical Research Council (PMRC), Lahore, 1986; Pakistan Academy of Medical Sciences (PAMS), Junior Gold Medal and Award, Rawalpindi, 1989; Ifthikhar Gold Medal andBurki Gold Medal for outstanding performance in FCPS – II Examination, 1991, CPSP, Karachi.

Fellowships/ Memberships: Life Member, Pakistan Association of Pathologist; Founding Editor, Pakistan Journal of Pathology (1999-2004); Editor, Pakistan Armed Forces Medical Journal (1993-2002).

Research Areas: Cancers in Pakistan, Medical Education.
Malik, Kauser Abdulla

FELLOW: Elected 1995

Born in Lahore, India, on July 7, 1945

Department of Biological Sciences, F.C. College, Lahore

Tel: (92-042) 9920 1583, Ext 504
Mob: 0300-854 0271
Email: kauser45@gmail.com

Education:
Government College, Lahore; University of the Punjab, Lahore, Pakistan: B.Sc. (Hon’s), 1964, M.Sc. (Hon’s), 1965; University of Aston, Birmingham, UK: Ph.D., 1970.

Positions Held:
Distinguished National Professor, Dept. of Biological Sciences, F.C. College, Lahore, 2008 to date; Member (Food & Agri.), Planning Commission, Government of Pakistan, 2006-2008; Member (Bio and Admin), Pakistan Atomic Energy Commission (PAEC), 2001-2006; Honorary Secretary, National Commission on Biotechnology (NCB), 2001-2008; Chairman, Pakistan Agricultural Research Council (PARC), Islamabad 1998-2001; Director General/Chief Scientist, National Institute for Biotechnology and Genetic Engineering (NIBGE) and Nuclear Institute for Agriculture and Biology (NIAB), Faisalabad, 1997-1998; Chief Scientific Officer/Principal Scientific Officer/ Senior Scientific Officer, NIAB, 1971-1998; Head, Soil Biology Division, NIAB, 1980-1991; Visiting Scientist, Institute of Biophysics, University of Hanover, West Germany, 1986.

Awards:
Hilal-i-Imtiaz, Govt. of Pakistan, 2004; Sitara-i-Imtiaz, Govt. Pakistan, 1998; Tamgha-i-Imtiaz, Govt. Pakistan, 1988; UNESCO Prize in Biology, 1997; Gold Medal, Pakistan Academy of Sciences, 1993; Certificate of Commendation for Scientific Research in Biology, Govt. of Pakistan, 1989; Distinguished National Professor, HEC, 2006 to date.

Fellowships/ Memberships:
Fellow, The Academy of Sciences for the Developing World (TWAS), (1997); Fellow, Pakistan Academy of Sciences, (1995); Secretary (Lahore Chapter), Pakistan Academy of Sciences (2010-2012); Alexander von Humboldt Fellow (1974-1975); Member, Board of Trustees, International Foundation for Sciences (IFS), Stockholm, Sweden (1997 to date); Board of Governors, ICGEB (1993 to 2008); Standing Advisory Group on Nuclear Applications (SAGNA), IAEA, 2000 to 2010; Biotechnology Action Council (BAC), UNESCO, Paris, France, 2004 to 2006; Board of Trustees WWF-Pakistan (2004 to 2010); Editorial Board, Pakistan Journal of Botany and Nucleus, Pakistan; President, Biotechnology Society of Pakistan, 1994 to date; Consultant, FAO/IAEA Joint Division in Malaysia (1990), Bangladesh (1991), Iran (1991), Algeria (1991), Turkey (1993), Sri Lanka (1996), Tanzania (1999), Senegal (1997,1999); Bangladesh, Malaysia and several other countries; FAO/IAEA Joint Division in Malaysia (1990), Bangladesh (1991), Iran (1991), Algeria (1991), Turkey (1993), Sri Lanka (1996), Tanzania (1999), Senegal (1997, 1999); Bangladesh, Malaysia and several other countries.

Research Areas:
Plant-Microbe Interaction, Plant Biotechnology, Rhizospheric Microbiology, Bioenergy.
Mansoor, Shahid

**FELLOW: Elected 2014**

Born in Karachi, Pakistan on October 27, 1962

Director, National Institute for Biotechnology and Genetic Engineering (NIBGE), Faisalabad, Pakistan

**Tel:** (Off) 92-41-265 1475; (Res): 92-41-265 1917

**Fax:** 92-41-265 1472

**Email:** director@nibge.org; shahidmansoor7@gmail.com

**Education:**

University of Karachi: B.Sc. (Hon.), 1986, M.Sc., 1987; Ph.D., Department of Virus Research, The John Innes Centre Norwich, U.K. and the degree awarded by Department of Biological Sciences, University of East Anglia, 1999.

**Positions Held:**

Research Fellow, National Institute for Biotechnology and Genetic Engineering (NIBGE), Faisalabad, 1988-1989; Scientific Officer, NIBGE, Faisalabad, 1989; Visiting Scientist, Department of Health Effect ENEA CRE Casaccia, Rome, Italy, 1990-1991; Visiting Scientist, Department of Virus Research, John Innes Centre, 1993-1993; Senior Scientific Officer, NIBGE, Faisalabad, 1994; Post-Doctoral Fellow, Sainsbury Laboratory, Norwich, UK under Royal Society Fellowship, 2000; Principal Scientific Officer, NIBGE, Faisalabad, 2002; Head Agricultural Biotechnology Division, NIBGE, Faisalabad 2006-2013; Fulbright Scholar at Plant Genome Mapping Laboratory, University of Georgia, Athens, 2011-2012; Deputy Chief Scientific, NIBGE, Faisalabad, 2012; Director, NIBGE, Faisalabad, 2013 to date.

**Awards:**

First class position in B.Sc. (Hons) Biochemistry and M.Sc. Biochemistry, University of Karachi; Awarded Royal Society UK Fellowship; Sitara-e-Imtiaz by President of Pakistan, 2009; HEC Outstanding Performance Award (Research Paper 2005, 2006, 2011; Research Productivity Award for PCST for the last ten years; HEC Distinguished National Professor, 2014.

**Fellowships/ Memberships:**

Royal Society UK Fellowship 2000, One year sponsored by The Royal Society, UK in the laboratory of Prof. David, Baulcombe, Sainsbury Laboratory, John Innes Centre, Norwich, UK on “Manipulation of Rx gene for resistance against geminiviruses and characterization of begomoviruses and small circular DNA molecules associated with cotton leaf curl virus and Ageratum yellow vein virus in Pakistan. Fulbright Scholar 2011-12, one year at Plant Genome Mapping Laboratory, University of Georgia, Athens, under the leadership of Prof. Andrew Paterson on genomics of cotton.

**Research Areas:**

Molecular characterization of economically important geminiviruses, their gene function, geminivirus-host interactions and development of novel sources of virus resistance, genomic characterization of whitefly biotypes and development of insect resistant plants; Novel uses of RNA interference technology, Genome biology of cotton, whitefly and livestock in Pakistan and their applications in novel traits development.
Maqsood, Asghari

FELLOW: Elected 2010

Born in Jhang, Pakistan, on September 15, 1947

Professor Emeritus and Advisor to Vice-Chancellor,
Air University, PAF Complex, E-9, Islamabad

Tel: 051-9153-397
Mob: 0333-511 5261
E-mail: tpl.qau@usa.net

Education:
Dhaka University: BSc (Hons) in Physics (1966-1970); University of the Punjab: MSc in Physics (1972); Oxford University: MSc in Experimental Solid State Physics (1979); Gothenburg University, Sweden: PhD (1982).

Positions Held:
Lecturer, Quaid-i-Azam University (1973-1982); Asst. Professor (1982-1987); Associate Professor (1987-1993); Professor (1993-2005); Professor and Chairperson of the Department of Physics (2001-2002); Meritorious Prof. of Physics (2005 to present); Tenured Professor (July 2007); Regular Visiting Faculty Professor, NUST (2008 -2013); Head of Department of Materials Eng. (2008); Head of Physics UG Program at NUST (2008-2009); Professor of Physics, Center for Emerging Sciences and Technology, Islamabad (2013 -2014); Professor of Physics, Air University, Islamabad (2014-2015); Dean Faculty of Basic and Applied Sciences, Air University, Islamabad (2015 to 2021); Prof. Emeritus, Air University (2015); Acting Dean Graduate studies from Jan. 2020-Sept 2020. Advisor to Vice-Chancellor 2021 to present.

Awards:
Top 2% Scientist of World by Stanford University USA lifetime achievement as well as for the year 2019. Dr. Z.A. Hashmi Gold Medal by Pakistan Science Foundation (2014); Life Time Achievement Award by Pakistan Vacuum Society (2013); Sitara-i-Imtiaz by President of Pakistan (2011); Izaz-i-Fazeelat by Government of Pakistan (2005); Prime Minister Gold Medal on World Teacher Day (2004); HEC Best University Teacher Award (2002); PCST Research Productivity Award (2002-2014); Pride of Performance, by Government of Pakistan(2001); Gold Medal by Pakistan Academy of Sciences and INFAQ Foundation Prize (2000); South Asian Publication Award ‘Star Women 1994’; Gold Medal by University of the Punjab on 1st position in MSc (1972); Academic Roll of Honor, University of the Punjab (1972); Merit Scholarship from primary school to PhD.

Fellowships/ Memberships:
Associate Member of ICTP (1992-1997); Member, International Crystallographic Society; Fellow, World Innovation Foundation since (2002); Life Member, Pakistan Institute of Physics; Life Member, Pakistan Physical Society; Life Member, Pakistan Vacuum Society; Fellow, Pakistan Nuclear Society (2002); Elective Member, Thin Film Division (TFD) of the IUVSTA (2010); Member, Oxford and Cambridge Society, Pakistan.

Research Areas:
Transient Hot Strip (THS) and Transient Plane Source (TPS) techniques; Thermal transport properties of solids and liquids; High-Tc superconductors, Nanoferrites, Nanoparticles, electrical, dielectric and magnetic properties; Thin films of group II-VI semiconductors; Solar cells. Single crystal growth by flux method; Nano-composites; impedance spectroscopy; Optical properties of composites.
Marwat, Khan Bahadar

FELLOWS: Elected 2014

Born in Lakki Marwat, KP, Pakistan, on August 15, 1953

Address: House 114, St 2, Professors Colony, Near Agriculture University, Peshawar-25130

Mob: 0307-888 9944, 0334-888 9922
Email: kbmarwat@au.edu.pk; kbmarwat@sbbu.edu.pk; kbmarwat@gmail.com

Education:
The University of Illinois at Urbana-Champaign (USA): Ph.D. (Weed Science), 1988; University of Peshawar, Peshawar: Ph.D. (Botany), 1985; MSc (Botany) 1975; BSc, University of Peshawar, 1973.

Positions Held:

Awards:
Recipient of Life Achievement Award for 2019, from Asia-Pacific Weed Science Society; Sitara-i-Imtiaz by Government of Pakistan, 2012; Quaid-e-Azam Gold Medal, 2011; Research Productivity Award by Pakistan Council of Science & Technology; President of Pakistan’s Medal for S & T, 2008; HEC Best University Teacher Award for 2005; Outstanding Weed Science Award from Governor Punjab, 1993.

Fellowships/
Memorands of Understanding:
Life Member and President, Weed Science Society of Pakistan; Life Member, International Weed Science Society; Life Member, Pakistan Botanical Society; Member & Founding President, Pakistan Ethnobotanical Society; Member, Pakistan Council for Science and Technology; President, Asia Pacific Weed Science Society, 2007-2010; Executive Member Near East, Weed Science Society 2007 to date; Weed Science Society of Japan, 2003-2010; Member, Weed Science Society of Philippine, 2003-2005; Member, Weed Science Society of America, 1984-91; Ex-Member, Core Group in Biological Science, HEC, Islamabad; Principal Signatory of Memorandum of Sino-Pakistan Collaboration with Chinese Academy of Sciences for Biodiversity; Ex-Member, Pakistan Science Foundation; Member, Himalayan University Consortium of ICIMOD; Ex-Member, Executive Committee of National Commission for Science and Technology, Pakistan; Member BoG, MTI, Bannu (2021-24)

Research Areas:
Miana, Ghulam Abbas

FELLOW: Elected 1998

Born on Dera Ismail Khan, India in February 2, 1939

Rector/Director Research, Riphah Institute of Pharmaceutical Sciences, 7th Ave., G-7/4, Islamabad

Tel: (92-51) 289-1835
Mob: 0321-5216305
Fax: (92-51) 2891261, 5567527
Email: drgamiana@gmail.com

Fellowships/ Memberships: Fellow, Chemical Society, UK; Fellow, Chemical Society of Pakistan, 1994; Fellow, Pharmaceutical Society of Pakistan, 1997; Fellow, Pakistan Institute of Chemistry, 1997; Member, Pakistan Nuclear Regulatory Board, 1998-2000; Member, Pakistan Academy of Sciences, 1983; Member, American Society of Pharmacognosy; Member, Scientific Society of Pakistan; Member, Pakistan Association of Scientists and Scientific Professions; Member, Pharmaceutical Society of Japan; Member, Phytochemical Society of Europe, UK; Member, American Chemical Society, USA; Member Executive Council, Society of Pakistan; Member and Executive Secretary, Chemical Society of Pakistan; Member of Syndicates and Boards of Governors of several Universities and R&D Organizations.

Research/Areas: Organic chemistry with special interest in alkaloid chemistry, pharmacological and pharmaceutical applications of medicinal plant derivatives.
Mubarakmand, Samar
FELLOW: Elected 2003

Born in Rawalpindi, India, on September 17, 1942
Chairman, Board of Directors, Punjab Mineral Company, Pvt. Ltd. (PMC), Government of Punjab
Islamabad office: H. No. 30, St. No.3, E-11/4, Islamabad

Tel (Off): 051-222 3810
Tel (Res): 051-229-1884
Mob: 0300-854 4800
Email: samar.mubarakmand@gmail.com

Positions Held: Chairman, BoG, UGC Project, Thar; Co-Chairman, BoG, Balochistan Copper-Gold Project; Chairman, BoDs, Punjab Mineral Company; CEO, Board of Directors Thar Coal Power Company; Member (Science & Technology) Planning Commission, Govt. of Pakistan; Special Assistant to Prime Minister on Science & Technology, 2007-2008; Founding Chairman, National Engineering & Scientific Commission (NESCOC); Member (Technical), Pakistan Atomic Energy Commission (PAEC), 19952000; Director General, PAEC, 1994-1995; Director, PAEC 1985-1994; Chief Scientific Officer, PAEC, 1979-1985; Principal Scientific Officer, PAEC, 1973-1979; Senior Scientific Officer, PAEC, 1966-1973; Scientific Officer, PAEC, 1962-1966.

Awards: Nishan-i-Imtiaz (2003); Hilal-i-Imtiaz (1998); Sitor-i-Imtiaz (1992); Dr. Nazir Ahmed Award (2005); International Scientist of the Year (2007).

Fellowships/ Member: Life Member, Pakistan Nuclear Society; Founding Member, Society for Promotion of Engineering Science & Technology in Pakistan (SOPREST) and Board of Governors, GIK Institute, TOP; Life Patron & Member, Board of Governors of Al-Shifa Trust; Member, Board of Governors, Capital University of Science & Technology (CUST); Member, Board of Governors, Fast National University; Member Board of Governors, COMSATS; Member Syndicate, Govt. College University (GCU) Lahore, 2012-2018.

Research Areas: Nuclear instrumentation; Nuclear Structure; Fiber Optics; Application of LASERS; Nuclear Weapon Systems; Nuclear Diagnostics; Aero Space Technology; Underground Coal Gasification; Power Generation and Mineral Exploration.

Muhammed, Amir
FELLOW: Elected 1979

Born in Udaipur, India on February 4, 1930
Rector, National University of Computer and Emerging Sciences, FAST House, Rohtas Road, G-9/4, Islamabad
Tel: (92-51) 285 5032, 285 5072/74
Mob: (92) 300-855 2066
Fax: (92-51) 285 5070
Email: amir.muhammed@nu.edu.pk, amir.muhammed@gmail.com

Education: University of the Punjab, Pakistan: B.Sc. (Hons), 1952; M.Sc. (Hons), 1953; Oxford University, UK: D.Phil., 1959.

Positions Held: Rector, National University of Computer and Emerging Sciences, Islamabad, 2000 to date; President, Asianics Agro Development International, 1990 to date; Founder Chairman, Pakistan Agricultural Research Council (PARC) and Federal Secretary, Ministry of Agriculture, Govt. of Pakistan, 1978-1990; Advisor to President (Federal Minister), 1977-78; Vice Chancellor, University of Agriculture, Faisalabad, 1974-1978; Director, Nuclear Institute for Agriculture and Biology (NIAB), Faisalabad, 1969-1974; Research Associate, Biology Division, Oak Ridge National Laboratory, Oak Ridge, Tenn. USA, 1963-66; Principal Scientific Officer and Head Biology Division, Pakistan Atomic Energy Center, Lahore, 1966-1969; Senior Research Officer, Pakistan Council of Scientific and Industrial Research (PCSIR), Lahore, 1959-1961.

Awards: Gold Medal by Prime Minister (1989); PARC Silver Jubilee Award (2006); FAO Life Time Achievement Award (2002); Gold Medal in M.Sc. (1953) and Oman Prize in B.Sc. (Hons) (1952) from University of the Punjab; Academic Roll of Honor, Government College, Lahore; Merit Scholarship, Postgraduate Research, Oxford University, UK, 1956-1959.

Fellowships/ Member: President, Pakistan Association for the Advancement of Science, 2000-2002; President, Pakistan Academy of Sciences, 1992-1996; President, Scientific Society of Pakistan, 1976-1977; Member, BOG International Centre for Integrated Mountain Development (ICIMOD, Kathmandu); Chairman BOG, Sustainable Development Policy Institute (SDPI); Chairman BOG, ISNAR (The Hague); Member, Technical Advisory Committee, CGIAR; Member, BOG of ICARDA (Syria), IWMI (Colombo), CIP (Lima), IFDC (USA); Member, BOG, PARC; Member, Scientific Planning Group of APN (Kobe); Member, Scientific Steering Committee of START (Washington); Chairman, Pakistan Vice Chancellors’ Committee, 1976-1977.

Research Areas: Biochemistry, Molecular and Radiation Biology, Agricultural Development.
Murtaza, Ghulam

FELLOW: Elected 1991

Born in Amritsar, India, on January 3, 1939

HEC Distinguished National Professor (2010), Senior Visiting Faculty, Salam Chair in Physics, GC University, Lahore.

Tel: (92-42) 9921 2245
Mob: 0331-458 6520
Email: murtaza_gcu@yahoo.com

Education:

Positions Held:
Salam Professor of Physics, Govt. College University, Lahore (2016-2020; 2008-2014; 2006-2007; 2000-2004); DG, Abdus Salam School of Mathematical Sciences (ASSMS) 2017-2020; Director General, National Tokamak Fusion Program, PAEC, 2007-2008; Director, National Centre for Mathematics GC University, Lahore (2004-2006); Quaid-i-Azam University, Islamabad: Dean, Faculty of Natural Sciences (1996-1999); Chairman, Department of Physics (1977-1979, 1990-1993); Meritorious Professor (1993-2000); Professor (1976-1999); Associate Professor (19671976); Scientific Officer/Senior Scientific Officer, Pakistan Atomic Energy Commission (1962-1969); Lecturer, Mathematics Department, University of the Punjab, Lahore (1960-1962).

Awards:

Fellowships:

Research/ Areas:
Theoretical Plasma Physics; Particle Physics.

Nasim, Anwar

FELLOW: Elected 2007

Born in Pasrur, India, on December 7, 1935

Address: Unit 224, 36 Via Bagnato, Toronto, Ontario M6A0B7, Canada

Mob: 1647-3086160
Email: dranwarnasim@gmail.com

Education:

Positions Held:
Secretary General, Pakistan Academy of Sciences, 2013-2014; Founding President, Federation of Asian Biotech Associations (FABA), 2007; Patron, Pakistan Biotechnology Information Center (PABIC), 2006 to date; Patron, Pakistan Biological Safety Association (PRSA), 2008-date; Chairman, National Commission on Biotechnology of Pakistan, 2002-2009; Advisor Science, Organization of Islamic Conference (OIC) Standing Committee on Scientific & Technological Cooperation (COMSTEC), Islamabad, 1996 to 2011; Executive Secretary, Pakistan Academy of Sciences, Islamabad, 1994-1996; Adjunct Professor, Dept. of Microbiology and Immunology, University of Ottawa, 1983-1989; Dept. of Biology, Carleton University, Ottawa, 1984-1989; Principal Scientist and Head, Molecular Genetics Group, King Faisal Specialist Hospital and Research Center, Riyadh, Saudi Arabia, 1989-1993; Visiting Scientist, Max Planck Institute, Tubingen, Germany and the Biology Department, Stanford University, California, USA, 1978-1979; Senior Research Officer, National Research Council of Canada, 1973-1989; Research Officer, Atomic Energy of Canada Ltd, Chalk River, Canada, 1966-1973; Lecturer in Botany, Education Department, West Pakistan, 1957-1962.

Awards:
Gold Medal in M.Sc., University of the Punjab, 1957; Academic Roll of Honor, Govt. College, Lahore, 1957; Overseas Pakistanis Institute Award for Outstanding Services in the Cause of Science in Pakistan, 1995; Pride of Performance in Molecular Genetics, Govt. of Pakistan, 1995; Sitara-e-Imtiaz, Govt. of Pakistan, 1999.

Fellowships/ Memberships:
First Pakistani based in Canada Elected as a Foreign Fellow, Pakistan Academy of Sciences, 1988-2007; Fellow, Islamic World Academy of Sciences, 1998; Fellow, The World Academy of Sciences (TWAS), 1987; Member, Editorial Board, Mutation Research, 1975-81; Member, Editorial Board, Eubios Journal of Asian and International Bioethics, Japan, 1994 to date.

Research Areas
Molecular Genetics, Mechanisms of DNA Repair in Eukaryotes, Environmental Mutagenesis, Biotechnology and Bioethics.
Qadir, Asghar

FELLOW: Elected 1992

Born in Simla, India, on July 23, 1946

Abdus Salam School of Mathematical Sciences (AS-SMS), Government College University (GCU), 68-B, Muslim Town Lahore

Tel: (Res) 051-228 2034
Mob: +92-331-855 4537
Email: asgharqadir46@gmail.com; aqadirmath@yahoo.com

Awards: Conferences in honour of 70th birthday and 65th birthday at Salento University of Lecce, 2016 and 2011 and at Punjab University in honour of 75th, 70th, 65th and 60th birthdays in 2021, 2016, 2011 and 2006; Lifetime Achievement Award, AS-SMS 2013; Visiting Professor at School for Computational & Applied Mathematics, University of the Witwatersrand, Johannesburg, South Africa (2011-2013), and award from there 2012; Hilli-i-Imtiaz, 2008; Best Researcher of the Year, NUST, 2007; Distinguished National Professor (HEC) 2004 to date; ISESCO Award, 2003; Sitara-i-Imtiaz, 1999; Gold Medal of the Pakistan Academy of Sciences (PAS) 1996; Kharzmi First Prize, Govt. of Iran, 1995; Prize, National Book Council of Pakistan, 1991; Senior Fulbright Fellowship Fulbright-Hayes Award 1978-1979; and 1986-1987; First Prize in General Knowledge Contest for High School Students 1961.

Fellowships/Memberships: Senior Research Fellow, Pakistan Institute of Development Economics (PIDE), 1980-88, 1988-94; Joint Secretary, Al-Kindi Society for the Advancement of the Philosophy of Science, Islamabad, Pakistan, 1980; Associate Member and Senior Associate of the International Centre for Theoretical Physics, Trieste, Italy, 1980-1991, 1992-1999; Life Member and VicePresident, Albert Einstein Society (of Pakistan), 1985, 1987-date; Life Member, Joint Secretary and Secretary, Pakistan Physical Society, 1990, 1992, 1993; Life Member and President, Fulbright Alumni Association, 1992, 1993. Member, Editorial Board of several national and international journals.

Research Areas: Relativity, Astrophysics, Cosmology, Lie Analysis, Special Functions, High Energy Physics, Mathematical Economics.

Qaiser, Mohammad

FELLOW: Elected 2004

Born in Saharanpur, India, on August 15, 1946

Vice Chancellor, University of Karachi, Karachi-75270

Tel: 021-9926 1336 & 37
Mob: 0334-317 4624
Email: qaismd@gmail.com, vc@uok.edu.pk

Positions Held: Vice Chancellor, University of Karachi, Karachi; Vice Chancellor, Federal Urdu University, Karachi; 2008-2013; University of Karachi: Dean, Faculty of Science, 2004; Chairman, Department of Botany, 2001-2004; Professor, 1985-2006; Associate Professor, 1982-1985; Assistant Professor, 1977-1982; Lecturer, 1973-1977; Assistant Lecturer, 1967-1973. Postdoctoral Fellow and Visiting Scientist, Botanisher Garten Museum, Frei University, Berlin, 1984-1985; Assistant Professor, Department of Botany, Al-Fateh University, Tripoli, Libya, 1978-1982.

Fellowships/Memberships: Fellow, TWAS (The World Academy of Sciences); Alexander von Humboldt Fellow (AVH), Germany; Member, International Society of Plant Biosystematics (IOPB).

Qamar, Raheel

FELLOW: Elected 2009

Born in Abbottabad, Pakistan on January 14, 1962
Tenured Professor of Biochemistry & Molecular Biology;
Rector, COMSATS University Islamabad, Park Road Islamabad

Tel: (92-51) -9249 5036
Mob: +92-321-5119494
Email: drraheel@gmail.com, raheel_qamar@comsats.edu.pk

Education: BSc, 1982; MSc, 1985; PhD, 1992
Positions Held:
- Member, Prime Minister of Pakistan's National Taskforce on Science & Technology, 2019 to date;
- Rector, COMSATS University Islamabad, 2017 to date;
- Chairman, Board of Directors, National Testing Service, 2017 to date;
- President, COMSTECH-Inter-Islamic Network on Information Technology, 2012-2015;
- Professor (visiting), Atta-ur-Rahman School of Applied Biosciences, National University of Sciences & Technology, 2005 to date;
- Dean, Research, Innovation and Commercialization (RIC), COMSATS University Islamabad, 2011 to date;
- Distinguished NUST Professor (visiting), Atta-ur-Rahman School of Applied Biosciences, National University of Sciences & Technology, 2005 to date;
- Rector, COMSATS University Islamabad, 2017 to date;
- Chairman, Board of Directors, National Testing Service, 2017 to date;
- President, COMSTECH-Inter-Islamic Network on Information Technology, 2012-2015;
- Director Research, Shifa College of Medicine, 2003-2012;
- Lecturer, The Human Genome Project (HUGO), UK, 1998 to date.

Awards: Tamgha-i-Imtiaz by President of Islamic Republic of Pakistan, 2008.
Fellowships/ Memberships:
- Convener, HEC National Committee on BPS/TTS Faculty Issues, 2018 to date;
- Member, Academic Search Committee for the appointment of Vice-Chancellors of Public Sector Universities, Government of Khyber Pakhtunkhwa, 2019 to date;
- Member, Academic Search Committee for the appointment of Vice-Chancellors of Public Sector Universities, Government of Khyber Pakhtunkhwa, 2019 to date;
- Member, Syndicate, Islamia University of Bahawalpur, 2018-2020;
- Member (Person of Eminence), Syndicate, Lahore College for Women University (LCWU), Lahore, 2019-2022;
- Member, Executive Board, International Centre for Chemical and Biological Sciences (ICCBS), Karachi, 2014-2018;
- Member, Board of Governors COMSATS Institute of Information Technology (CIIT), Islamabad, 2008-2010;
- Vice Chairman/Member, Ethics Committee/Institutional Review Board, Shifa International Hospital and Shifa College of Medicine, Islamabad, 2012-2013;
- Wellcome Trust Fellowship, Oxford University, UK, 1998-2001;

Research Areas: Molecular Genetics, Molecular Pathology, Enzymology, Population Genetics.

Qureshi, Riaz Hussain

FELLOW: Elected 2003

Born in Tehsil Kharian, Gujrat, India, on May 17, 1943

Vice President, Pakistan Academy of Sciences
House No. 24, St. No. 25, Korang Town, Islamabad

Mob: 0337-749 7786
Email: rqureshi@alum.hec.gov.pk

Positions Held:
- Advisor (Human Resource Development), Higher Education Commission (HEC), 2010-2013;
- Advisor (QA & LI), HEC, 2004-2010;
- Vice Chancellor, University of Agriculture Faisalabad (UAF), 1999-2004;
- Professor Emeritus, UAF, 2004 to date;
- Dean, Faculty of Agriculture, UAF, 1998-1999;
- Director Research, UAF, 1996-1997;
- Chairman, Department of Soil Science, UAF, 1991-1997;
- Professor, Dept. of Soil Science, UAF, 1987-2004;
- Nominetee of HEC on Selection Board, Syndicate and Senate of various Universities; Postdoc, 1983; Colorado State University, Fort Collins, USA: Postdoc, 1989.

Awards: Pride of Performance (Agri), 1997; Dr. Norman E. Borlaug Award, 1994; Sir William Roberts Shield, 1992; Golden Star by National Farm Guide Council of Pakistan, 1987; 11th Golden Star Award for Man of the Year, 2000; Agha Hassan Abedi Prize by Pakistan Academy of Sciences for Best Scientist of the Year, 2000; Research Productivity Allowance, Pakistan Council for Science & Technology; Nominetee of Govt. of Pakistan for World Food Prize, 2005.

Fellowships/ Memberships:
- President, Soil Science Society of Pakistan; Member, of all important national committees and institutional committees on Soil Salinity;
- Chief Editor (8 years), Pakistan Journal of Agricultural Sciences;
- Member, Syndicate University of Agriculture, Faisalabad;
- Member, Steering Committee, International Irrigation Management Institute;
- Member, Research Advisory Committees of PARC and NIBGE.

Research Areas: Saline Agriculture, Soil Salinity, Drought Tolerance of Plants.
Rashid, Abdul

FELLOW: Elected 2013

Born in Faisalabad, Pakistan, on April 4, 1950

Former Member (Bio-Sciences)
Pakistan Atomic Energy Commission, Islamabad

Tel: (Res) 051 877 2285
Mob: 0308-520 3032, 0346-520 3046
Email: dr.rashid50@gmail.com; abdul.rashid@paspk.org

Education: PhD (Agronomy & Soil Science), 1986, University of Hawaii, USA – as East West Center scholar; MSc (Hons) Soil Science, 1972, University of Agriculture, Faisalabad.

Awards: IPNI Science Award, by International Plant Nutrition Institute (IPNI), USA, 2017; J. Benton Jones Award, by Soil and Plant Analysis Council, USA, 2017; IFA Norman Borlaug Award for excellence in crop nutrition research, by International Fertilizer Association (IFA), Paris, 2013; East-West Center (Hawaii, USA) Distinguished Alumni Award, 1998; PARC Silver Jubilee Award, by President of Pakistan, 2006; Dr. Norman Borlaug Award, by Government of Pakistan, 2005; PARC Scientist of the Year Award, 1999; National Book Foundation Award, 1997; Research Productivity Award, 2002, 2012; and multiple Awards by PARS (Pakistan Agricultural Research Council Scientists Association), 1995–2004.

Fellowships/ Memberships: Co-Chair, Scientific Review Panel, (Agriculture), Higher Education Commission (HEC), 2019 to date; Member, Technical Advisory Committee (TAC) of BoD of ALP, PARC, 2017-date; Editorial Board Member, European Journal of Agronomy, 2001-date and Communications in Soil Science & Plant Analysis, 2003-date; Guest Editor, Communications in Soil Science & Plant Analysis, 2016; Fellow, Indian Society of Soil Science, 2006; Fellow, Soil Science Society of Pakistan, 2008; President, Soil Science Society of Pakistan, 2005-2006.

Research Areas: Soil Fertility & Crop Nutrition, Micronutrients, Agronomic Biofortification.

Riazuddin, Sheikh

FELLOW: Elected 1997

Born in Lahore, India, on April 15, 1944

HEC Distinguished National Professor/ Professor Emeritus, SZABMU, Islamabad

Mob: 0321-842 9448
Email: riazuddin@aimr.org

Education: Government Collage, Lahore/ University of the Punjab, Lahore, Pakistan: M.Sc., 1965; University of Reading, UK: Ph.D., 1970.

Positions Held: Executive Director A-ImB & Visiting Professor, Seoul National University, Seoul, South Korea, 2009-2013; Distinguished National Professor, Higher Education Commission, 2004 to date; Meritorious Professor, 2002; Professor (Rtd), National Center of Excellence in Molecular Biology, University of the Punjab, Lahore, 1985; Visiting Professor, Department of Biochemistry, University of Washington, Seattle, USA, 1988-2004; Principal Scientific Officer, Nuclear Institute for Agriculture and Biology (NIAB), Faisalabad, 1977-1985; Senior Scientific Officer, NIAB, Faisalabad, 1970-1977; Scientific Officer, PAEC, Lahore, 1966-1970.

Awards: IARC Senior Postdoctoral Award, 1977; Swiss Prize (Isabelle De Caze De Nue), IARC, Lyon, France, 1978; Gold Medal, Pakistan Academy of Sciences, 1982; Tamgha-i-Imtiaz, 1984; Gold Medal, Johns Hopkins Society of Scholars and Member, since 1989; Rockefeller Foundation’s Biotechnology Career Fellow, 1989-2004; Sitara-i-Imtiaz, 1994; Khwarizmi International Prize by Iranian Govt., 1997; Carlos J. Finally Prize for Microbiology, UNESCO, 1997; Izaz-i-Kamal, 1998; Hidal-i-Imtiaz, 2004; Distinguished Scientist of the Year 2004 by Pakistan Academy of Sciences.

Research/Areas: Molecular Biology, Molecular Genetics.
Saleem, Hamid

**FELLOW: Elected 2012**

Born in Rawalpindi, Pakistan, on June 5, 1954

Professor, Dept. of Space Science, Institute of Space Technology (IST), Islamabad

Director (Honorary), Theoretical Research Institute, Pakistan Academy of Sciences (TRIPAS), Islamabad

Tel: 051-236 0265
Mob: 0308-505 8991

Email: saleemh@hotmail.com, Ncp-office@ncp.edu.pk

**Education:**

**Positions Held:**
Professor, Institute of Space Technology (IST), Islamabad, 2014-2021; Advisor to Member Science, Pakistan Atomic Energy Commission, (PAEC), 2014; Director General, National Center for Physics (NCP), Quaid-i-Azam University Campus, Islamabad, 2008-2014; Director, Theoretical Physics Department, NCP, 2008-2014; Adjunct Professor in Department of Physics, COMSATS Institute of Information Technology (CIIT), Islamabad; Adjunct Professor in Department of Mathematics, QAU, Islamabad; Adjunct Professor in Department of Physics, Pakistan Institute of Engineering and Applied Sciences (PIEAS), Nilore.

**Awards:**
Pride of Performance by Govt. of Pakistan, 2013; PAS Gold Medal in Physics, by Pakistan Academy of Sciences, 2004; Tamgha-i-Imtaiz by Govt. of Pakistan, 2004; Gold Medal Performance Award, by PINSTECH, 2001; Dr. M. Raziuddin Siddiqi Prize for Young Scientists under 40 for Physics by Pakistan Academy of Sciences (PAS), 1993.

**Fellowships/Memberships:**
Senior Associate at AS-ICTP, Trieste, Italy, 2001 to date; Post-doc Fellow, National Institute for Fusion Science, Toki, Japan, 1996-1998.

**Research Areas:**
Plasma Physics and Astrophysics.

Shah, Muhammad Raza

**FELLOW: Elected 2021**

Born in Shabqdar, Charsadda, Pakistan, on February 18, 1976

Professor, International Center for Chemical and Biological Sciences
University of Karachi, Karachi

Tel: 021-99261717, 03008961511
Fax: (9221) 99261713
E-mail: raza_shahm@yahoo.com

**Education:**
Ph.D. (Chemistry); Postdoc, Switzerland; Postdoc, Germany

**Positions Held:**
Professor at International Center for Chemical and Biological Sciences, University of Karachi; GM Center for Bioequivalence Studies and Clinical Research

**Awards:**
Civil award *Tamgha-i-Imtiaz* from President Islamic Republic of Pakistan; Top scientists award from KPK government in 2019; Atta ur Rahman Gold Medal from Pakistan Academy of Sciences; Salam Prize in Chemistry for Young Chemist in 2006; Dr. Raziuddin Gold Medal from Pakistan Academy of Sciences 2015; Selected TWAS (Third World Academy of Sciences) Young Affiliate 2010

**Fellowships/ Memberships:**
Fellow, International Union of Pure and Applied Chemistry; Fellow, Chemical Society of Pakistan; Fellow, Pakistan Academy of Sciences; Fellow, Islamic Academy of Sciences.

**Research Areas:**
Nanotechnology and Supramolecular Chemistry mainly focusing on Drug Delivery system through nanomaterials
Shakoori, Abdul Rauf
FELLOW: Elected 1991

Born in Sialkot, India, on October 1, 1942

Distinguished National Professor & Professor Emeritus, School of Biological Sciences, University of the Punjab, New Campus, Lahore
Honorary Director, Center of Biotechnology Research, Shandong Academy of Agricultural Sciences, Jinan, Shandong, China

Tel: (92-42) 9923 0133; Mob: 0333 467 3255
Fax: (92-42) 9923 0980
Email: ashakbs@yahoo.com, arshakoori.sbs@pu.edu.pk

Education: University of the Punjab, Lahore, Pakistan: B.Sc., 1960; M.Sc., 1962; University of Hohenheim, Stuttgart, West Germany: D.Sc. (Dr.rer.net.), 1972.

Positions Held: Director, School of Biological Sciences, University of the Punjab, Lahore, 2002-2020; Honorary Director, Center of Biotechnology Research, Shandong Academy of Agricultural Sciences, Jinan, Shandong, China; Associate Secretary General, Pakistan Academy of Sciences, 2018-2021; Patron-in-Chief, Centre of Cancer Research, University of the Punjab, Lahore, 2019 to date; University of the Punjab, Lahore: Professor Emeritus, 2009-2020; Distinguished National Professor, 2005 to date; Member, Board of Directors, Punjab Education Foundation (PEF), 2016-2020; Member, Executive Council, PEF, 2016-2020; Chairman, Apex Committee, Punjab Curriculum, and Textbook Board, 2015-2019; Meritorious Professor and Director, School of Biological Sciences, 2000-2019; Member, Board of Governors, Punjab Curriculum and Textbook Board, 2015-2018; Visiting Professor, King Saud University, Riyadh, KSA, 2013-2018; Visiting Professor: University of Massachusetts Medical Center, Worcester, USA, 1989-2012; Chairman, Department of Microbiology and Molecular Genetics, 2000-2002; Professor of Zoology, 1987-2002; Chairman, Department of Zoology, 1996-1999, 2002; Director, B.Sc. Hons. Program, 2000-2002; Associate Professor, 1979-1987; Assistant Professor, 1972-1979; Lecturer, 1963-1972; Co-Director, Center for Advanced Molecular Biology, 1984-1991; University of Marburg, Germany, 1996; Kings College, London, 1997; University of Essex, UK, 1999; Lecturer, Govt. Degree College, Jhelum, 1962-1963.

Awards: Declared amongst the best 2% researchers worldwide 2021, Included amongst the Top 100 Scientists of the world for the promotion of Science & Technology, honored by Government of Shandong Province China, 2019; Rated top most Productive Scientist in Biological Sciences in 2013 by PCST; ECO Award, 2012; Distinguished Scientist of the Year, 2011; Rated at first position among Zoologists of the country and the top five Biologists of the country by PCST in 2011; Tamgha-i-Imtiaz, Govt. of Pakistan, 1999; Fellowship of Royal Society, UK, 1998; Aizaz-i-Kamal, Govt. of Pakistan, 1996; Zoologist of the Year Award, 1997; Senior DAAD Fellowship, 1996; Award of Honor, Zoological Society of Pakistan, 1995; Senior Fulbright Fellowship, 1992-93; Scientist of the Year Award, Govt. of Pakistan, 1986, 1997; Cash Prize, National Book Council of Pakistan, 1988; Cash Prize and Commendation Certificate for Research Work, University of the Punjab, Lahore, 1979, 1983; Roll of Honor, Govt. College, Lahore, 1962.

Research Areas: Cell and Molecular Biology with a special interest in Gene Expression, Cancer Biology with particular reference to Metastasis, Biochemical Toxicology and Environmental Biotechnology.
Shami, Misbah-ud-Din

FELLOW: Elected 1982

Born in Jullundur City, India, on October 1, 1930

Founding Fellow, Islamic World Academy of Sciences
Fellow, Pakistan Academy of Sciences, 3-Constitution Avenue, G-5/2, Islamabad

Tel: (92-51) 920 4657
Mob: 0300-552 2955
Fax: (92-51) 920 6770
Email: Shami1930@yahoo.com

Awards: Lifetime Achievement Award by the Pakistan Institute of Chemical Engineers (PiChe), Lahore, 2010; Pakistan Academy of Sciences Golden Jubilee Medal, 2002; Legend of Institute of Chemical Engineering & Technology, University of the Punjab, 2001; Medal by the Higher Council for Science and Technology, Jordan; Sittori-i-Imtiaz by President of Pakistan, 1990; First Pakistani to receive International UNESCO Kalinga Prize, 1990; Niels Bohr Medal by UNESCO, 1990; Pakistan Talent Forum National Award, 1987; Allama Iqbal Centenary Commemorative Medal, 1974.

Sharif, Muhammad

FELLOW: Elected 2010

Born in Pakistan, on June 15, 1962

Department of Mathematics, University of the Punjab, Quaid-e-Azam Campus, Lahore

Tel: (92-42) 9923 2026
Mob: 0333-423 1696
Email: msharif.math@pu.edu.pk

Education: Ph.D. 1991; MPhil, 1987; M.Sc. 1985; Quaid-i-Azam University Islamabad; B.Sc., 1983; Islamia University Bahawalpur.

Positions Held: Dean, Faculty of Science, University of the Punjab, 2019- to date; Tenured Professor, University of the Punjab, Lahore, 2012; Professor, 2005; Associate Professor, 2001-2005; Assistant Professor, 1994-2001; Research Officer, 1989-1992; Senior Research Assistant, 1988-1991; Junior Research Assistant, Quaid-i-Azam University Islamabad, 1985-1987.

Awards: HEC Distinguished National Professor, 2010; Pakistan Academy of Sciences Gold Medal, 2002 and 2009; Best Research Paper Award, 2009 and 2015; Best University Teacher Award, 2008 and 2016; Tamgha-i-Imtiaz, 2008; Izaz-i-Fazeelat, 2007; Dr. Raziuddin Siddiqi Prize, 2002; Research Productivity Award 2001-date.

Fellowships/ Memberships: Post-Doctoral Fellowship, 2000 and 2003; Dr. Raziuddin Siddiqi Research Fellowship, 1987; Life Member, International Society of General Relativity and Gravitation.

Research/Areas: Gravitational Theory Astrophysics and Cosmology.
Sheikh, Muhammad Akram

**FELLOW: Elected 2012**

Born in Phagwara, India, on June 15, 1943

Senior Advisor, National University of Sciences & Technology (NUST), Islamabad, Founder, Co-Chair & Distinguished Senior Fellow, Global Think Tank Network (GTTN) & Founding Co-Chair, Corporate Advisory Council (CAC), NUST, Islamabad

**Director**, Allied Bank Ltd, Tricon Boston Consulting (Pvt) Ltd (Sapphire Group), Quality Schools Foundation

**Tel:** 051-225 5061

**Education:**

**Positions Held:**

**Awards:**

Gold Medal in B.Sc. Engineering, UET Lahore; Commonwealth Scholar in M.Sc., The University of Leeds, UK; The Institution of Engineers Pakistan Life Time Achievement Award, 2007; Public Service Award of Hilal-i-Imtiaz, Government of Pakistan, 2005; Ph.D Degree Honoris Causa by UET, Lahore, 2010.

**Fellowships/ Memberships:**

Member / Fellow, Institute of Engineers, Pakistan; Member / Fellow, Pakistan Engineering Council; Distinguished Senior Fellow, NUST (GTTN).

**Research Areas:**

Science and Technology-driven Economic Development; Engineering Goods Manufacturing; Management of Public Sector Large Organizations; Synthesizing Diverse and Conflicting National Requirement to Formulate Long-term Holistic & Integrated Strategic Plans, National Vision and Public Sector Policies; Co-Founder of China-Pakistan Trade, Transport, Energy and Industrial Corridor (renamed CPEC); Rapid & Sustainable Social, Economic, Strategic and Ethical Development using Knowledge Inputs.
Shinwari, Zabta Khan

FELLOW: Elected 2008

Born in Kohat, Pakistan, on March 3, 1959

UNESCO Laureate (Avicenna Gold Medalist); Former Vice-Chair of The World Commission on the Ethics of Scientific Knowledge and Technology (COMEST)-UNESCO

Professor Emeritus, Quaid-i-Azam University, Islamabad

Tel: 92-512612970

Email: shinwari2008@gmail.com, shinwari@qau.edu.pk

Education:

Positions Held:

- Professor Emeritus Quaid-i-Azam University, 2020 to date; Vice Chancellor, Qarshi University, Lahore 2018 to 2019; Quaid-i-Azam University Islamabad Tenured Professor & Chairman Biotechnology 2009 to 2018; President National Council for Tibb, 2015-2020; Secretary General, Pakistan Academy of Sciences, 2015-2017; Chief Executive Qarshi Research International/ Vice Chancellor/Project Director Qarshi University Lahore 2006-2009; Vice Chancellor/Project Director (Additional charge) University of Science and Technology Bannu (USTB) KP Pakistan 2005-2006; Vice Chancellor Kohat University Science and Technology (KUST) KP Pakistan 2004-2006; Programme Leader COMSTECH-PTCL Frontier Technologies Research Center (CPC) 2003-2004; Technical Coordinator Applied Ethnobotany Project WWF Pakistan 2001-2003; Senior Scientific Officer NARC Islamabad 1995-2001; Research Associate Pakistan Museum of Natural History Islamabad 1985-1995; Research Officer Herbarium Quaid-i-Azam University Islamabad 1983-1985.

Awards:

- National Civil Awarded, Sitara-e-Imtiaz, 2018; "Tamgha-e-Imtiaz" 2011; Distinguished Scientists Award by Chinese Academy of Sciences, 2019-2020; Best University Teacher Award, 2012 (Higher Education Commission-Pakistan); Declared number one biologist by PCST in 2014, Research Productivity Award in Category "A"; UNESCO Laureate (Avicenna Gold Medalist for Ethics in Science: 2015; Cash Prize of UNESCO award donated to Pakistan Academy of Sciences for establishing Prof. Zabta K. Shinwari Gold Medal in Biotechnology for Scientists under 50. Declared among top 2% of the world whose published research manuscripts have accelerated progress in their respective fields and influenced the productivity of other researchers' work as well conducted by Stanford university, USA Nov. 2020 and 2021.

Fellowships/

Memberships:

- Vice Chair of The World Commission on the Ethics of Scientific Knowledge and Technology (COMEST)-UNESCO 2016-2021; Fellow, Islamic World Academy of Sciences since 2016; Treasurer Association of Academies and Societies of Sciences in Asia (AASSA) since 2016; Focal Person of Alliance of International Science Organizations (ANSO-HO, China), 2016-2022; Member Board of the Authority, Islamabad Health Regulation. 2019-2022; Member Search Committee to appoint Chairman & Members Provincial Public Service Commission, KP, 2018-2021; Member Evaluation Enlistment Committee DRAP, 2018 to date; President Pakistan Botanical Society, 2011-2012; Member Board of Governors WWF Pakistan, 2011-2014; Member of the Governing Council of the AQ Khan Institute of Biotechnology and Genetic Engineering (KIBGE), 2010 to date; Member Selection Board (KIBGE) Karachi University; Fed Urdu Univ of Arts Science & Technology; Member IAP- Biosecurity Working Group (BWG) 2012-to date; Member Senate Swat University & SBBU-Shringle, KP, 2013-2016 & 2015-2018 respectively; President South Asian Federation of Japanese Universities Alumni Associations (SAFJUAA), 2011-2014; President & Vice President, Pakistan Botanical Society, 2011-12 & 2013-to date; Elected Member Steering committee of WHO-Eastern Mediterranean Health Genomics and Biotechnology Network (EMHGBN), 2014-2018; Member Advisory Board Ethnobotanical Society of Nepal; Member IUCN Medicinal Plant Specialist Group Society for Conservation Biology; Editor Pakistan Journal of Botany. Director Asian Council of Science Editors (ACSE) 2019-2021; Vice President ACSE 2021-2022. Member of Inter-Academy Partnership (IAP) Open Science Working Group to produce a synthesis/summary paper to submit to UNESCO (May 2020).

Research Areas:

- Bioethics & Dual-Use Education, Molecular Systematics, Agriculture Biotechnology, Medicinal Plants Ecology, Sustainable Development.
Siddiqui, Bina Shaheen

FELLOW: Elected 1997

Born in Allahabad, India, on February 2, 1948

HEJ Research Institute of Chemistry,
ICCBS, University of Karachi, Karachi

Tel: (Off) 021-9926 1716
Mob: 0300-820 6366
Fax: 021-3481 9018, 3481 9019
Email: sidiqui_bina@yahoo.com

Positions Held: HEJ Research Institute of Chemistry, University of Karachi: Director (Acting) 1999-2000 to date, Co-Director, 1999-2000; Professor, 1996 to date; Associate Professor, 1990-1996.

Awards: Dr. Abdus Salam Prize in Chemistry 1986; Nishan-e-Azmat-e-Ilm Plaque, University of Karachi, 1989; Nishan-e-Danish Plaque, University of Karachi, 1998; First Prize of the National Book Foundation 1997; Star Woman of the Year 1997 Award and Gold Medal by Star Girls and Women’s Foundation; Tamghai-Imtiaz, Government of Pakistan, 2000; Khwarizmi Award by the President of Islamic Republic of Iran, 2001; Sitara-i-Imtiaz by the Govt. of Pakistan, 2004; Distinguished National Professor (HEC). Life Time Academic Award by HEC of Pakistan, 2011.

Fellowships/Memberships: Member, Scientific Society of Pakistan, 1970; Full Member of the Third World Organization for Women in Science, (TWOWS), 1989; Fellow, Academy of Sciences for the Developing World (TWAS), 1989; Fellow of the Pakistan Academy of Sciences, 1998; Member, Membership Committee of TWAS for Chemistry, 1999; Life Member, Chemical Society of Pakistan, 2000; Member, American Chemical Society, 2005.

Research/Areas: Natural Products Chemistry with Special Focus on Constituents of Medicinal Plants Having Medical, Antibacterial and Pesticidal Applications.

Wasay, Mohammad

FELLOW: Elected 2017

Professor, Department of Medicine
Aga Khan University, Stadium Road, Karachi 74800, Pakistan

Tel: 9221 4930051 (office), 92333 2234688 (mobile)
Email: mohammad.wasay@aku.edu

Positions Held: Alicharan endowed Professor of Neurology, Department of Medicine, Aga Khan University, Karachi, Chair, Seed grants committee, AKU, COMSTECH (OIC) distinguished scholar, Secretary General, Environmental neurology specialty group, World federation of Neurology, Member, Global policy committee, World stroke organization, Fellow, Pakistan Academy of Sciences; Member, Prime ministers Task force on science and technology, President, Neurology awareness and research Foundation, Past president, Pakistan Society of Neurology, Past Director, World Stroke Organization, Editor, Pakistan Journal of Neurological Sciences, Editor in chief, Jhaana Aasab magazine; Professor, Department of Medicine, The Aga Khan University, Karachi; July 1,2013 – to date; Associate Professor, Department of Medicine, The Aga Khan University, Karachi; January 1, 2006 – June 2013; Assistant Professor, Department of Medicine, The Aga Khan University, Karachi December 1, 1999 – December 31, 2005.

Awards: Teachers Recognition Award; American Academy of Neurology; 2006, Advocacy leader of the year; American Academy of Neurology; 2005 National; Gold Medal (Health Sciences); Pakistan Academy of Sciences; 2015, Junior Award+ Gold medal; Pakistan Academy of Medical Sciences; 2003, Distinguished Teacher Award; Pakistan Society of Neurology, 2005.

Fellowships/Memberships: Fellow, Pakistan Academy of Sciences; 2017, Fellow, Pakistan Academy of Medical sciences; 2015, Fellow, Royal College of Physicians (FRCP) UK; 2005; Fellow, American Academy of Neurology (FAAN); 2007.

Research Areas: Stroke, CNS infections, Multiple sclerosis.
Yasinzai, Masoom

**FELLOW: Elected 2011**

Born in Quetta, Pakistan on Oct 1, 1958

Rector, International Islamic University, Islamabad

**Tel:** 051-925 8067  
**Mob:** 0300-386 4565  
**Email:** rector@iiu.edu.pk

**Education:**  

**Positions Held:**  
Lecturer (Chemistry), University of Balochistan 1980-1985; Research Scholar, 1982-1985, University of Hull, UK; Demonstrator, 1983-1985 University of Hull, UK; Asstt. Professor, 1986-1993, Institute of Biochemistry, University of Balochistan; Post Doc Fellow 1987-1988, Perugia Med School, Italy; Visiting Scientist 1992-1993, Liverpool School of Tropical Medicine, UK; Associate Professor, 1993-1996, Institute of Biochemistry, University of Balochistan; Fulbright Fellow, 1993-1994, Chicago Medical College School, USA; Professor, 1996 to date, Institute of Biochemistry, University of Balochistan; FAO Consultant for Establishment of Feed labs in Balochistan, 1998; Director, Institute of Biochemistry, 2003-2008; Co-coordinator Research (Science)/ Dean Research, University of Balochistan, 2004-2008; Vice Chancellor, University of Balochistan, 2008-2010; Vice Chancellor, Quaid-i-Azam University, 2010-2014; Rector, International Islamic University, Islamabad, 2012 to date.

**Awards:**  
First Position in Masters degree in all faculties of the University of Balochistan, 1980; Quaid-i-Azam scholarship for Ph.D. studies abroad, 1982; ORS Award, Britain, 1983-1985; IUB Award, on occasion of the 14th International Congress of Biochemistry, Prague, 1988; UNESCO Award, 1990; Gold Medal by PWA, for contribution in Sciences & Technology, 1991; Fulbright Award, 1992; Ibn-Al-Hythem Award in Biological Sciences, 1995; Scientists of the year 1998; Gold Medal, Raziuddin Prize in Chemistry, Year 1998; Izaz-i-Fzeelat, Gold Medal by the President of Pakistan, 1999; President, Environmental Club, University of Balochistan, 1995-2004; HEC Best Teacher Award & Prize, 2002; Sitara-i-Imtiaz, 2009.

**Fellowships/Memberships:**  
Fellow, of Pakistan Academy of Medical Sciences, 2012; Fellow, Pakistan Chemical Society, 2004; Member, Board of Trustees, Pakistan Science Foundation; Chairman, Institutional Ethical Committee; Member, University Linkages Committee; President Environmental Club, University of Balochistan; Member Senate, Karakoram International University, Gilgit; Member, Pakistan Atomic Energy Council; Member, Chemical & Biological Societies, Pakistan; Member, Pakistan Council for Sciences & Technology; Member, Islamabad Policy Research Institute Board.

**Research/Areas:**  
Biotechnology; Clinical Biochemistry; Biochemical Parasitology; Chemotherapy & Leishmaniasis.

---

Yusuf, Mohammad Osama

**FELLOW: Elected 2021**

Born in Lahore, on November 28, 1959

Chief Consultant  
The Allergy and Asthma Institute, Islamabad, Pakistan.

**Home address:** H. No. 275, Gomal Road, Sector E-7, Islamabad, Pakistan.

**Tel:** 92-(0)51-265 4445 / 92 (0)300 856 1115.  
**E-mail:** allergypk@gmail.com

**Education:**  
MBBS (Pb); BSc (Med Sc); MCPS (Pathology); M.Sc. (Immunology-UK); PGT Allergy (Birmingham, UK); PhD (Clinical Sciences); FRCP (London, UK).

**Positions Held:**  
Chief Consultant, The Allergy and Asthma Institute, Pakistan; Chief Consultant, Developing Health; National Representative, WHO-Global Alliance on Respiratory Diseases; Collaborator, RESPIRE, University of Edinburgh, Edinburgh, UK; Principal Investigator, National Institute of Health Research, UK Government.

**Fellowships/Memberships:**  
Fellow, American College of Allergy, Asthma, Immunology; Fellow, American Academy of Allergy, Asthma, Immunology; Fellow, College of Pathologists of Pakistan; Fellow, Royal Society of Medicine (UK); Fellow, Royal College of Physicians (London, UK).

**Research/Areas:**  
Allergy; Asthma and Chronic Respiratory Diseases; COVID-19; AIDS; Immunotherapy; Public Health; Immune response to infections.
Zubairy, M. Suhail

FELLOW: Elected 1995

Born in Lahore, Pakistan on October 19, 1952

Department of Physics, Texas A&M University, College Station, Texas-77843, USA

Tel: (Off) +1-979-862-4047

Email: zubairy@tamu.edu

Education:
- Edwards College, Peshawar, Pakistan: B.Sc., 1967-1971
- Quaid-i-Azam University, Pakistan: M.Sc. (Physics), 1971-1974
- University of Rochester, New York, USA: Ph.D. (Physics), 1974-78.

Positions Held:
- Munnerlyn-Heep Chair in Quantum Optics and University Distinguished Professor of Physics, Texas A&M University, USA, 2004 to date
- Quaid-i-Azam University, Islamabad: Chairman, Department of Electronics, 1988 to 1998; Professor, 1992-2004; Associate Professor, 1985-1992; Assistant Professor, 1984-1985.

Awards:
- Willis E. Lamb Award for Laser Science and Quantum Optics, 2014
- George H. W. Bush Excellence Award in International Research, 2011
- Humboldt Research Prize, 2007
- Khwarizmi Award, President of Iran, 2001
- Hilal-i-Imtiaz, Govt. of Pakistan, 2000
- COMSTECH Award for Physics, Organization of Islamic Countries (OIC), 1999
- Sitara-i-Imtiaz, Govt. of Pakistan, 1993
- Gold Medal, Pakistan Academy of Sciences, 1989
- Salam Prize for Physics 1986.

Fellowships/Memberships:
- Fellow, American Physical Society, 2006
- Fellow, Optical Society of America, 1988
- Rush Rhees Fellowship, University of Rochester, USA, 1974-1977.

Research/Areas:
- Quantum Electronics and Laser Physics
10. ADDITIONAL FELLOWS
(PROFILES NOT PROVIDED)

Shah, Hassan Amir
Elected 2018
Bhatti, Arshad Saleem
Elected 2019
Nadeem, Sohail
Elected 2019

11. DECEASED FELLOWS OF THE ACADEMY

Prof. M. Afzal Hussain
Elected 1953
Dr. Nazir Ahmad
Elected 1953
Prof. Dr. Bashir Ahmad
Elected 1953

12. PROFILES OF FOREIGN FELLOWS

Pakistan Academy of Sciences
2022
Akhtar, Muhammad

FOREIGN FELLOW: Elected 2000

Born in Batala, Punjab, India, on February 23, 1933

Emeritus Professor of Biochemistry, University of Southampton, UK;
Distinguished National Professor (Previously) (Director General),
School of Biological Sciences,
University of the Punjab, Lahore, Pakistan

Tel: (92-42) 9923 0960
Email: M.Akhtar@soton.ac.uk; ma3@soton.ac.uk

Positions Held: Emeritus Professor of Biochemistry, University of Southampton, UK, to date; Currently, Distinguished National Professor & Director General, School of Biological Sciences, University of the Punjab, Lahore; Director, SERC Molecular Recognition Center, 1990-1994; Chairman, Institute of Biomolecular Sciences, 1989-1990; Chairman, School of Biochemical & Physical Sciences, 1983-1987; Head, Department of Biochemistry, 1978-1983; Professor of Biochemistry, 1973-1998; Reader, Department of Biochemistry, 1968-1973; Senior Lecturer, Department of Biochemistry, 1966-1968; Lecturer, Department of Biochemistry, 1963-1966; Research Scientist, Research Institute, Cambridge, MA, USA, 1959-63.

Research/Areas: Biochemistry with special contributions to understanding of mechanisms of action of a large number of enzymes involved in biosynthesis of sterols, sex hormones, haem formation, elaboration of chlorophylls; Use of recombinant DNA technology for study of neomyosin synthesis; Binding of vitamin A aldehyde to rhodopsin.
Bai, Chunli

FOREIGN FELLOW: Elected 2011

Born in Dandong, Liaoning Province, China in 1953

President, Alliance of International Science Organizations (ANSO)
52 Sanlihe Road, Beijing 100864, China

Tel: +86-10-68597606; Fax: +86-10-68526316
E-mail: yqjiang@cas.hq.ac.cn

Education: Department of Chemistry, Peking University, Beijing, China: undergraduate student, 1978; Institute of Chemistry, Chinese Academy of Sciences (CAS), Beijing, China: M.S., 1981; Ph.D., 1985.

Positions Held: President, Alliance of International Science Organizations (ANSO), 2018 to date; President, CAS, 2011 to 2021; Immediate Past President, the World Academy of Sciences for the Advancement of Science in Developing Countries (TWAS), 2019 to date; President, TWAS, 2012 to 2018; Executive Vice President, CAS, 2004-2011; Vice President, CAS, 1996-2004; President, University of Chinese Academy of Sciences, 2001-2014; Director, National Center for Nanosciences and Technology, China, 2003-2008; Professor and Deputy Director, Institute of Chemistry, CAS, 1992-1996; Director of Youth Laboratory of the Nanometer-Scale Science and Technology, 1992-1996; Visiting Professor, Institute for Materials Research, Tohoku University, Japan, 1991-1992; Professor, Institute of Chemistry, CAS, 1989; Associate Professor, Institute of Chemistry, CAS, 1987-1989; Research Associate, California Institute of Technology, Pasadena, USA, 1982-1985.

Awards: 2nd Place CAS Science and Technology Advancements Award, 1989; Young Scientist Award, CAS 1989; 2nd Place CAS National Science and Technology Advancements Award (State Council), 1990; National Level Expert with Outstanding Contributions (State Council), 1990; China Young Science and Technology Prize, China Association for Science and Technology, 1990; Ph.D. Recipient with Outstanding Contributions (State Council and State Education Commission), 1991; 1st Place CAS Science and Technology Advancement Award, 1991; 3rd Place CAS Science and Technology Advancement Award, 1992; 2nd Place CAS National Science Award, 1994; China Young Scientist Award, 1994; 2nd Place PLA Science and Technology Advancements Awards, 1995; "Outstanding Young Scholars", Hong Kong Qiu Shi Sci & Tech. Foundation, 1995; 2nd Place CAS Natural Science Award, 1997; 2nd Place Beijing Science and Technology Advancement Award, 1998; 2nd place Science and Technology Advancement Award (State Education Commission), 1998; 2nd Place PLA Science and Technology Advancement Award, 1999; International Medal, Society of Chemical Industry, London, UK, 2001; 1st Place Yunnan Science and Technology Advancement Award, 2001; China’s 1st Top Ten Pioneers of Science and Technology 2002; 1st Place Beijing Science and Technology Advancement Award, 2006; UNESCO First Medal “Contributions to Development of Nanosciences and Nanotechnology, 2010; 3rd “Chemistry Contribution Prize” of Chinese Chemical Society-China Petroleum & Chemical Cooperation, 2012.

Fellowships/ Memberships: Member, CAS, 1997; Fellow, TWAS, 1997; Bureau Member, International Union of Pure and Applied Chemistry (IUPAC), 2001-2009; Member, Executive Committee of IUPAC, 2003-2009; Foreign Member, Mongolian National Academy of Sciences, 2005; Honorary Member, World Innovation Foundation, 2006; Honorary Fellow, The Royal Society of Chemistry (FRSC), UK, 2007; Foreign Member, Russian Academy of Sciences, 2008; Honorary Fellow, The Indian Academy of Sciences, 2008; Honorary Academic Fellow, Roskilde University, Denmark 2008; Honorary Fellow, The Chemical Research Society of India, 2009; Member, The German National Academy of Science and Engineering, 2011; Foreign Member, Royal Danish Academy of Sciences and Letters, 2012; Corresponding Fellow, Australian Academy of Science, 2013; Honorary CSJ Member, 2013.

Research Areas: Structure and properties of polymer catalysts; X-ray crystallography of organic compounds; Molecular mechanics and EXAFS research on electro-conducting polymers; Scanning tunneling microscopy; Molecular nanostructures; Self-assembly, Novel nanomaterials; Molecular nanodevices; Single molecule detection.
**Cao, Jinde**

**FOREIGN FELLOW: Elected 2016**

Born in Wuhu, Anhui Province, China, on November 8, 1963

Dean, School of Mathematics, Southeast University

No. 2, SEU Road, Jiangning District, Nanjing 211189, China

Tel: (Off) +86-25-52090588

Mob: +86-13809034558

Email: jdcao@seu.edu.cn; jdcoseu@gmail.com

**Education:**

Anhui Normal University, China: B.Sc., 1986; Yunnan University, China: M.Sc., 1989; Sichuan University, China: Ph.D., 1998; The Chinese University of Hong Kong, China: Postdoc., 2002.

**Positions Held:**

Endowed Chair Professor, Southeast University, China, 2017 to date; Distinguished Professor, Southeast University, China, 2007 to date; Dean, School of Mathematics, Southeast University, China, 2014 to date; Director, The Jiangsu Provincial Key Laboratory of Networked Collective Intelligence, China, 2017 to date; Director, Research Center for Complex Systems and Network Sciences, Southeast University, China, 2011 to date; Professor, Yunnan University, China, 1996-2000; Professor, Southeast University, China, 2000 to date.

**Awards:**

National Innovation Award of China, 2017; The State Council Special Allowance, China, 2016; Thomson Reuters China Citation Laureates Award, Thomson Reuters, 2014; Highly Cited Researcher, Thomson Reuters/ Clarivate Analytics, 2014-2021; Most Cited Chinese Researcher, Elsevier, 2015-2021; First Class Science and Technology Award, Jiangsu Province of China, 2011; Thomson Reuters Research Fronts Award, 2008; Second Class Natural Science Award, Ministry of Education of China, 2007; Obada Prize, Natural Sciences Publishing Cor., 2019; Gold medal of Russian Academy of Natural Sciences, 2020.

**Fellowships/ Memberships:**

Fellow, IEEE, 2015; Member, Academia Europaea (Academy of Europe), 2016; Fellow, Pakistan Academy of Sciences, 2016; Member, European Academy of Sciences and Arts, 2018; Academician, The International Academy for Systems and Cybernetic Sciences, 2019; Fellow, African Academy of Sciences, 2019; Member, Russian Academy of Engineering, 2020; Member, Russian Academy of Sciences, 2020; Full member, Sigma Xi, 2020; Fellow, AAIA, 2021; Distinguished Fellow, IETI, 2021.

**Research/ Areas:**

Neural networks; Computational intelligence; Complex networks; Complex systems; Intelligent control; Multi-agent system; Differential equations; Applied mathematics.

---

**Basha, Fatima Z.**

**FOREIGN FELLOW: Elected 2013**

Born in Hassan, India, on November 6, 1950

**Current Position:** Foreign Faculty Professor, H.E.J. Research Institute of Chemistry, International Center for Chemical and Biological Sciences, University of Karachi, 2006 – present.

Tel: +9926 1767; Cell: 0341 227 9107

Email: bashafz@gmail.com

**Education:**

**Positions Held:**

Senior Group Leader, Associate Research Fellow, Volwiler Society, Drug Discovery Research, ABBOTT LABORATORIES, USA, November, 1998 to June, 2006; Senior Group Leader, Associate Research Fellow, Volwiler Society, Infectious Diseases Research, ABBOTT LABORATORIES, USA, December, 1998 to November, 2001; Senior Group Leader, Associate Research Fellow, Volwiler Society, Immunoscience Research, ABBOTT LABORATORIES, USA, May, 1998 to November, 1998; Senior Group Leader, Associate Research Fellow, Volwiler Society, Infectious Diseases Research, ABBOTT LABORATORIES, USA, March, 1997 to April, 1998; Senior Group Leader, Associate Research Fellow, Volwiler Society, Neuroscience Research, ABBOTT LABORATORIES, USA, October, 1994 to March, 1997; Senior Group Leader, Associate Research Fellow, Volwiler Society, Cardiovascular Research, ABBOTT LABORATORIES, USA, October, 1992 to September, 1993; Associate Research Fellow, Volwiler Society, Cardiovascular Research, ABBOTT LABORATORIES, USA, December, 1991 to September 1992; Research Investigator, Cardiovascular Research, ABBOTT LABORATORIES, USA, January 1989 to January 1992; Senior Research Scientist, Cardiovascular Research, ABBOTT LABORATORIES, USA, September 1984 to January, 1988; Research Scientist, Cardiovascular Research, ABBOTT LABORATORIES, USA, June 1981 to September 1984.

**Awards:**

Tamgha-i-Imtiaz, by Government of Pakistan.

**Fellowships/ Memberships**

Member of Phi Lambda Epsilon Honorary Chemical Society; Member of American Chemical Society and Sigma Xi; Member of Volwiler Society, Abbott Laboratories.

**Research/ Areas:**

Synthetic Organic Chemistry

**Fellowships/ Memberships:**  
Fellow, The Royal Society, London, 1994; Fellow, Royal Society of Chemistry; Foreign Member, Indian National Academy of Sciences, 1998; Fellow, The World Academy of Sciences (TWAS), 1999; Honorary Fellow, Indian Academy of Sciences, 2001; Foreign Member, Mongolian Academy of Sciences, 2008; Member, Academia Europaea, 2009; Platinum Medal, Institute of Materials, Minerals and Mining, 2011; Member, German National Academy of Science, Leopoldina, 2011; Member, German National Academy of Engineering, Acatech, 2013; Member, American Academy of Arts and Sciences, 2014; Honorary Fellow, Singapore National Academy of Sciences, 2019; Foreign Fellow, Indian National Science Academy, 2019.

**Research/Areas:**  
CUI, Peng
FOREIGN FELLOW: Elected 2020

Born in Shaanxi, P. R. China on August 7, 1957

Professor of Institute of Geographical Sciences and Resources and Institute of Mountain Hazards and Environment, Chinese Academy of Sciences

Current address: P.O. Box 417, Chengdu 610041, Sichuan, P. R. China
E-mail: pengcui@imde.ac.cn Tel/Fax: 86 28 85238460

Education:

Positions Held:

Awards:
Second Class of National Science and Technology Progress Award of China (Rank No.1), Debris Flow Mitigation Theory and Technology of Mountain Road and Railway, 2009; The Distinguished Researcher Award of the World Association of Soil and Water Conservation (WASWAC), 2010; Outstanding Scientific and Technological Achievement Award of Chinese Academy of Sciences (Rank No.1), Research on the formation mechanism and prevention of mountain disasters, 2020; Outstanding Contribution Team for Debris Flow Research, Chinese Academy of Sciences (Team leader), 2015; National Innovation Award, by China Science and Technology Association, 2020; The National Outstanding Scientist Award, by China Science and Technology Association, 2010; Award for Outstanding Innovation Expert of Sichuan Province, 2013; First Class of Science and Technology Progress Award of Tibet Autonomous Region (Rank No.1), Theory and Key Technology of Mountain Disaster Prevention and Control in Sichuan-Tibet Transportation Corridor, 2021; First Class of Science and Technology Progress Award of Sichuan Province (Rank No. 1), A study on integrated debris flow management at UNESCO world heritage site (Jiuzaigou), 2003; First Class of Science and Technology Progress Award of Sichuan Province (Rank No. 1), Debris flow control for highway in mountainous region, 2006; First Class of Science and Technology Progress Award of Sichuan Province (Rank No. 1), Mechanisms of secondary geohazards formation and risk control in Wenchuan earthquake affected region, 2013; First Class of Science and Technology Progress Award of Sichuan Province (Rank No. 2), Key technology of debris flow control based on process regulation, 2019; First Class of Science and Technology Award (Atlas of Mountain Hazards and Soil Erosion in the Upper Yangtze, Chief editor), by Chinese Society of Soil and Water Conversation, 2015; Award for Outstanding Contribution in Wenchuan Earthquake Relief, by Sichuan Provincial Government, 2008; Outstanding Teacher of University of Chinese Academy of Sciences, 2016.

Fellowships/ Memberships:
Alliance of International Science Organizations on Disaster Risk Reduction (ANSO-DRR), Co-Chair (2019.12-present); Integrated Research on Disaster Risk (IRDPR supported ISC and UNDRR), Scientific Committee Member (2015.12-present); International Consortium on Landslides, Board Member (2003.09-present); Asian Network on Debris Flow, Founder and Secretary General (2010.08-present); Expert Advisory Committee of National Program on Key Basic Research Project of China (973 Program), Deputy head of Resources and Environment Team (2007.11-2012.11); Sichuan Association of Science and Technology, Vice President (2019.04-present); The 6th Council of China Scientific Expedition Association, Chairman (2019.12-present); The 9th/10th Council of Geographical Society of China, Vice President (2010.05-2018.12); The 5th Council of Chinese Society of Water and Soil Conservation, Vice President (2016.12-present); The 8th/9th Council of Chinese Association for Quaternary Research, Vice President (2016.01-2023.12); China Society on Tibetan Plateau, Vice President (2020.01-2023.12); Future Earth—China Committee, Member (2017.01-present); Geological disaster prevention and emergency expert of Ministry of Land and Resources of China (2009.07-2016.02); Service to Journals: Founder and Editor-in-Chief: Journal of Mountain Science; Associate Editor: Acta Geologica Sinica (till 2018); Member of Editorial Board: Landslides, International Journal of Sediment Research, Mountain Research and Development (till 2022), Frontiers of Earth Science, Advances in Climate Change Research.

Research/Areas:
Natural geography and soil and water conservation, Formation mechanism, risk assessment, monitoring and early warning, prevention and control technology of mountain hazards.
Gilani, G. Sarwar

FOREIGN FELLOW: Elected 2011

Born in British India, in 1943

Nutrition & Health Advisor (Independent)

506 Caracole Way, Ottawa, Ontario, Canada K4A 0W3

Tel: 1-613-889-3034

Email: gilanisarwar@rogers.com

Education:

Positions Held:

Senior Research Scientist, Bureau of Nutritional Sciences, Health Products and Food Branch, Health Canada, Government of Canada, 1982 to 2011; Scientific Evaluator, Health Protection Branch, Government of Canada, 1977 to 1981; Professional Research Associate, Rapeseed Association of Canada, 1975 to 1976; Post-doctorate Research Fellow, University of Alberta; Adjunct Professor, McGill University (Canada), 1984 to 1992; Adjunct Professor, Laval University (Canada), 1985 to 1990; Lecturer, University of Peshawar, 1968 to 1969.

Awards:

The Queen’s Golden and Diamond Jubilee Medals (2003 and 2013); Health Canada’s Award for Excellence in Science (2004)

Fellowships/ Memberships:

Chair, Editorial Board, AOAC International (2013-2016); Member of WHO/FAO Expert Consultations on Protein and Amino Fellow, Association of Official Analytical Communities (AOAC) International; Chair, Editorial Board, AOAC International (2013-2018); Member of WHO/FAO Expert Consultations on Protein and Amino Acid Requirements for Human Nutrition (2002) and of FAO/WHO Expert Consultations on Protein quality Evaluation in Human Nutrition (1990, 2001 and 2011); Member of Codex Committee on Vegetable Proteins for establishing international standards for international trade (1980-1989); Member, American Society for Nutritional Sciences and Canadian Society for Nutritional Sciences; Scientific Advisor to Pakistan under the UNDP and the President's Programme for Care of Highly Qualified Pakistanis (2015, 2011, 2008, 2004, 2003, 1999, 1991; Scientific Consultant to FDA and LSRO (Life Sciences Research Office), USA; Member, Expert Review Panels, Centre of Excellence, Government of Canada dealing with Food, Nutrition and Health (2000-2005); Organized and/ or chaired international symposia including those sponsored by FABA (Federation of Asian Biotech Associations) with headquarters in India; Member, Editorial Board of an international journal “ Plant Foods for Human Nutrition: Section Editor of Journal of AOAC International.

Research/Areas:

Research regarding safety and nutritional quality of the food supply to prevent acute and chronic diseases and nutrient imbalances in general populations and in sub-groups at increased risk with reduction of corresponding health care costs.

Hassan, Mohamed Hag Ali

FOREIGN FELLOW: Elected 2002

Born in Elgetina, Sudan, on November 21, 1947

Sudanese National Academy of Sciences (SNAS) Alshifa Street, Block 11, Building 7/31 Khartoum North Sudan

Tel: +249183590631
Mobile: +249901232313
Email: hassan@ictp.it

Education:

Positions Held:

Full Professor and Dean, Faculty of Mathematical Sciences, University of Khartoum; President of the Inter Academy Partnership (IAP); founding Executive Director of the World Academy of Sciences (TWAS); President of the African Academy of Sciences (AAS); founding President of the Network of African Science Academies (NASAC); Chairman of the Council of the United Nations University (UNU); and Chairman of the Honorary Presidential Advisory Council for Science and Technology, Nigeria; President of The World Academy of Sciences (TWAS), Italy; President of the Sudanese National Academy of Sciences (SNAS), Sudan; Chairman of the Governing Council of the United Nations Technology Bank for the Least Developed Countries, Turkey and Chairman of the International Advisory Board of the Centre for International Development (ZF), Germany; Member of the Board of Directors of Grand Challenges Canada ( GCC ), Canada; the Board of Trustees of Bibliotheca Alexandrina, Egypt; the Council of Science and Technology in Society (STS) Forum, Japan; and the Steering Committee of the World Science Forum, Hungary

Awards:

Comendator, Grand Cross, and National Order of Scientific Merit, Brazil; Officer, Order of Merit of the Italian Republic. G77 Leadership Award and the Abdus Salam Medal for Science and Technology

Fellowships/ Memberships:

Fellow/Member of TWAS; AAS; the Islamic World Academy of Sciences; Academia Colombiana de Ciencias Exactas, Fisicas y Naturales; Académie Royale des Sciences, Belgium; Pakistan Academy of Sciences; Academy of Sciences of Lebanon; Cuban Academy of Sciences; academy of Sciences of South Africa; the Pontifical Academy of Sciences and Hassan II Academy of Science and Technology

Research/Areas:

Iqbal, Khalid

FOREIGN FELLOW: Elected 2019

Born In Lahore, Pakistan, March 15, 1943

Chairman, Department of Neurochemistry
New York State Institute for Basic Research in Developmental Disabilities, Staten Island, New York, USA
Professor of Neuroscience, City University of New York

Tel: +1-718 494 5259
Mob: +1-917 455 5015
Email: khalid.iqbal.ibr@gmail.com

Education:  
B.S., Govt. College, Lahore, 1962; B.Sc. Hons., Institute of Chemistry, University of Punjab, Lahore, 1963; M.Sc., University of Punjab, Lahore, 1964; Ph.D., University of Edinburgh, UK, 1969

Positions Held:  
Postdoctoral Fellow, (Laboratory of Dr. C. Wu, Dept. of Medicine) University of Michigan, Ann Arbor, 1969–1970; Postdoctoral Fellow, (Laboratory of Dr. S. Gabay, Dept. of Pharmacology) Biochemical Research Laboratory of Harvard Dental School at Veterans Administration Hospital, Brockton, Massachusetts, 1970–1971; Postdoctoral Fellow, (Laboratory of Drs. I. Tellez Nagel, and R.D. Terry Dept. of Pathology) Albert Einstein College of Medicine, Bronx, New York, 1971–1973; Instructor of Pathology (Neuropathology), Albert Einstein College of Medicine, Bronx, New York, 1973–1974; Assistant Professor of Pathology (Neuropathology), Albert Einstein College of Medicine, Bronx, New York, 1974–1977; Research Scientist V (equivalent to the rank of an Associate Professor) and Head, Chemical Neuropathology, NYS Institute for Basic Research in Developmental Disabilities, Staten Island, New York, 1977–1982; Research Scientist VI (equivalent to the rank of a full Professor) and Head, Chemical Neuropathology, NYS Institute for Basic Research in Developmental Disabilities, Staten Island, New York, 1982–1997; Chairman, Department of Pathological Biochemistry, NYS Institute for Basic Research, Staten Island, New York, 1983–1988; Rotating Chairman, Department of Neurochemistry, NYS Institute for Basic Research, Staten Island, New York, 1996–1997; Research Scientist VII (equivalent to rank of a senior full professor) and Head, Chemical Neuropathology, NYS Institute for Basic Research, Staten Island, New York, Since 1997; Chairman, Department of Neurochemistry, NYS Institute for Basic Research, Staten Island, New York and Professor of Neuroscience, The Graduate Center, The City University of New York, New York, Since 1998.

Awards:  
Post Doctoral Research & Workshop Award, California Chapter, Committee to Combat Huntington’s Disease, 1972; Moore Award, American Association of Neuropathologists, 1973; Abraham and Joseph Spector Fellow in Pathology, Albert Einstein College of Medicine, 1974–1977; Invited speaker and moderator of many national and international Symposia/Conferences on Alzheimer disease and related disorders, Since 1973; Founder and Executive Convener, First International Conference on Alzheimer’s Disease & Related Disorders, Las Vegas, 1988; Chairman, Second International Conference on Alzheimer’s Disease & Related Disorders, Toronto, Canada, 1990; Chairman, Program Committee, Third International Conference on Alzheimer’s Disease & Related Disorders, Padova, Italy, 1992; Zenith Award, Alzheimer’s Association, USA, 1992; Chairman, Fourth International Conference on Alzheimer’s Disease & Related Disorders, Minneapolis, Minnesota, 1994; Potamkin Prize for Research on Alzheimer’s Disease, American Academy of Neurology, USA, 1995; Chairman, Fifth International Conference on Alzheimer’s Disease & Related Disorders, Osaka, Japan, 1996; Keynote speaker, M.I.D. Chaghtai Lecture at the Meeting of the Pakistan Society of Biochemistry, Lahore, Pakistan, 1996; Honorary Professor, Capital University of Medical Sciences, Beijing, P.R. China, 1996; Honorary Professor, Tongji Medical University, Wuhan, P. R. China, 1997; Chairman, Sixth International Conference on Alzheimer’s Disease & Related Disorders, Amsterdam, Netherlands, 1998; Chairman, Seventh International Conference on Alzheimer’s Disease and Related Disorders, Washington, D.C., July 9–13, 2000; Chairman, Eighth International Conference on Alzheimer’s Disease and Related Disorders, Stockholm, Sweden July 20–25, 2002; Chairman, Scientific Advisory Board, Axon Neuroscience, Vienna, Austria, 2001; Chairman, Ninth International Conference on Alzheimer’s Disease & Related Disorders, Philadelphia, PA, July 18–23, 2004; Chairman, Tenth International Conference on Alzheimer’s Disease & Related Disorders (ICAD), Madrid, Spain, July 16–20, 2006; Chairman, Eleventh International Conference on Alzheimer’s Disease & Related Disorders (ICAD), Chicago, IL, July 26–31, 2008; Alzheimer’s Association, USA, has established the Khalid Iqbal Life Achievement Award for Alzheimer’s Disease Research which is given out to a distinguished Alzheimer disease researcher at the opening ceremony of the International Conference on Alzheimer’s Disease (ICAD) every year, 2009; Overseas Visiting Professor, Aino University, Ibaraki City, Osaka, Japan, 2016; Awarded Honorary Doctor of Science from the City University of New York College of Staten Island, Staten Island, New York, 2016

Fellowships/  
Memberships:

Research/Areas:
Neuroscience, Neurobiology, Neurochemistry, Biochemistry, Neurodegenerative Diseases, Brain Aging and Dementia, Alzheimer’s Disease
Khan, Shahbaz

FOREIGN FELLOW: Elected 2021

Director, UNESCO Regional Science Bureau Asia and the Pacific, Jakarta, Indonesia

Tel: +62-8179996667
Email: dskhan@yahoo.com

Professor Shahbaz Khan was appointed as the Director of the UNESCO Office in Beijing and UNESCO Representative to the Democratic People’s Republic of Korea, Japan, Mongolia, People’s Republic of China, and the Republic of Korea on 9 March 2021.

Prof Khan joined UNESCO in 2008 at its Headquarters as Chief of the Water and Sustainable Development Section. Then he served as the Director of the Regional Bureau for Sciences in Asia and the Pacific in Jakarta, Indonesia, and UNESCO Representative to Indonesia, Brunei Darussalam, Malaysia, the Philippines and Timor-Leste (2015-2021).

He has worked in Australia, France, Indonesia and Pakistan in various research, consultancy and policy positions around hydrology and sustainable development. His work has been widely recognized e.g. 2019 China Friendship Award, Great Wall Friendship Award China 2017 and Land and Water Australia’s Eureka Prize 2007.

Prof Khan holds a Hon Doctorate Environment and Development from the National University of Malaysia and Hon DSc from the University of Birmingham.

Kharin, Stanislav Nikolaevich

FOREIGN FELLOW: Elected 1998

Born in Kaskellen Village of Almaty Region, Kazakhstan, on December 4, 1938

Tolebi, Almaty, 050000, Kazakhstan

Residence: 050043 Almaty Orbita-1-24-6, Kazakhstan

Tel: +7 7272 290240
Email: snkharin@yahoo.com

Education:
Kazakh State University (named after S. M. Kirov), Kazakhstan: Student, Faculty of Mathematics and Mechanics, 1956-1961; Postgraduate Student at the Chair of Mathematical Physics Equations, 1961-1964; Masters in Physical and Mathematical Sciences, 1968; Doctor of Science (PhD), Thermodynamics Institute of the Siberian Branch of the USSR Academy of Sciences, Novosibirsk, Russia, 1990.

Positions Held:

Awards:
Awarded title of Professor in Mathematical Physics, 1991; Medal “Inventor USSR” for Introduction of the Mathematical Base of Bimetallic Switches in Electrical Apparatus, 1982; Gold Medal of the Exhibition of the National Economy Achievements of the USSR for invention of Electrical Connector SP-063; Academic rank of Academician of the National Academy of Sciences of Kazakhstan, 2003.

Fellowships/ Memberships:
Member, Specialized Council for Masters and Ph.D. Degrees, Kazakhstan Academy of Sciences, 1969-1980; President, Malý Academy of Sciences for Schoolboys, 1995 to date; Member, Editorial Board of Transactions of the Kazakhstan Academy of Sciences, Series of Physics and Mathematics, 1996 to date; Member, Scientific Council of the Institute of Mathematics of Kazakhstan Academy of Sciences, 1980 to date; Chairman, Committee for Coordination of Investigations of the Former USSR Countries in the Fields of Electrical Contacts and Electrodes, 1995 to date; Co-Chairman, Committee for Scientific and Technological Cooperation between Republic of Kazakhstan and the Islamic Republic of Pakistan, 1996-2005; Academic rank of Associate Member of the National Academy of Sciences of Kazakhstan, 1994.

Research/Areas:
Mathematical Physics and Mechanics, Mathematical Models of Thermophysical Processes in Electrical Contacts.
Maiani, Luciano

FOREIGN FELLOW: Elected 2000

Born in Roma, Italy, on July 16, 1941

Physics Department, University of Roma La Sapienza
Piazza A. Moro 5, 00185 ROMA, ITALY

Tel: 0039-06-49914323
Email: luciano.maiani@roma1.infn.it

Research/ Areas: Particle Physics.

Langer, Peter

FOREIGN FELLOW: Elected 2012

Born in Hannover, Germany, on February 20, 1969

Full Professor and Head of Department of Organic Chemistry, University of Rostock, Germany

Tel: 0049 381 4986410
Email: peter.langer@uni-rostock.de

Positions Held: Full Professor and Head of the Department of Organic Chemistry, University of Rostock, Germany (2004 - today); Head of the Department Organic Synthesis of Leibniz Institute of Catalysis at the University of Rostock e.V. (LIKAT) (2005 - today); Full Professor and Head of Chair of Bioorganic Chemistry, University of Greifswald, Germany (2002-2004); Acting Professor, University of Greifswald, Germany (2001-2002).

Awards: Award of the Faculty of Chemistry of the University of Hannover (1997); Thieme-Journal-Award (2000); Gold Medal of Yerevan State University, Armenia (2010); Doctor Honoris Causa, Yerevan State University, Armenia (2011); Doctor Honoris Causa, Vietnam National University, Hanoi, Vietnam (2012); Professor Honoris Causa, University of Mosul, Iraq (2012); Doctor Honoris Causa, Tishreen University Lattakia, Syria (2012).

Fellowships/ Memberships: Scholar of the Studienstiftung des Deutschen Volkes (1992-1994); Ph.D. Scholarship Feodor-Lynen Scholar of the Alexander von-Humboldt Foundation (1997-1998); Liebig Scholar of the Verband der Chemischen Industrie (1998-2001); Heisenberg Scholar (2001); Member of the German Chemical Society (since 1996); Member of Deutscher Hochschulverband (since 2000); Member of the Academic Council of COMSATS Institute of Information Technology (CIIT), Pakistan (since 2012); Member of the Editorial Board of ‘Journal of Carbohydrate Chemistry’ (since 2008); Member of the Editorial Board of ‘Materials’ (since 2009); Associate Editor of ‘Current Bioactive Compounds’ (since 2008); Associate Editor of ‘Current Organic Synthesis’ (since 2009); Member of the Editorial Board of ‘Biochemical Compounds’; Guest Editor, TetrahedronSymposium-in-Print (2009); Associate Editor of the Journal of the Chemical Society of Pakistan (since 2011); Foreign Fellow of the Pakistan Academy of Science (2013).

Research/ Areas: Synthetic organic chemistry, domino reactions, cyclization reactions, catalysis, organosilicon chemistry, heterocycles, medicinal chemistry, natural products, carbohydrates, new organic materials.
Niemela, Joseph J.

FOREIGN FELLOW: Elected 2019

Born in Portland, Oregon, USA on July 13, 1954

Consultant/Scientist Emeritus, The Abdus Salam ICTP, Strada Costiera 11, 34151 Trieste, Italy

Tel: (39 040) 224 0607
Mob: (39 366) 655 0648
Email: niemela@ictp.it; joseph.niemela@gmail.com

Education: University of Oregon, Eugene, Oregon USA: B.Sc. (Hons), 1982; Univ. of Oregon, Eugene, Oregon, USA: Ph.D., 1987; University of California, Santa Barbara: Postdoctoral Fellow 1988-1989

Fellowships/Memberships: Elected Fellow, American Physical Society 2015; Member, Committee on International Scientific Affairs (CISA), American Physical Society; Chair, Forum on International Physics (FIP), American Physical Society (2022); Chair, Inter-divisional Group Physics for Development, European Physical Society, 2015-present; Chair, TWAS Physics Grants Committee, 2015-present; Treasurer, International Commission for Optics; Convener, IYQ2025 Executive Committee, American Physical Society; Co-Chair, UNESCO International Day of Light; Regular Member Sigma XI.

Research/Areas: Low Temperature Physics, Fluid Turbulence, Quantum Turbulence.

Nieschlag, Eberhard

FOREIGN FELLOW: Elected 1996

Born in Germany, on July 16, 1941

Former Director, Institute of Reproductive Medicine University of Münster, Domagkstr. 11, D-48149, Münster, Germany

Email: eberhard.nieschlag@ukmuenster.de

Education: University of Bonn and Munich: Study of Medicine, 1961-1967 University of Bonn: Doctoral degree (Dr. med.) 1967; Studies at several other institutions in UK, USA and Sweden.

Positions Held: Since 2011 Director of QuaDeGA (Quality Control Program of the German Society of Andrology); University of Münster, Germany: Full Professor of Reproductive Medicine, 1992 to date; Associate Professor of Internal Medicine, 1976; Director, Institute of Reproductive Medicine, 1986 to 2008; Director, Max Planck Clinical Research Unit for Reproductive Medicine, Münster, 1980 to 1989.

Research/Areas: Internal Medicine, Reproductive Medicine, Endocrinology and Andrology (Male infertility, male hypogonadism, testosterone treatment, male contraception, doping control for anabolic steroids).
OZTÜRK, MÜNİR

FELLOW: Elected 2020

Born in Srinagar-Kashmir, on December 6, 1943

Retired Professor, Ege University, Izmir, Türkiye

Home Address: 915 Sokak, NU:200, Atatürk Mahallesi, Bornova, Izmir

Mob: ++90 535 309 8104
Email: munirozturk@gmail.com

Education: University of Jammu & Kashmir, KASHMIR: M.Sc. (Botany), 1964; Ege University-Izmir, Türkiye: PhD (Ecology), 1970.; D.Sc. Ege University-Izmir, Türkiye; Full Professor, 1980 Ege University-Izmir, Türkiye.

Positions Held: Rtd. Professor, Ege University, İzmir-Türkiye-2000: Vice President, Islamic World Academy of Sciences: 2017 onwards; Founding Director Centre for Environmental Studies, Ege University, Türkiye: 1990-2000; Chairman, Botany Department, Ege University: 1982-1984; Director Botanical Garden Ege University, 1982-1984.

Research/Areas: Medicinal and Aromatic Plants, Eco-Physiology, Conservation & Management of Plant Diversity, Pollution, Biomonitoring, Wastewater Renovation, Biosaline Agriculture, Biomass & Bioenergy.

PETRSON, R. J.

FOREIGN FELLOW: Elected 1996

Born in Everett, Washington State USA, on October 10, 1939

Professor Emeritus of Physics,
University of Colorado, Boulder, Colorado 80309-0390, USA

Tel: (303) 492-1686
Email: jerry.peterson@colorado.edu

Positions Held: Professor Emeritus of Physics, University of Colorado, USA; Professor of Physics and of International Affairs, former Interim Vice Chancellor for Research, University of Colorado Boulder, USA; Visiting Professor, University of Copenhagen, Niels Bohr Institute, Denmark, University of Tokyo, Japan and University of Rio de Janeiro, Brazil; Various ranks, University of Colorado, Boulder, 1970-present; Research Faculty Member, Yale University, USA, 1968-1970; Instructor, Princeton University, USA, 1966-1968.

Awards: Fellow, American Physical Society; Foreign Fellow, Pakistan Academy of Sciences; Fellow, Japan Society for the Promotion of Science; Jefferson Science Fellow, US Department of State.

Fellowships/Memberships: Member, American Physical Society, American Nuclear Society; Member, Long Range Plan Panel, Nuclear Sciences Advisory Committee, 1992; Member, US National Science Foundation (NSF), Physics Division Committee of Visitors, 1994, 1997; Chairman, Nuclear Physics Laboratory, 1980-81, 1988-89, 1994-96; Chairman, LAMPF User Group, 1992-93; Program Director, Intermediate Energy Physics, Physics Division, NSF, 1978-79; Member, International Conference on Nuclear Science and Technology, Turkey, 2nd & 3rd International Conferences on Nuclear and Radiation Science, Kazakhstan, and others.

Qaim, Syed Muhammad

FOREIGN FELLOW: Elected 1990

Born in Fatehpur, British India, on January 5, 1941

Advisor, Institute of Nuclear Chemistry,
Forschungszentrum, Jülich GmbH, and Professor of Nuclear Chemistry, Universität zu Köln D-52425, JÜLICH, Germany

Tel: +49 (0) 2461 613282
Fax: +49 (0) 2461 612535
Email: s.m.qaim@fz-juelich.de

Education:
Govt. College and University of the Punjab, Lahore, Pakistan: B.Sc., 1958; M.Sc., 1961; Liverpool University, United Kingdom: Ph.D., 1964; Birmingham University, United Kingdom: D.Sc., 1977

Positions Held:
Research Associate, Birmingham University, United Kingdom, 1964–1966; Senior Scientific Officer, Atomic Energy Centre, Lahore, Pakistan, 1966-1968; Alexander von Humboldt Fellow, Mainz University, Germany, 1968-1970; Institute of Nuclear Chemistry of the Research Centre Juelich, Germany: Scientist, 1970–1975; Group Leader, 1975–1985; Division Leader, 1985–1995; Acting Director, 1995–1996; Vice Director 1996–2006; Advisor/Guest, 2006 to date; also Professor of Nuclear Chemistry at University of Cologne, Germany, 1997 to date; Chairman International Nuclear Data Committee of IAEA, 2002-2008; Chairman of Education and Training Committee of the World Council on Isotopes (WCI), 2020 to date

Awards:

Fellowships/Memberships:

Research/Areas:
Nuclear chemistry, analytical radiochemistry, medical radionuclides.
Siddique, Kadambot H.M.

FELLOW: Elected 2021

Born in India, on November 20, 1955

Hackett Professor,
The University of Western Australia (UWA), Perth, Western Australia

Mobile: +61 411 155 396
Email: Kadambot.siddique@uwa.edu.au

Education:
The University of Western Australia, Western Australia, Australia, PhD, Environmental and Crop Physiology, 1985; Indian Agricultural Research Institute, New Delhi, India, MSc (Ag), Crop Physiology, 1979; Kerala Agricultural University, Kerala, India, BSc (Ag) Hons, Agricultural Science, 1977.

Positions Held:
Hackett Professor of Agriculture Chair & Director, The UWA Institute of Agriculture, The University of Western Australia 2012 to present; Associate Dean Research, Faculty of Natural and Agricultural Sciences, The University of Western Australia, 2010-2012; Winthrop Professor of Agriculture Chair & Director, The UWA Institute of Agriculture, The University of Western Australia, 2006-2012; Director and Professor (Crop Science), Centre for Legumes in Mediterranean Agriculture (CLIMA), Faculty of Natural and Agricultural Sciences, The University of Western Australia, 2001-2006; Leader, Pulse Productivity Program, Department of Agriculture Western Australia, 2000-2001; Principal Pulse Agronomist/Physiologist, Department of Agriculture, WA and Sub-Program Leader, CLIMA, The University of Western Australia, 1996-2001; Senior Pulse Agronomist/Physiologist, Department of Agriculture Western Australia, 1992-1996; Cereal Physiologist, Department of Agriculture, Western Australia, 1985-1992; Research Associate, International Centre for Agricultural Research the Dry Areas (ICARDA), Aleppo, Syria, 1980-1981.

Awards:
Elected as the Foreign Fellow of the Pakistan Academy of Sciences (FPAS, 2021; Highly Cited Researcher (Hi Ci) (i) Agricultural Sciences (ii) Plant and Animal Science, 2021; The Australian’s 2021 Research magazine nation’s “Top Researcher” in the field of Botany, 2021; Western Australian Indian of the Year 2021; Highly Cited (Hi Ci) Researcher in Agricultural Sciences, 2020 and 2019; The Friendship Award from the Chinese Central Government, 2019; Excellence Award for community service from the World Malayalee Council (WMC), 2019; elected Foreign Fellow of the African Academy of Sciences, 2018; Global Agricultural Research Leadership Award from the Indian Council of Food and Agriculture (ICFA), 2017; Government of India Minister for Agriculture honoured Professor Siddique for his outstanding contributions to global pulses research and development, 2016; Grains Industry Association of Western Australia (GIWA) award for his lifetime contribution to the pulse industry, 2016; designated Special Ambassador by the UN FAO for the International Year of Pulses, 2016; The Knowledge Nation 100-a group of Australians named in The Australian newspaper’s The Deal Magazine as the “stars of the Australian innovation constellation”, 2015; elected as the Foreign Fellow of the Indian National Academy of Agricultural Sciences (FNAAS, 2015; elected as the International Fellow of Indian Society of Plant Physiolog, 2015; Western Australian of the Year Award for his contribution to agricultural science and the farming community, 2014; Dunhuang Award by China’s Gansu Provincial Government, 2013; elected as a Fellow of the Agriculture Institute of Australia (FAIA), 2013; awarded the prestigious Hackett Professor of Agriculture Chair at The University of Western Australia, 2012; Member of the Order of Australia (AM) in the Queen’s Birthday Honours List, 2011; gold medal and citation from the former President of India, Dr APJ Abdul Kalam, for his international contribution to agricultural science and education, 2009; elected as a Fellow of the Australian Academy of Technological Sciences and Engineering (FTSE), 2005; Urrbrae Memorial Award for his contribution to Australian agricultural science and the industry, 2001.

Fellowships/
Memberships:
Fellow of the Pakistan Academy of Science; Fellow, African Academy of Science; Fellow, Australian Academy of Technological Science and Engineering; Member, Australian Society of Agronomy; Member, European Society of Agronomy; Member, European Grain Legume Association; Member, Indian Society of Pulse Research; Member, International Society of Lentil Research; Fellow, Australian Ag Institute Australia.

Research/Areas:
Over 30 years’ experience in agricultural research, teaching and management in both Australia and overseas. Developed a national and international reputation in agricultural science especially in the fields of crop physiology, production agronomy, farming systems, genetic resources, breeding research in cereal, grain and pasture legumes and oilseed crops. Conducted research on adaptation of crops to dryland environments and the phenological, morphological, physiological, biochemical and genetic traits that enable crops to cope with various abiotic stresses.

As a result of personal research and with others with whom he collaborates, Australia has become one of the major grain legume (pulse) exporting nations in the world. Pioneering research on chickpea has contributed enormously to the Australian chickpea industry, which is currently valued at more than $600 million per annum.

Trained numerous Honours, MSc and PhD students. Developed an extensive network of scientists within Australia and has also established a diverse range of overseas (China, India, Turkey, Syria, Iraq, Iran, Saudi Arabia, Oman, Malaysia, East Timor, Nepal, Bangladesh, Pakistan, Europe, Canada, USA) collaborative research and educational projects. He holds a number of national and international committee positions.
Smith, David L.

**Foreign Fellow: Elected 2017**

Born in USA, on June 7, 1944

Emeritus Professor of Chemistry, University of Nebraska, USA

**Tel:** 970 264 6647  
**Email:** dsmith7@unl.edu

**Education:** B.S. 1966, Ph.D. 1969, University of Kansas, Lawrence, Kansas; Postgraduate research at the University of Utah, Salt Lake City, Utah

**Positions Held:** Postdoctoral Research Associate, Department of Chemistry, University of Utah, 1969-1973; NATO Fellow, University of Paris-Sud, Orsay, France, 1974; Research Assistant Professor, University of Utah, 1975-1980; Research Associate Professor, University of Utah, 1981-1984; Associate Professor, Department of Medicinal Chemistry and Pharmacognosy, Purdue University, 1984-1989; Professor, Department of Medicinal Chemistry and Pharmacognosy, Purdue University, 1990-1994; Professor, Department of Chemistry, Director of Nebraska Center for Mass Spectrometry, University of Nebraska, 1994-2004.

**Fellowships/Memberships:** Thesis Honors; NATO Fellow, Petroleum Research Fund Fellowship; USAID Science Advisor for Pakistan; Editorial Board, Analytical Biochemistry; Editorial Board Molecular and Cellular Proteomics; National Institutes of Health Bioanalytical, Engineering and Chemistry Study Section; many ad-hoc Review Committees for the National Institutes of Health; CoChair Asilomar Conference on Mass Spectrometry; Fogarty Fellowship for Research at the Institute de BiologieStructurale, Grenoble, France; Protein Society; American Society for Mass Spectrometry; American Chemical Society; Association for Research in Vision and Ophthalmology.

**Research/Areas:** Physical Chemistry, Mass Spectrometry, Protein Structure and Dynamics.
Stein, Gary

FOREIGN FELLOW: Elected 1997

Born in 1943
Chair, Department of Biochemistry,
Co-Director, Vermont Cancer Center Burlington, VT, USA.

Tel: (802) 656-4874
Fax: (802) 656-8220
Email: gary.stein@med.uvm.edu

Education:
B.A., Biology, Hofstra University, Hempstead, New York, 1965; M.S., Biology, Hofstra University Hempstead, New York, 1966; Ph.D., Biology, University of Vermont, Burlington, Vermont, 1969.

Positions Held:
Temple University, Department of Pathology Philadelphia, Pennsylvania, 1969 – 1972; Postdoctoral Fellow (with Dr. Renato Baserga), University of Florida College of Medicine Department of Biochemistry and Molecular Biology, Gainesville, Florida; Assistant Professor, 1972 – 1975; Associate Professor, 1975 – 1979; Professor, 1979 – 1987; Associate Chairman, 1981 – 1986; University of Massachusetts Medical School Department of Cell Biology, Worcester, Massachusetts: Professor and Chairman, 1987 – present; Haidak Distinguished Professor & Chair of Cell Biology; Professor of Medicine; University of Massachusetts Cancer Center: Associate Director, 1993 – 1994; Deputy Director for Research, 1994 – 2005; Deputy Director, 2005 – 2009; Interim Director, 2009 – 2010; Co-Director, 2010-present; Center for Stem Cell Biology & Regenerative Medicine: Interim Director, 2007 – 2010; Director, The Human Embryonic Stem Cell Core, 2007-present.

Awards:
Basil O'Connor Faculty Fellow, 1970-1972; Elizabeth Winston Lanier-Kappa Delta Award from the American Academy of Orthopaedic Surgeons and the Orthopaedic Research Society (for defining interrelationships between control of cell growth and tissue specific gene expression), 1993; Brown University Steroid Hormone Research Award, 1997; Elected Member: Pakistan Academy of Sciences, 1997; Appointed: The Gerald L. Haidak, M.D. and Zelda S. Haidak Distinguished Professor and Chair of Cell Biology, 1999; William F. Neuman Award from the American Society for Bone and Mineral Research (with Jane Lian, for defining nuclear organization of gene regulatory machinery for biological control and cancer), 2007.

Fellowships/
Memberships:
Elected Fellow, American Association for the Advancement of Science; American Association for Cancer Research; American Chemical Society; American Society for Cell Biology; Fellow: American Association for Advancement of Science; American Society for Microbiology; International Cell Cycle Society Southeastern Cancer Research Association; American Society of Biological Chemists; New York Academy of Sciences; American Society of Bone and Mineral Research; Orthopedic Research Society; American Society of Hematology; International Society for Experimental Hematology; International Bone and Mineral Society; International Society for Stem Cell Research.

Research/Areas:
The pluripotent cell cycle in human embryonic and reprogrammed (iPS) stem cells. Regulation of cell cycle, cell growth and phenotypic (skeletal and hematopoietic) gene expression in normal and cancer cells. Interrelationships between proliferation and differentiation. Combinatorial organization, assembly and integration of gene regulatory machinery in nuclear microenvironments.
Ting, Samuel C.C. (Nobel Laureate in Physics)

FOREIGN FELLOW: Elected 1983

Born in Ann Arbor, Michigan, USA, on January 27, 1936

Thomas Dudley Cabot Professor of Physics,
Massachusetts Institute of Technology (MIT), USA

Education: Early education in Chungking, Nanjing (China) and in Taiwan, 1936-1956; University of Michigan, Ann Arbor, Michigan, USA: BSE (Physics & Mathematics), 1959; Ph.D. (Physics), 1962.

Positions Held: Presently Thomas Dudley Cabot Professor of Physics, Massachusetts Institute of Technology (MIT); Leader, Experimental Group, Deutsches Elektronen Synchotron, Hamburg, Germany, 1966; Assistant Professor, Columbia University, New York, 1964.

Awards: Ford Foundation Fellowship, 1963 (working at European Organization for Nuclear Research, Geneva, Switzerland); Nobel Prize in Physics, 1976; Ernest Orlando Lawrence Award, US Government, 1976; The Enriemen Medal, Society of Engineering Science, 1977; DeGasper Award in Science, Government of Italy, 1988; Golden Leopard Award for Excellence by the Town of Taormina, Italy, 1988; Gold Medal for Science by the City of Brescia, Italy, 1988; NASA Public Service Medal, 2001; World Federation of Scientists Erice Prize for Peace, 2011; Award for Compelling Results in Physical Sciences, NASA, 2017; Doctor Honoris Causa by University of Michigan, Ann Arbor, 1978; Chinese University, Hong Kong, 1987; University of Bologna, Italy, 1988; Columbia University, New York, 1991; University of Science & Technology, China, 1992; Moscow State University, Moscow, 1992; University of Bucharest, Romania, 1993; National Tsing Hua University (Taiwan), 2002; Hong Kong Baptist University, 2003; National Chiao Tung University (Taiwan), 2003; Rheinisch-Westfälische Technische Hochschule Aachen, 2004; National Central University (Taiwan), 2005; Hong Kong University of Science and Technology, 2005; Gustavus Adolphus College, 2013, etc.

Fellowships/Memberships: Ford Foundation Fellowship, 1963 (working at European Organization for Nuclear Research, Geneva, Switzerland); Member, American Academy of Arts and Sciences, 1975; Member, Academia Sinica, 1976; Member, US National Academy of Sciences, 1977; Foreign Member, Soviet Academy of Sciences, 1988; Foreign Member, Hungarian Academy of Sciences, 1993; Foreign Member, Chinese Academy of Sciences, 1994; Foreign Member, Russian Academy of Sciences, 1995; Member, Deutsche Akademie Der Naturforscher Leopoldina (Germany), 1996; Foreign Member, Royal Spanish Academy of Science, 2003; Fellow, American Association for the Advancement of Science, 2013.

Research/Areas: Physics.

Windley, Brian Frederick

FOREIGN FELLOW: Elected 2008

Born in London, UK, on Jan 19, 1936

Emeritus Professor of Tectonics, University of Leicester, UK

Tel: 0116-2414035
Fax: 0116-2523918
Email: brian.windley@btinternet.com

Research/Areas: Evolution of the continents with special contributions to understanding Archaean to Cenozoic mountain belts worldwide.

15. MEMBERS OF THE ACADEMY

Pakistan Academy of Sciences
2022
1. Dr. Muhammad Sayab
   National Centre of Excellence in Geology
   University of Peshawar, Peshawar
   Elected 2012

2. Dr. Syed Ghulam Musharraf
   HEJ Research Institute of Chemistry
   Dr. Panjwani Center for Molecular Medicine and Drug Research
   International Center for Chemical and Biological Sciences
   University of Karachi, Karachi
   Elected 2013

3. Dr. Asma Saeed
   Food and Biotechnology Research Centre
   Pakistan Council of Scientific and Industrial Research Laboratories Complex, Lahore
   Elected 2013

4. Dr. Muhammad Ansar
   Department of Biochemistry
   Faculty of Biological Sciences
   Quaid-i-Azam University, Islamabad
   Elected 2013

5. Dr. Bilal Haider Abbasi
   Department of Biotechnology
   Faculty of Biological Sciences
   Quaid-i-Azam University, Islamabad
   Elected 2014

6. Dr. Reaz Uddin
   Dr. Panjwani Center for Molecular Medicine and Drug Research Center for Chemical and Biological Sciences
   University of Karachi, Karachi
   Elected 2014

7. Dr. Gul Shahnaz
   Department of Pharmacy
   Faculty of Biological Sciences
   Quaid-i-Azam University, Islamabad
   Elected 2014

8. Dr. Tariq Mahmood
   Department of Plant Sciences
   Faculty of Biological Sciences
   Quaid-i-Azam University, Islamabad
   Elected 2015

9. Dr. Nudrat Aisha Akram
   Department of Botany
   GC University, Faisalabad
   Elected 2016

10. Dr. Mushtaq Ahmed
    Department of Plant Sciences
    Faculty of Biological Sciences
    Quaid-i-Azam University, Islamabad
    Elected 2016
